BEAUMONT HILLS PUBLIC SCHOOL
Thursday 6 February 2025 - Term 1 Week 2 2025

Principal Report

Welcome to 2025. I hope that all families have enjoyed the break and are looking forward to the 2025 school year as much as the staff of Beaumont Hills Public School.

Staff have made maximum use of the school development days over the last four days, and classrooms are well set up for learning to begin. A special welcome to our new families. I am confident that your children will be well supported at our school.

This year we welcome several new staff members. As you are aware, Mrs Selwood retired at the end of last year. We have Mrs Paula Daghero taking her place as School Administration Manager in our office. Mr Michael Grace has taken up the position of General Assistant, replacing Mr Eddie. Mr Grace has been very busy this week trying to get the school ready for the return of students.

Mrs Estelle Craig is our Assistant Principal for Stage 1 (Years 1 and 2), and Mrs Elizabeth Evans is Assistant Principal for Early Stage 1 (Kindergarten). We welcome Mrs Craig and Mrs Evans to our team! We have two new teachers, Mrs Lisa Ingleton is taking one of our Inclusion and Support classes. Mrs Kaylene Waddell is our Learning and Support Teacher.

We also welcome Mr Jay Proglio and Mrs Libby Collins as School Learning and Support Officers in our Inclusion and Support classes. Mrs Collins has been a temporary SLISO here at BHPS for several years, so it is lovely to now have her as a permanent staff member.

WELCOME BACK TO SCHOOL EVENT

Please save the date on Friday 28 February for our Welcome Back to School event. This year we are combining Meet the Teacher and Welcome Back to School, with Meet the Teacher beginning at 4.30pm, flowing into Welcome Back event and finishing at 6.30pm. More details will follow, but briefly, Meet the Teacher will be a more informal meeting than previous years. The Welcome Back event is organised and run by our wonderful P and C association, and will have lots of fun activities for families to participate in.

2025 CLASSES

Students have been placed into their 2025 classes today. Kindergarten classes remain flexible for a couple of weeks as we get to know the students and sort the most effective placement for each child. 2025 classes and teachers are as follows.

In our next newsletter, Week 4, I will have a complete staff list and roles for 2025.

CONTACTING THE SCHOOL

If you have questions, information or concerns to share with the school, please do not hesitate to reach out. Generally, your child's class teacher will usually have the best information about your child, and should be the first point of contact. The best way of making contact is through email to the school email address, for the attention of the classroom teacher's name, with a brief outline of what you would like to discuss. The teacher can then give you a call to discuss over the phone, or arrange a meeting if required. General school organisation questions can be handled via the office staff, who are well informed of school operations.

We are all here to work together as a supportive network to care for each child's learning and wellbeing. I look forward to working with our school community this year, as always.

SWIMMING CARNIVAL

Our annual Swimming Carnival is fast approaching, and will be held at Hawkesbury Oasis Swimming Centre. A note will be sent today, requesting permission, transport requirements and events to be entered. Please note that we have a very short turn around for responses, and if your child will be attending the closing date for permission will be adhered to. Thank you in advance.

The swimming carnival is attended by competitors only, children turning 8 this year and above. Children need to be able to competently swim 50 metres.

STUDENT BELONGINGS

Please ensure that all student belongings are clearly labelled. It is a good idea to form a habit to check that your child brings everything home that he/she took to school. Lunch boxes, drink bottles, jackets etc should all be clearly labelled with your child's name, and room, their class. This helps lost items be returned easily, and cuts down on our never diminishing lost property.

SELECTIVE HIGH SCHOOLS AND OPPORTUNITY CLASSES

Applications are now open for Year 4 students to apply for Opportunity Class placement in 2026, and Year 6 students to apply for Selective High School Placement for 2026. Applications will close on 21 February 2025. Please see the information below, and flyers included in this newsletter.

What is selective education?

Selective education is one of the ways that the department supports students with high academic potential. Selective education includes [selective high schools and opportunity classes](#). Selective education has many benefits, including:

Students learn alongside, and form friendships with, other high potential and gifted classmates.

