Week 5 Newsletter

22.8.25

Dear families,

Whilst I was away relieving as Principal at Copmanhurst PS in Term 2, I thank Mr Whitfield for his work in supporting students and the team here at Baryulgil. I know Mr Whitfield made many positive connections and loved his leadership experience at Baryulgil. Term 3 has begun with many wonderful learning opportunities and activities for students and there will be more to come as we go in to the second half of the term. Keep a look out for permission notes and communications about happenings during the next few weeks!

Athletics

Congratulations Kosszac who competed at the recent Clarence District athletics carnival in both 100m and discus events. Kosszac qualified to represent our school in discus at the Mid North Coast carnival and did himself proud, throwing a personal best throw in the event. We are all proud of you Kosszac!

Cooking with Fiona

We have already had two cooking sessions with Fiona from the AMS this term. Students learnt to make yummy winter meals - macaroni cheese and chicken curry! Yum! Thanks Fiona!

Red Cross Visit

Last week the team from Red Cross visited to gather some drawings and story telling perspectives from the students to create a book to raise awareness about the impacts of the cyclone in an isolated area. The will be elements of culture, art and story telling in the book and we can't wait to see the students' work published!

Book Week

We held a fabulous book week day this week! All students eagerly participated in dressing up as their favourite book character. We showed off our costumes, talked about our character and played fun games to win cool prizes. Lunch was a Dagwood Dog each while we watched 'Little Lunch' starring our Sam - oops, I mean Rory! All the kids looked so good and it was fabulous to see them excited and inspired by books!

Togetherness Day - Friday 19th September

We will host our annual Togetherness day in four weeks time! We have invited students and staff from Copmanhurst PS, Westlawn PS, Gillwinga PS, Grafton High School and South Grafton High School. The high school students will lead activities for the primary aged students to participate in. We invite our whole community on the day as well as support services and colleagues from the Grafton education office who regularly support our school. This will be a great day with games and activities, food, community and culture.

Kind regards,

Ashli
