

On Thursday, we took a moment to check in with each other and asked, "R U Ok?" while sharing some delicious treats provided by the P&C. We can all make a difference in each other's lives having regular, meaningful conversations about life's ups and downs.

By acting as 'eyes and ears' and reaching out to anyone who's going through a tough time we can show them they're supported and encourage them to access help sooner.

If they are OK, that person will know you're someone who cares enough to ask.

R U OK?

On Monday we were once again lucky enough to have the "Ballers" from Scone High School visit to read with our Kindergarten students.

Share your world

Become a foster carer

It's the little things that matter most - like having a safe place to call home, someone you can smile with and the right support.

You can make an extraordinary difference in the life of a young person by sharing those ordinary, everyday moments.

We are looking for compassionate individuals, couples and families to become foster carers to provide a safe and supportive home for vulnerable children and young people. We'll support you 24/7 and provide all the training you need.

If you have a spare bedroom and time to share, we'd love to hear from you. Contact us today and be the positive change in a child's life!