Special teaching methods allow students to learn at a quicker pace and in more detail.

Research shows that students benefit both academically and socially when learning with classmates who have similar abilities.

Opportunity classes and selective high schools are not zoned so you can apply to any of them, even those outside your local enrolment area.

Use the following maps to find your closest:

[opportunity classes](#)

[selective high schools](#).

What are opportunity classes?

[Opportunity classes](#) are offered in primary school from Years 5 to 6.

There is also an [online opportunity class](#) for students in rural and remote areas. Students attend a local host school and complete their maths and science and technology lessons online through Aurora College.

Parents/carers apply for opportunity class placement when their child is in Year 3 and can apply up until 21 February 2025, when their child is in Year 4.

You can include up to 4 school choices when you are applying for an opportunity class.

What are selective high schools?

[Selective high schools](#) are offered in high school from Years 7 to 12. Parents/carers apply when their child is in Year 5 and can apply up until 21 February 2025, when their child is in Year 6. There are 4 types of selective high schools:

- fully selective high schools (where all students attending the school have high potential or are gifted)
- partially selective high schools (where one or two classes in each year are academically selective, with some non-selective classes for local students.)
- selective agricultural high schools (day or boarding schools that emphasise the study of agriculture)
- Aurora College (a virtual selective high school – students attend a local host school and complete their English, mathematics and science lessons online with their Aurora classmates).

You can include up to 3 school choices when you are applying for a selective high school.

Principal Report

Is selective education the right fit for my child?

High potential and gifted students can be found across diverse family, socio-economic, language, cultural backgrounds and geographic locations.

Your child may have high academic potential if they demonstrate some of the following:

- enjoy learning
- have intense curiosity
- display a good memory
- ask complex questions
- enjoy learning new and often complex ideas or skills
- require fewer repetitions when learning new things
- are creative

become intensely focused in their area/s of interest.

Note: Not all high potential and gifted students will display all of these characteristics, for example, due to disability, disadvantage and/or lack of opportunity.

Learn more about the department's [High Potential and Gifted Education Policy](#).

How do I apply for entry into an opportunity class or selective high school for my child?

Parents/carers should visit the [selective high schools and opportunity classes website](#) to learn more about opportunity classes and selective high schools and complete an [online application](#).

Participate in a research study for parents and caregivers

Online telehealth parenting program – families can participate from anywhere in NSW

Who can participate?

- Parents/caregivers (fathers, mothers, grandparents, foster and kinship carers) of children aged between 3-years and 9-years 11 months.

What is the study about?

- This study is called *Measuring Change in Parenting Programs*. It offers an evidence-based 8-10 session parenting program, delivered via telehealth, to help parents manage their child's challenging behaviours. This study examines the effectiveness of measure completion at different time points in the program.
- All families taking part in the study will receive an 8-10 session parenting program and will complete measures about their child and family before and after the program, and again after three months. In addition, families will be randomly allocated to either complete additional weekly measures before and after sessions or to not complete these measures.

What does the parenting program involve?

This evidence-based parenting program is 8-10 sessions and provides parents with evidence-based strategies to manage challenging child behaviour, promote positive parent-child interactions, and support parental teamwork.

- This research will help us find out how often to measure progress and change in parenting programs, so we can better support parents/caregivers.

How do I get involved?

- Contact the researchers at the University of Sydney to find out more about this study. Email your enquiry to scbrc@sydney.edu.au or call (02) 9114 4326.

NSW Department of Education

A guide to selective high schools and opportunity classes

Selective high schools and opportunity classes are specialist school settings that group together **high potential and gifted students**.

Learning with classmates who have similar abilities helps students' academic development and wellbeing.

Students still follow the NSW curriculum, but teachers may use special teaching strategies for high potential and gifted learners.

Selective high schools

There are 4 types of selective high schools:

- **fully selective high schools** – these are schools where all students have been selected based on the placement test
- **partially selective high schools** – these are schools that have a mix of selected students and local area students
- **agricultural selective high schools** – these are schools that emphasise the study of agriculture and all students are selected on their academic ability. Some of these schools also provide boarding where students live at the school
- **Aurora College** – these are online selective classes. They are provided at local public high schools in rural and remote areas.

