• Stage 3 Assembly (Years 5 & 6)

Message from The Principal

As we progress through the school year, we want to take a moment to remind parents and guardians about the importance of regular attendance and punctuality for our students. Consistent attendance is crucial for academic success and helps foster a positive learning environment.

Be On Time

Arriving at school on time is vital for students to start their day positively and engage fully in their learning activities. When students arrive late, they miss out on important instructions and can feel rushed or anxious. We encourage all families to ensure their children arrive at school with enough time to settle in before classes begin.

Avoiding Long Trips During Term

We understand that family trips and holidays can be exciting and enriching experiences. However, we kindly ask parents to avoid scheduling long trips during the school term. Missing school can significantly impact a child's learning progress, not only academically but also socially. Each day of school is designed to build on the last, and consistent attendance helps students stay connected with their peers and teachers.

Supporting Your Child's Success

We appreciate your efforts in supporting your child's education by ensuring they attend school regularly and on time. If you are planning a trip or have any concerns regarding attendance, please feel free to reach out to your child's teacher or the school office. We are here to help and provide any necessary support.

Thank you for your continued partnership in making Barnier Public School a place of learning and growth for all our students!

Warm regards
Mr Vincent
Rel. Principal.
