Principal Report

REPORTS

Last week all our students were provided with reports on their learning for Semester 1. These reports demonstrate the hard work and commitment to learning of our students, combined with the explicit teaching of key learning areas provided by our wonderful teaching staff. This week sees the opportunity to meet and discuss these reports and the year so far with your child's teacher. Given that this year we have used a new report format as advised by the NSW Department of Education, we will seek your feedback next term in order to make decisions about future reporting periods.

NAIDOC WEEK

This week we celebrate NAIDOC Week, where we honour the rich heritage and culture of Aboriginal and Torres Strait Islander peoples. This year's theme, "The Next Generation: Strength, Vision, and Legacy" resonates deeply as we look toward the future while acknowledging the past.

We were thrilled to welcome the talented performer Tjupurru, who captivated the students with his unique instrument, the Didjeribone. Tjupurru's performance was not only entertaining but also served as an educational exploration of his personal journey, the history of his culture, and the Djabera Djabera Tribe.

Through his music and storytelling, Tjupurru enriched our understanding of Indigenous culture, showcasing the beauty of Aboriginal art and traditions. As we celebrate NAIDOC Week, we embrace the strength and vision of the next generation, ensuring that the legacy of Indigenous culture continues to thrive and inspire.

ONLINE SAFETY

It seems that our children are being exposed to and using online and social media platforms at younger ages. The following is designed to support you with having hard conversations with your upper primary children. Please take time to follow the links as there is invaluable guidance in these sites.

As children mature and explore the world, they can come across scenarios and have experiences that they may not know how to deal with. It is our responsibility as adults and parents to help and guide them [to set boundaries, make safe choices and responsible decisions](#). This can help them build sensible habits when online.

Build trust

[Develop a trust-based relationship](#) with your upper primary aged child so that they can come to you at any time, no matter how difficult the topic might be to talk about. Think of some positive examples and support them with their decision-making process.

Listen actively

[Give your children your full attention](#). When they come to you for help, listen without interrupting, give your full attention and work with them to come up with answers and solutions. This will improve the communication and strengthen the relationship with your upper primary aged child.

Principal Report

Get help

If you are not sure or need more help, you can approach the school or the school counsellor or [Parent Line NSW](#). The [Australian parenting website](#) has self-help resources to navigate issues such as technology, healthy lifestyle, school life and upper primary aged children behaviours.

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

TERM 3

Term 3 sees Stage 3 students experience the Interrelate program. All students, K-6 will participate in a gymnastics program, provided through Be Skilled, Be Fit. Please ensure that you have provided permission for these activities through Sentral.

Week 3 is Public Education Week, themed as *Ignite your potential*. Parents are invited to join us for Open Classrooms and a concert of our performance groups on Tuesday 5 August. More information will follow, but please save the date.

In conjunction with BHPS P&C we will be holding a major fund-raising event, a Colour Carnival, on Wednesday 3 September. We are raising money for our Supported Play Area (SPA), outside F Block classrooms. This play area is currently used by many of our students, both from our inclusion and support classes and our mainstream classes. There is always a lovely vibe in this play area, and I look forward to have it better resourced as a sensory play area.

SYDNEY WRITERS FESTIVAL

SYDNEY WRITERS FESTIVAL

As soon as we arrived at the Writers Festival, we bought books for the authors to sign. After we bought books we went into the theatre and listened to Joel McKerrrow. He told us about his books. He's a poet and a narrative writer. Next, we saw Terri Leiberson and she's the author and illustrator of the Emmie and Friends series. After Terri shared with us, we listened to Katrina Nannestad. Katrina loves history and true stories to add to her books. After Katrina shared with us we had our lunch break that lasted for at least an hour which was nice. After lunch, we got our books signed and met the authors! We then entered the theatre to meet Jared Thomas the author of Uncle XBox and he read two chapters. After Jared Thomas shared with us, we got to meet the famous mystery author, Jeff Kinney!!!! The author of the Diary of a Wimpy Kid! After the amazing day, we hopped back on the bus to head back to school.

By Chloe and Ashleigh 4H

At the Sydney Writers Festival there were 5 amazing authors who took us on a journey through their lives and books. We liked hearing from a variety of authors - from historical fiction, to sports narratives, to cartoonists and poets. There was something for everyone! They told us about their inspiration for writing, as well as explaining the process of publishing your own book. The loudest cheers were for Jeff Kinney, the world famous, best selling author of the Diary of a Wimpy Kid series. All the kids who attended gained a lot from this experience and were grateful to have the opportunity to learn from expert writers.

Congratulations to Breanna and Connor, who represented Castle Hill PSSA at the Sydney West Cross Country Championships, held at the Sydney Equestrian Centre on the 26th June. We are pleased to report that both Connor and Breanna finished in the Top 20 of their age groups – Breanna placed 10th in the 10 Years Girls race and Connor placed 17th in the 10 Years Boys division. Beaumont Hills Public School couldn't be prouder of both Breanna and Connor's terrific achievements!

CHESS!!

Learn to be a chess champion! Coaching for students at Beaumont Hills Public School (Kellyville) is held on Tuesdays from 1:10pm to 2:00pm, starting on 11 February 2025.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

Each student in the Chess program will also receive access to Chess Squad <https://www.chesssquad.com/> which is an online teaching/playing platform.

If your child is interested in taking part in the class, please email office.sydneyacademy@gmail.com for an enrolment form. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