Opportunity classes

Opportunity classes are for high potential and gifted students in Years 5 and 6. They are offered in a number of public primary schools across NSW.

Aurora College provides online opportunity classes for rural and remote students in their local primary schools.

Where are they located?

Selective high schools and opportunity classes are available across metropolitan, regional and rural NSW. Check the maps below for a school near you.

- [Find an opportunity class](#)
- [Find a selective high school](#)

Principal Report

How do I know if it is the right fit for my child?

Does your child:

- enjoy learning
- have intense curiosity
- display a good memory
- ask complex questions
- require fewer repetitions when learning new things
- display creative ways of thinking
- become intensely focused in their area of interest or passion?

If some of these sound like your child, an opportunity class or selective high school might be a good fit.

How do I apply?

Parents apply during the application period online at: shsoc.education.nsw.gov.au

2026 entry into an opportunity class or selective high school

The application period for 2026 entry is from 7 November 2024 to 21 February 2025.

What year is my child in when I apply?

Opportunity classes

Parents apply when their child is near the end of Year 3 in 2024 or at the beginning of Year 4 in 2025.

Selective high schools

Parents apply when their child is near the end of Year 5 in 2024 or at the beginning of Year 6 in 2025.

Learn more on our website about the [application process](#) and residency requirements at [who can apply for opportunity classes](#) and [who can apply for selective high schools](#).

The placement test

After you apply, your child must sit a test. Students are then selected for placement based on their test performance.

When is the test?

The test will be available across a 3-day period from Friday 2 May to Sunday 4 May 2025.

Students attend one test day only and do not need to bring their own computer to sit the placement tests.

A guide to selective high schools and opportunity classes - English 2

Principal Report

What's in the test?

The test assesses how well students understand what they read, reason using mathematics and their thinking skills. Applicants for selective high schools are also tested on their writing skills.

Learn more at: [Placement test](#).

When will I find out about my child's results?

After your child sits the test, you will get an email in Term 3 with their test performance and next steps. If your child is offered a place, you will get information on how to enrol.

The Equity Placement Model

The [Equity Placement Model](#) helps all students to have fair access to selective high schools and opportunity classes.

Under the Model, up to 20% of student places at each selective high school and opportunity class are held for high potential and gifted students:

- from low socio-educational advantage areas
- of Aboriginal and/or Torres Strait Islander background
- from rural and remote locations
- with disability.

The held places are offered to students based on their performance in the placement test.

Learn more at [Fair Access](#).

Supporting gifted students in all NSW public schools

Selective high schools and opportunity classes are just one of the ways that the NSW Department of Education supports high potential and gifted students.

High potential and gifted students are supported in all NSW public schools to reach their full potential. Learn more about the department's [High Potential and Gifted Education Policy](#).

NSW Department of Education

Applying for my child to attend an opportunity class or selective high school

Why selective education?

Grouping high potential and gifted students together and using special teaching methods supports their:

- academic development
- emotional wellbeing
- friendships and social life.

Students tell us that they enjoy learning more when their classmates have similar abilities and interests.

Is it right for my child?

Here are some signs that your child may benefit from selective education.

learns quickly and easily

goal-driven

asks complex questions

good memory

curious and creative

deeply explores passions

Keep in mind, some children's high potential may be hidden. Being in an opportunity class or selective high school could help.

education.nsw.gov.au/shs-oc

Principal Report

How can I support my child through the application process?

Talk to your child about the **benefits** and **challenges** of selective education and address their questions and concerns.

Ask your **child's teacher** (or other staff who know them well) whether they think selective education will suit your child.

Apply for any required **reasonable adjustments** for disability or medical conditions.

Encourage your child to use the department's **free resources** to prepare for the test.

Remind your child they only need to do a **small amount** of **preparation** for the placement test, and **don't** need coaching.

Support your child to continue **co-curricular activities**, see friends, eat healthily and sleep well in the lead-up to the test.

