School Bytes

At Auburn Public School we use School Bytes for all financial and communication transactions. All payments and permission notes for school are now received by email and payments are made online. It is important that you have your updated email address on file at school.

All important information is also emailed out to parents via email through School Bytes.

You can now set up your own parent portal account in School Bytes.

Follow the steps below to help you. If you are having any troubles getting this onto your phone, please come and see our lovely office staff for support.

- **Method 1 - Parent Portal - accessed via this link:**
<https://portal.schoolbytes.education>
- **Method 2 - Parent App**
 - App Store - <https://apps.apple.com/us/app/school-bytes/id6463097826>
 - Google Play - <https://play.google.com/store/apps/details?id=education.schoolbytes>
- **Method 3 - Unique link emailed or sent via SMS to you. These links will take you to a webpage on one of our trusted domains listed below:**
 - schoolbytes.education
 - parentpayments.com.au
 - bytes.sc

This link will automatically direct you to the School Bytes application where you can then continue to make a payment or enter the details into your online permission note.

The emails are sent from noreply@mail.schoolbytes.education. If you are not receiving these emails, please check your spam/junk mail folder and add the email address to your safe senders list.
