

BYOD, Internet & Email Services Student Agreement

The following student agreement outlines the school's expectations in the use of technology at school and for learning purposes.

All students who use Computers, BYOD and the DoE Internet and Email services must read this agreement in the company of a parent or caregiver.

Students bring their own device for use at school **at their own risk**.

Be Respectful	• I agree to bring my device to school every day fully charged. • I agree to only use the DETNSW wireless network while at school. • I agree to not install or use VPN, Proxy or any other software to bypass filtering or breach security at school. • I agree that use of Computers, BYOD, Internet and Email during school activities is at the direction of the teacher.
Be Responsible	• I agree that my use of the Computers, BYOD, DoE internet and email will be primarily for learning. • I agree to acknowledge the work of others by following Copyright and Intellectual Property laws and guidelines. • I agree to only ever use my own school/portal/internet log-in details and never share those with others. • I agree to stay safe and keep others safe by not giving out my or other people's personal information. • I understand that my activity on the internet is recorded, and these records may be used in investigations, court proceedings or for other legal reasons.
Be Tolerant	• I agree to use language and demonstrate behaviours that are socially inclusive and respectful of individual differences.
Be Socially Conscious	• I agree to not use Computers, BYOD, Internet and Email to knowingly search for, link to, access or send anything that is deemed: • offensive • pornographic • threatening • abusive • defamatory • bullying behaviour • Image-based abuse • I agree to report inappropriate behaviour and material to my teacher.
Foster Resilience	• I have read the student responsibilities and agree that I will abide by them. • I will engage in behaviours that promote positive mental health in myself and others.
