Message from The Principal

Last Tuesday, we came together for our Remembrance Day assembly to honour the sacrifice of so many, which allows us to live in peace and harmony. I want to personally thank Ms Sarah Nixon, who was our special guest at the assembly. She gave a wonderful and moving speech about her journey and experiences in the defence force, and she helped us understand why these remembrance ceremonies are so important.

At our school, we believe that every boy and girl deserves to be treated with kindness and respect, no matter the colour of their skin or where they come from. We are all human beings, and when we care for each other and celebrate our differences, we create a safe and happy community where everyone feels valued and included.

Remember, showing respect to others is one of the most important ways we can make our school a better place for everyone. Racism of any kind will not be tolerated here at Barnier. We stand united in promoting equality and understanding every day.

Despite what may be happening in the wider world, within these school gates, we are one big Barnier family where we strive to make sure everyone is known, valued, and cared for.

I wish you all a wonderful final five weeks of the year.

Warm regards

Mr Vincent

Rel. Principal.
