BEAUMONT HILLS PUBLIC SCHOOL
Thursday 6 February 2025 - Term 1 Week 4 2025

Principal Report

Our students are well settled into learning, and Kindergarten are excited that now they can come to 'big' school every day (5 days a week). It is lovely to see older siblings looking after their brothers and sisters, making sure they are happy and have someone to play with.

Kindergarten Best Start assessments are currently underway, where teachers work one on one with students to get their starting point for learning in literacy and numeracy. These assessments are so important, allowing us to effectively differentiate teaching and learning for every child, making sure that activities are targeted where needed.

Our Swimming Carnival, held on Tuesday, was a great day. Our students were excellent representatives of Beaumont Hills Public School, allowing the purpose of the day to be maintained. We have some talented swimmers, and zone selections will be made according to swimming times recorded on the day. It was lovely to be visited by our famous ex-student, Paralympian Chloe Osborn, who came and chatted with our students, giving them inspiration, and helping out with time keeping. Thank you, Chloe!

Our band started rehearsals on Thursday last week. This year our band program has had a significant uptake, with approximately 90 students enrolling to be part of band. If you have heard our bands play in previous years, you will agree that they are very talented, and a joy to listen to. I look forward to our bands performing for us when they have had suitable rehearsal time.

MEET THE TEACHER

We are excited to invite you to our 'Meet the Teacher' event on Friday, February 28th. This year, we're making it a more informal gathering, allowing you to connect with our teachers in a relaxed setting. Event Details:

- **Meet the Teacher:** 4:00 PM - 4:45 PM
- **Welcome Back to School Festivities:** Starting at 4:30PM

During the 'Meet the Teacher' session, teachers will be available in their classrooms for introductions and short informal chats. Please note that this is not a time for in-depth discussions about your child's progress.

We kindly ask that children remain with their parents during this event and are not left in any playground areas. The Welcome Back activities will kick off at 4:30 PM, providing a great opportunity to enjoy fun and festivities together.

All pertinent information that would typically be shared during the 'Meet the Teacher' will be provided to parents as a handout or sent via email, ensuring you have all the details you need.

Special thanks to our P and C who are working tirelessly to put together a fun Welcome Back event.

We look forward to seeing as many of our families as possible and sharing this special time together.

Ms Lyn Welsh
Principal

SPORT REPORT

SWIMMING CARNIVAL

What a sensational day was had by our students and teachers who attended our 2025 swimming carnival, held at Hawkesbury Oasis on Tuesday, 18th February. Congratulations to our 68 swimmers for your outstanding behaviour, positive attitude and impressive competitive spirit. Thank you to Mr Mein and Mr Pengelly for your organisation of the carnival and to our wonderful parent helpers who were masters of the stopwatch throughout the day!

We were even surprised by a special visit from our very own Paralympian, Chloe Osborn.

The students were grateful for Chloe's encouragement and genuine interest in their swimming accomplishments. How lucky we are to have such an inspirational person motivating our Beaumont Hills kids!

Our successful swimmers who have qualified to compete at the Castle Hill PSSA Zone Carnival will be notified shortly. Please note that to compete in this carnival, swimmers must meet a qualifying standard.

A list of our swimming place getters (fastest three times achieved across all heats in each event/age group) is included in this newsletter. Place ribbons will be awarded during our next 3-6 Assembly (Tuesday, Week 6).

CANTEEN LINE-UP

THIS IS VERY IMPORTANT!!!!

It would be appreciated if you remind your child to be considerate to others when they line up in the queue. Students who would like to purchase items from the canteen have to line up in 2 lines and they must wait behind the red line till their turn. Kindergarten to Year 2 Right Window / Year 3-6 Left Window when you are facing the canteen.

Please see the attached photo. Thank you for your support.

CLASS LUNCH ORDER DELIVERY

At lunch time we will put all students' lunches in the class bucket. Students will be asked to carry lunch orders in the bucket to the classroom even if there is only one lunch in the bucket unless it is theirs. All returned lunch buckets will be cleaned and sanitized on the spot and ready for use next day.

We continue to practice good hygiene in canteen and provide healthy snacks and meals. If there is any questions or feedback feel free to let us know.

Have a great start of 2025!!!!

Participate in a
research study for
parents and caregivers

Online telehealth
parenting program –
families can participate
from anywhere in NSW

Who can participate?

- Parents/caregivers (fathers, mothers, grandparents, foster and kinship carers) of children aged between 3-years and 9-years 11 months.

What is the study about?

- This study is called *Measuring Change in Parenting Programs*. It offers an evidence-based 8-10 session parenting program, delivered via telehealth, to help parents manage their child's challenging behaviours. This study examines the effectiveness of measure completion at different time points in the program.
- All families taking part in the study will receive an 8-10 session parenting program and will complete measures about their child and family before and after the program, and again after three months. In addition, families will be randomly allocated to either complete additional weekly measures before and after sessions or to not complete these measures.

What does the parenting program involve?

This evidence-based parenting program is 8-10 sessions and provides parents with evidence-based strategies to manage challenging child behaviour, promote positive parent-child interactions, and support parental teamwork.

- This research will help us find out how often to measure progress and change in parenting programs, so we can better support parents/caregivers.

How do I get involved?

- Contact the researchers at the University of Sydney to find out more about this study. Email your enquiry to scbrc@sydney.edu.au or call (02) 9114 4326.

CHESS!!

Learn to be a chess champion! Coaching for students at Beaumont Hills Public School (Kellyville) is held on Tuesdays from 1:10pm to 2:00pm, starting on 11 February 2025.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

Each student in the Chess program will also receive access to Chess Squad <https://www.chesssquad.com/> which is an online teaching/playing platform.

If your child is interested in taking part in the class, please email office.sydneyacademy@gmail.com for an enrolment form. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
