

A note from the principal;

Welcome to Week 11

Over the past three weeks, our students have engaged in a variety of enriching experiences both in and out of the classroom. Notable highlights include our vibrant Harmony Day celebration, an inspiring online session with Author James Foley hosted by The National Treasury, and an eventful visit to Mrs. Haworth's farm.

We are excited to announce that new winter uniforms are on the way! The school is proud to provide each student with new attire, featuring green jumpers adorned with a yellow emblem and black fleece-lined jackets. Students have already tried on the jumpers, and tracksuit pants will follow soon. To help prevent lost items, both the jumper and jacket will have students' names embroidered on them.

Our School Bytes system continues to perform well, with both staff and parents becoming increasingly confident in its use. If you require any assistance with the app, please don't hesitate to reach out to Ms. Davies in the front office. We maintain a school calendar that is updated daily with important events, messages, and excursion details.

This year, we are placing a strong emphasis on attendance. We recognise the importance of being present every day and arriving on time. While this may not always be easy, our commitment to excellence in education can only be fulfilled through regular attendance. I am thrilled to announce that all students have achieved the attendance levels necessary to qualify for our rewards excursion to Vortex in Wagga on the last day of term.

Permission notes are available on School Bytes.

We look forward to seeing everyone at the ANZAC Parade during the school holidays. The meeting point will be at the police station at 10 AM. Please ensure that students are in full school uniform, with our Captain and Vice Captain proudly wearing their new Leadership uniforms. **If you are unable to attend the march, kindly inform the front office so Ms. Davies can be notified.**

Lastly, a friendly reminder that our Outstanding Effort Assembly will take place on Thursday, April 10th, at 1:30 PM. We warmly invite family, friends, and community members to join us for this special event, where students will perform with bells, showcase their Easter hats, and delight us with their dancing.

Thank you for your continued support, and we look forward to an exciting finish to the term!

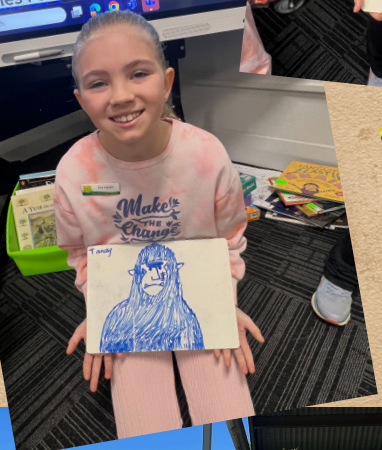

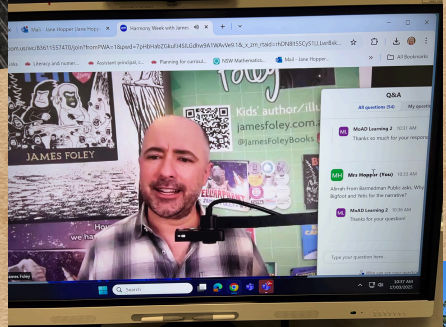

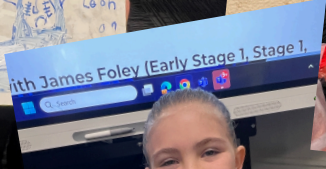

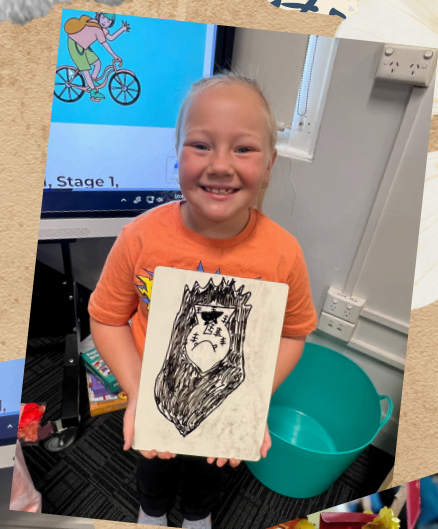

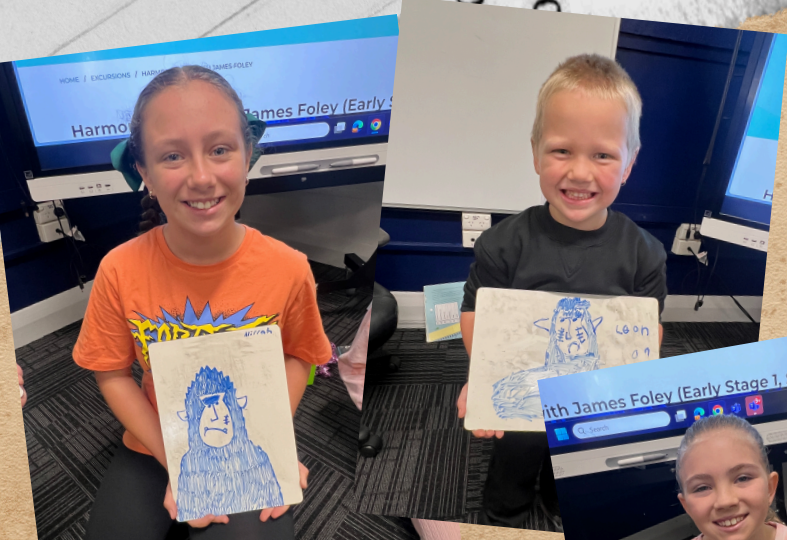

Mrs. Hopper

We would like to acknowledge the Wiradjuri People, Traditional Custodians of the land on which we gather and pay our respects to their Elder's past, present and emerging.

