Message from The Principal

As we enter Week 8 of Term 4, I am filled with excitement as we prepare for our Celebrations of Learning assemblies taking place this week. These assemblies are a wonderful opportunity to come together as a community and recognise the individual progress and achievements of every student. Each student will receive an award celebrating the achievement of a personal learning goal they have worked hard to attain throughout the year.

Our Celebrations of Learning highlight the importance of recognising personal development and the diverse strengths of our students. It's an inspiring reminder of how far each child has come and a chance to acknowledge the dedication they have shown in their learning journey. We look forward to sharing these special moments with families, staff, and students.

I also want to remind everyone about completing the school culture survey. Your feedback is incredibly important to us as it helps ensure that our school environment reflects what matters most to you and our students. Please take the time to share your thoughts.

Thank you for your continued support in making our school a place where every student's learning is valued and celebrated.

Warm regards
Mr Vincent
Rel. Principal.

Next Week

Mon 8th Dec • Parent Helper Morning Tea

Tue 9th Dec • Party Day – Years 1 and 2

Wed 10th Dec • Party Day – Kindergarten

Thur 11th Dec • Party Day – Years 3 to 6

Let's party!

Items that are clearly labelled with the student's name and current class are returned to the students. Everything else is disposed of or donated to the P&C's second-hand uniform shop. You would not believe the amount of high-quality unlabelled clothing and other items that are in these bins. Please ensure that all of your child's belongings are clearly labelled with their full name and current class so that we are able to return them.

Don't forget to check the lost property bins before the end of term.