The Equity Placement Model reserves up to 20% of places in opportunity classes and selective high schools for high potential and gifted:

- students from low socio-educational advantage backgrounds
- Aboriginal and/or Torres Strait Islander students
- students from rural and remote locations
- students with disability

Beaumont Hills PS Band Program – 2024

Dear Parents,

Welcome back, and a very special welcome to our new students and parents! We are looking forward to another great year of making music. Correspondence will be via email: please ensure TSA has your current email address and check your junk/spam folder for communications.

NEW BEGINNERS *(those learning an instrument for the first time in 2024)*

There are two components to the Band Program: group lessons and a full band rehearsal both held on the same day. **Please note, all group lessons take place after school.** Your band director will email you with further details.

- **Group lessons:** Start Thursday 8 February (a timetable will be emailed to parents by your band director)
- **What to bring:** Instrument if already purchased; items ordered through TSA will be distributed in the first lesson.
- **Full Band Rehearsal:** Beginners will not be required at band rehearsal **until Term 2**. Training Band rehearsals will be on Thursdays at lunchtime.

The first lesson will focus on showing new students how to set-up and care for their instruments.

EXISTING BAND STUDENTS *(those who already learned an instrument in 2023)*

- **Full band rehearsal:** Starts Thursday 8 February at 2:00-2:45pm in the Hall
- **Group lessons:** Start Thursday 8 February (after school). A timetable will be emailed to parents.
- **What to bring:** Instrument & pencil, *Accent on Achievement* book and band folder.

The first lesson will focus on finalising grouping and assessing how continuing students have progressed across the summer holiday break.

IMPORTANT ITEMS

Fees – In 2024, band and group tuition fees will be \$220 per term plus \$10 resource levy. TSA will email invoices/process direct debits at the beginning of each school term and needs to be finalised within 2 weeks of issue or late fees will apply.

Absence from Band – if your child will be absent from band or lessons please notify the band director. In particular, absences outside of school hours must be communicated clearly so we can confirm your child is safe and accounted for.

Creative Kids Vouchers – TSA is a registered provider and families with Creative Kids Vouchers can apply them to term fees by entering voucher details via the TSA website here: <https://teachingservices.com.au/creative-kids/>.

Exiting the Band Program – TSA requires notice by the end of any term if your child wishes to exit from the program in the next term.

CONTACT INFORMATION

CHESS!!

Learn to be a chess champion! Coaching for students at Beaumont Hills Public School (Kellyville) is held on Tuesdays from 1:10pm to 2:00pm, starting on 23 July 2024.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

Each student in the Chess program will also receive access to Chess Squad <https://www.chesssquad.com/> which is an online teaching/playing platform.

If your child is interested in taking part in the class, please email office.sydneyacademy@gmail.com for an enrolment form. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

IMPORTANT INFORMATION REGARDING VACATION CARE

BOOKING DEADLINE

Please note all bookings made by **Wednesday 11th September 2024 to ensure statements can be sent by Friday 13 September 2024**. After this date, all dates will be capped and bookings with availability will need to be requested through email at admin@jigsawoosh.com.au - bookings will incur a late booking fee as shown below.

LATE BOOKING FEE

Bookings added after the booking deadline date will incur a \$5.00 late booking fee per late booking. To avoid late surcharges in bookings, we encourage families to book by the closing date so that Jigsaw OOSH can plan staffing, activities, meals and resources accordingly.

CHILD CARE SUBSIDY

Please note that if you have not attended the service in the last 14 weeks you must re-confirm your enrolment on your MyGov account to receive CCS rebates. Jigsaw OOSH cannot do this on your behalf.

CANCELLATIONS OF BOOKINGS

Fees will apply if Jigsaw has not received sufficient written notice.

Cancelling your booking with less than a weeks' notice - The booking will be removed and replaced with a \$20.00 fee.

Cancelling your booking with 24 hours' notice or less - The booking will be removed and is replaced with a fee that is half of the non-subsidised cost for the booking on that day.

Cancelling on the day - The booking will be marked as absent and full fees will apply. Please email all cancellations to admin@jigsawoosh.com.au
