I have discussed this application with my child's Principal (or delegate) and I understand that:

- ☐ to be a successful learner, my child will require a suitable workplace at home with reliable internet access
- ☐ if we are suffering financial hardship and/or the internet access at our home is highly unreliable, we would be able to negotiate with the school to use the school's ICT resources at mutually agreeable times
- ☐ all Aurora College lessons are delivered live in real time via online platforms

In addition, I confirm that:

- ☐ my child has appropriate means of transport for the lesson times that have been selected according to the Common timetable template for 2027 – arriving in time for morning lessons beginning at 7:30am or 8:00am (depending on subject line) and leaving school following afternoon lessons ending at 3:30pm or 4:30pm (depending on subject line)

To the best of my knowledge, my child does not suffer from any physical/medical conditions that would adversely affect their learning via digital technologies for extended periods of time. If I have any questions or concerns regarding the operation of the school, I can contact the coordinating office by phone: 1300 287 629.
