Message from The Principal

As we begin Week 7 of Term 4, I want to sincerely thank everyone for your ongoing engagement and support. Recently, we sent out a survey regarding our school's award system, and I encourage all families to share their valuable feedback. Your insights are essential in helping us evaluate the system to ensure it recognises and celebrates the achievements and positive contributions of our students. Looking ahead, we will be releasing additional surveys to support future planning. These opportunities for consultation ensure that our community's voice is heard and valued as we work collaboratively to strengthen our school.

I would also like to remind everyone about the updated uniform policy released last week. While there have been no substantive changes to the policy itself, the recent update provides clearer guidance and better explains the existing requirements to ensure everyone understands the options available. Over the past few years, some of these expectations may not have been consistently reinforced by staff, and we acknowledge this. To support clarity, the school is currently in the process of taking professional photos to visually demonstrate all acceptable clothing options. We are committed to ensuring clear and consistent implementation from the start of 2026.

If you need financial assistance to support your child adhering to our school uniform, please don't hesitate to contact me. If you have any questions or need further information, please don't hesitate to contact the school.

Award System Survey- Please complete by this Friday.
