Lucky the Kookaburra would like to show you around Year 2. Can you spot me on every page in this book?

My first day of Year 2 will be Thursday 6 February.

School will start at 9am.

I will wear my school uniform..

When I get to school I will say goodbye at the gate.

My friends will be there to say hello to me. I will see the Year 2 teachers and my Year 1 teacher too.

I will put my bag down on the deck.

Then I can go and play with my friends on the oval.

When the music plays I will line up with my class on the deck and wait for my teacher.

My teacher will take me to my new classroom. My classroom may look like this.....

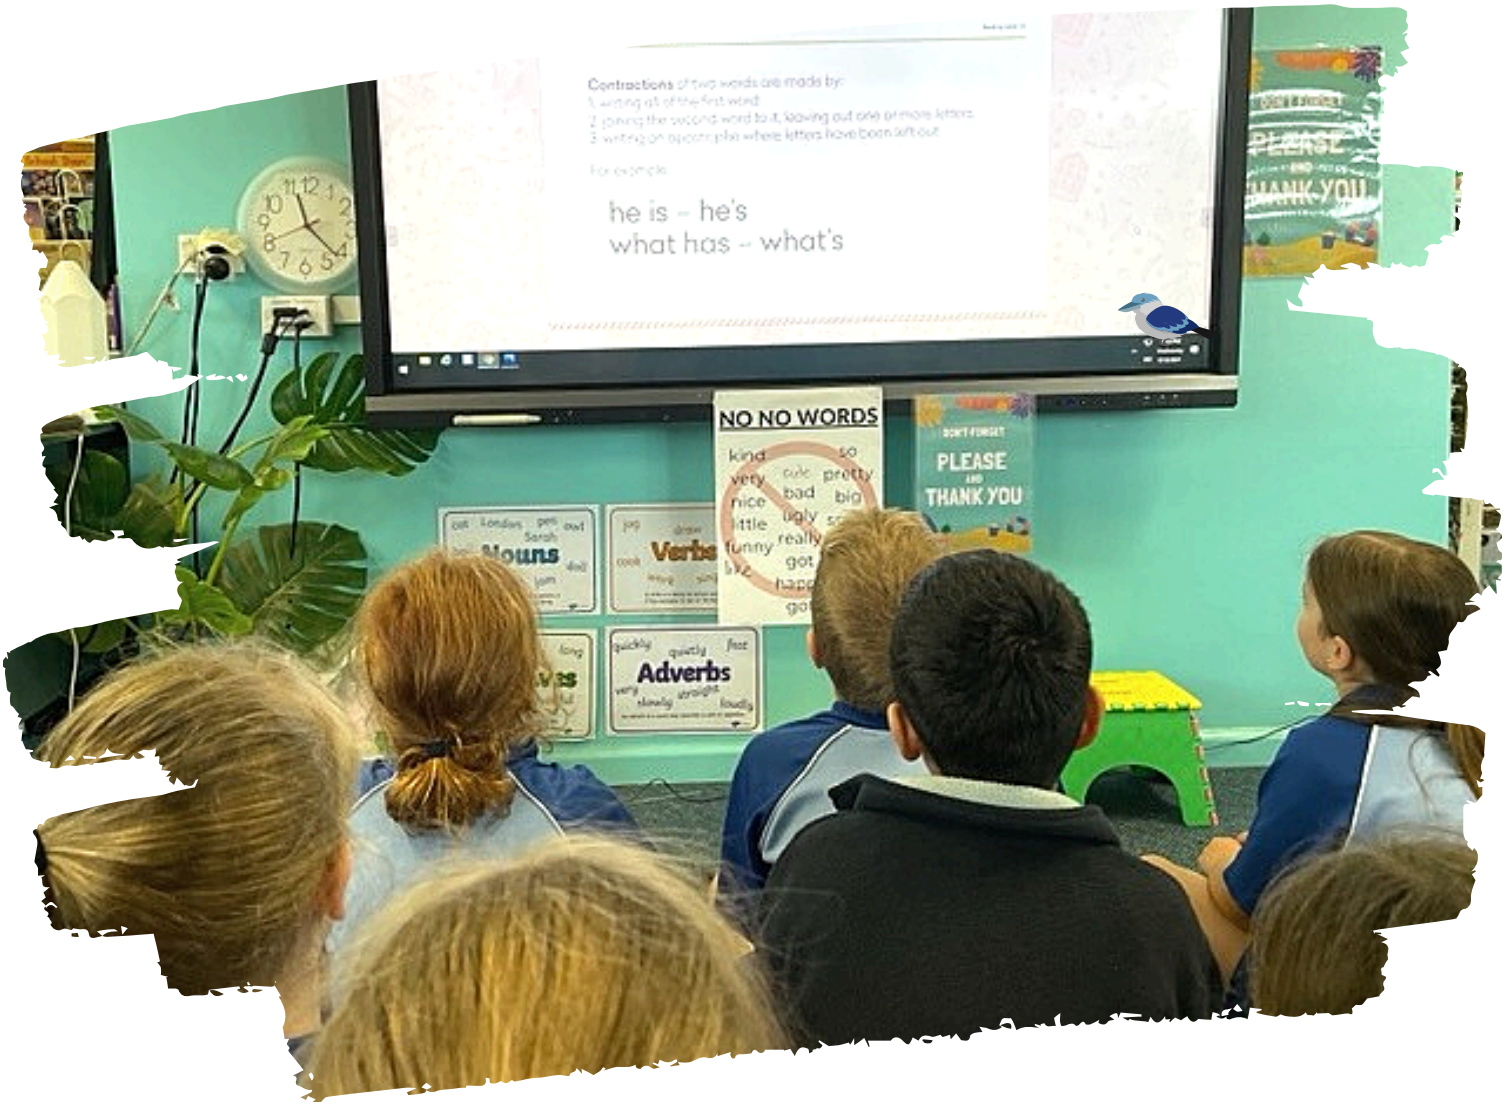

Or like this.....

Follow instructions promptly
Move in a safe and sensible way
Learn at every opportunity

Some of my friends from my class last year will be in my new class.

There will also be new friends in my Year 2 class that I will get to know.

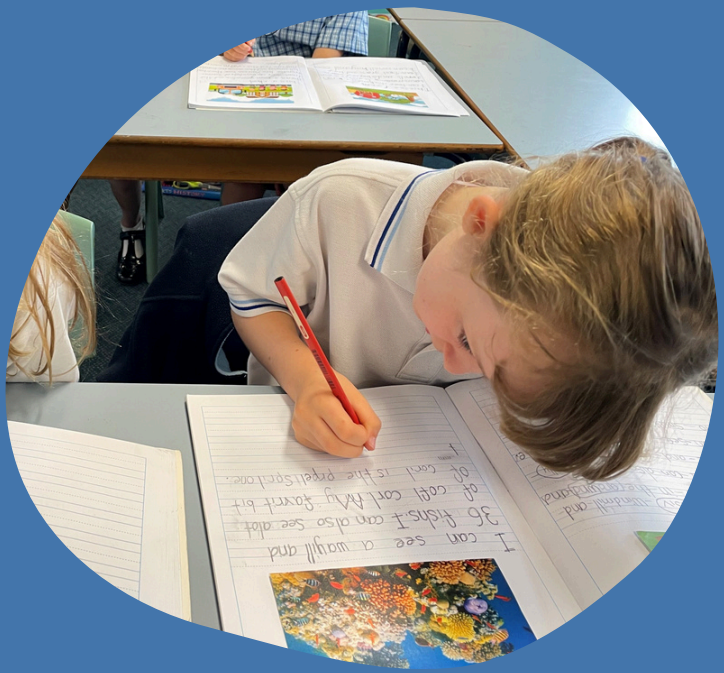

In Year 2 I will continue to learn reading with my teacher...

...learn about numbers in maths

...and continue to do writing activities at my desk.

I will have PE with TBA.

Science with Mrs Chirillo or Mrs Skanavis

Music with Miss Zhang.

I will also have library with Mrs Kerr.

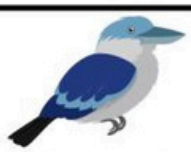

My teacher will tell me about our class expectations, like putting my hand up if I have something to ask.

 Responsibility	• Be accountable for your own behaviour • Take initiative and be a good role model • Take care of your belongings
 Personal Best	• Take pride in your work • Have a positive attitude towards learning

I will learn how to be respectful, show responsibility and try my personal best in my new classroom and on the playground.

When I do my teacher might give me a thumbs up token

or a mini-merit award.

I will need to bring my fruit break, recess and lunch everyday, unless I have a recess or lunch order from the canteen.

I will eat my recess on the deck and my lunch in my classroom.

At recess and lunch I will be able to play outside.

I can play on the oval.

In the sandpit.

On the play equipment and under the COLA.

I can also play with the toys on the deck.

Or visit the native garden.

At the end of the school day

I will wait with my teacher at the Year 2 gate until I can see who is picking me up from school.

Some days I might go to Arabanoo (before and after school care). If I do, my teacher will take me to meet them under the COLA.

I will have lots of exciting stories to tell my family about being in Year 2.
