

Term 3 Week 3 Monday 4th August 2025

A NOTE FROM THE PRINCIPAL;

Welcome back to Term 3! I hope you all enjoyed a restful break and are ready for an exciting and productive term ahead. We have a lot planned, and I am eager to share some important initiatives and events with you.

Focus on School Attendance

This term, we will be placing a significant emphasis on school attendance. We understand that consistent attendance is vital to student achievement and overall well-being. Every day of learning is crucial, and we want to remind everyone that minutes lost can quickly translate into days missed. To support this goal, students will be tracking their own attendance daily and will be encouraged to reflect on their attendance regularly. We believe that by fostering a sense of responsibility toward attendance, students will enhance their own learning experiences.

Education Week Celebrations

Next week, we are excited to celebrate Education Week, a time to acknowledge the incredible achievements of our students and the dedication of our teachers. This year's theme "Ignite your Potential", reflects our commitment of encouraging our students to take ownership of their learning journey and believe in their capabilities.

As part of our celebrations, we invite all families to our Open School event on Wednesday 6th August. This will be an excellent opportunity for you to visit classrooms, engage with teachers, and witness the wonderful learning taking place in our little school.

Book Week Celebrations

Looking ahead to Week 5, we are thrilled to announce our Book Week celebrations!

This year's theme "Book an Adventure," invites students to explore the exciting journeys found within the pages of their favourite books.

We will be hosting a Book Parade on Wednesday, August 20th, during our mid-term assembly at 1:30 PM. Students are encouraged to come dressed as their favourite book characters, we are happy to assist with costumes if needed.

All families and community members are welcomed to join us for this fun event!

Thank you for your ongoing support, and let's make this term both successful and memorable!

Warm regards,

Belinda Hawthorth

Our attendance has had a strong start this term

The importance of arriving at school and class on time:

- ensures that students do not miss out on important learning activities scheduled early in the day;
- helps students learn the importance of punctuality and routines;
- gives students time to greet their friends before class; and
- reduces classroom disruption.

Lateness is recorded as a partial absence and must be explained by parents.

ATTENDANCE MATTERS

COMMUNITY NEWS

Hi, my name is Jenn, and I have recently been appointed as the new WHIN Coordinator for our local public schools. I am a registered nurse specialising in Child & Family Health.

The **WHIN** stands for Wellbeing Health In-Reach Nurse. My role here at our schools is to work alongside the education department to support students and their families on a wide range of health and wellbeing issues, including behavioural and social supports, mental health, physical health, peer and family relationships. I can assist with coordinating appropriate early interventions, assessments, and referrals for students and their families to services and programs, contribute to case management, support health promotion, improve health literacy and assist in building strong relationships and effective referral pathways.

My base will be West Wyalong High School, with scheduled visits to the outlying schools in the district, I can be contacted via phone or email.