LCCC VISIT TALLIMBA

During 2025, Barmedman Public, Tallimba Public and Weethalle Public will be combining each term to host a science day with Miss Sally to learn about all things environmental and enhance the learning being completed at school.

This is a great initiative by the three small schools and we look forward to hosting when its our turn in term 3. The year will be ended with a combined visit to the Conservation Centre.

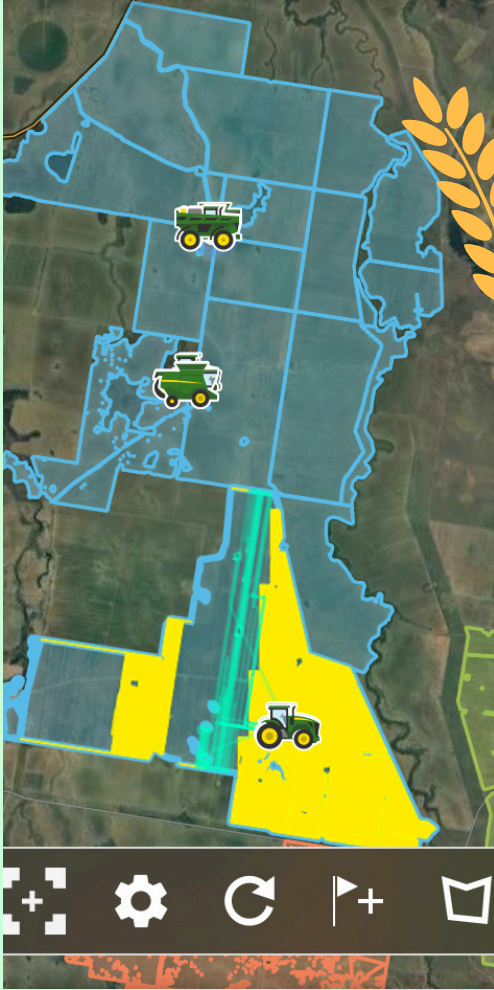

Thank you Mrs Haworth for organising, and Tallimba Public School for having us.

**WE LOVE THE
LIBRARY
BUS**

Farm Visit

We had a great time exploring the farm. We look forward to going back next term to see the crops being planted and watching them grow.

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

Build skills through fun

education.nsw.gov.au

Minutes lost = days lost per year

A couple of minutes here and there doesn't seem like much, but...

When your child misses just... they miss days per year

5 mins
per day

= **3** days

30 mins
per day

= **18** days

Patterns of lateness
can have a serious
impact on your child's
education.

School Bytes

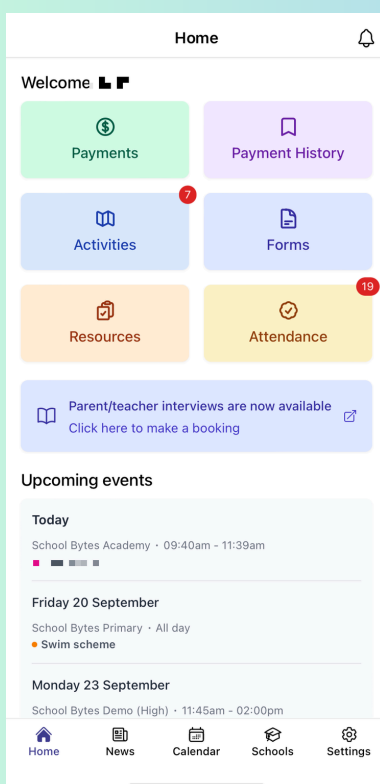

School Bytes provides a parent portal to help your school communicate with you.

Your school may use the parent portal for various things, including online permission notes, attendance, and payments, which can be accessed via a secure link. The School Bytes parent portal enables you to view all your children in one portal and process payments for multiple siblings in one transaction.

IMPORTANT: To ensure that the registration process works smoothly and you can link your account to your child(ren), make sure that you use the same email address that you have provided to the school or if using a different email address, an SMS verification code will be sent to the mobile phone number on record for you at the school.

To set up your parent portal, go to the following link below:

<https://portal.schoolbytes.education/auth/register>
