STUDENT SUCCESS

Congratulations to Lilly who has been successful in being selected in the Sydney West netball team! The team will compete at NSW State Championships in Coffs Harbour in August. We are so proud of you!

BEING YOUR BEST

On Monday our students in Years 3, 4, 5 and 6 were fortunate to meet Mr C – John Coutis, and listen to a presentation by John where he stressed the important message of being the best person you can be. John talked to our students about the impact of bullying, and the importance of resilience, having goals, and doing everything in your daily life to achieve your goals. He had a great impact on our students.

Principal Report

HIGH POTENTIAL AND GIFTED EDUCATION

This term we have lots going on for our high potential and gifted students. In the sporting arena we have our PSSA teams competing (when rain permits) in our Castle Hill zone competition. Last week we had approximately 50 students compete at Zone Cross Country carnival, with two of our students making it to the next level to compete in Sydney West carnival. As you can see above, Lily has successfully been selected in a Sydney West team to compete at NSW state championships.

Our recent Multicultural Public Speaking Competition has seen our best public speakers preparing for the next round of competition. They are being mentored to compete at this level. We currently holding the Premiers Spelling Bee class competitions, selecting our best spellers for our school competition. Our debating team had their first debate last week, and whilst they did not win, their performances were admirable, and the decision was a very close call. The students in our debating program are being trained regularly for future debates.

We have more programs in place that cater for our high potential students in the social and emotional domains. I will continue to showcase these in future newsletters.

ATTENDANCE - EVERY DAY MATTERS FOR YOUR CHILD'S LEARNING

Attending school every day allows your child to get the most out of their learning and improve their career and life options.

This includes attending school. Students are required to attend school every day, whether it's the first or last day of the term, Mondays, Fridays or days dedicated to sports carnivals, school excursions and incursions.

Regular school attendance can help expand your child's learning and create positive relationships with their peers.

If you require support in getting your child ready and motivated for school, please reach out to us. Read more about the benefits of regular attendance on the [department website](#).

NSW PUBLIC SCHOOLS SURVEY

Starting Tuesday 10 June, our school is taking part in the NSW Public Schools Student Survey. The survey is being conducted by the NSW Department of Education (the department) and invites students to provide valuable feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them.

The survey will allow the department to conduct analysis and research into student wellbeing and engagement to drive improvement for all NSW public schools.

Attached is further information, plus a form to be filled if you do not wish your child to participate in the survey. **Please note that permission to participate is assumed unless the opt-out form is filled and returned to school.**

NSW Public Schools Student Survey Information and opt-out form

Dear parents and carers

In Term 2, our school is taking part in the NSW Public Schools Student Survey. The survey is being conducted by the NSW Department of Education (the department) and invites students to provide valuable feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them.

The survey will allow the department to conduct analysis and research into student wellbeing and engagement to drive improvement for all NSW public schools.

What you need to know

- Participating students will be given a unique login to complete the survey online.
- Students will complete the survey at school during school hours. The survey will take approximately 10 to 15 minutes.
- Participating in the survey is voluntary. Opting not to participate will not impact your child's school experience. Your child can choose to stop the survey at any time and they can skip any questions that they prefer not to answer.
- More information about the survey and the research is available at education.nsw.gov.au/npss.

What information is collected and why

The department will collect personal information from your child including, but not limited to, information relating to their gender, cultural background, and their opinions on matters such as their school experience. Information will be held and managed by the NSW Department of Education, 105 Phillip Street, Parramatta NSW 2150. This information is collected to support every student to achieve their educational potential, and for other directly related purposes including but not limited to:

- implementing programs that meet student educational and support needs
- maintaining the good order and management of schools
- assessing and evaluating the effectiveness of programs and their impact on student educational outcomes
- conducting lawful research and compiling statistics relating to the education and wellbeing of students and student performance
- operational and administrative purposes.

How the department may use the information

Survey results may be used locally at schools to help inform planning and decision-making. Your child's school will receive a report once surveys are completed, but school staff will not be able to identify individual students from their responses. At least 5 students need to have answered the question in the same way for that data to be included in the results.

The department's analysis of the data will involve linking students' responses to their student reference number (SRN). Responses may then be linked with other information the department may hold, such as students' scholastic year, gender, Aboriginal status, cultural background, migrant status and whether they are a person with a disability. This will allow the department to group the results for analysis and research purposes.

The department does not intend to give you a copy of your child's responses, or the opportunity to amend them. You may contact the department to request access to the survey responses, and your request will be considered in light of the department's obligations under law.

For more information about how the department will protect your child's information, visit education.nsw.gov.au/npss.

Opting out

If you **do not want your child/children to take part** in the survey, please complete the attached form and return it to your child's school by:

Friday 23 May 2025

If you do not return the attached form, the school will assume that you consent to your child/children's participation.

ACADEMIC REPORTS

From the Semester 1 report, 2025, we are introducing updated school reports. The new format has been developed by the NSW Department of Education in response to feedback from parents and educators to make reports easier to read and understand. For Years 1 to 6, your child's report will still show their progress and effort across all subject areas. Teacher comments will appear in English, mathematics and the general comment section, in line with department policy.

The general comment for also covers all other key learning areas including, creative arts, HSIE, PDHPE, and science and technology.

A new [achievement scale and descriptions](#) are included to provide a clearer picture of your child's progress.

The kindergarten report will have show effort and a comment for all key learning areas. Reports will be finalised and available for parents by Friday 27 June.

Parent-teacher interviews remain an important way to discuss your child's progress and achievement in more detail. These interviews are scheduled to take place in the last week of this term. We welcome your feedback or questions about the new report format.

MULTICULTURAL PERSPECTIVES PUBLIC SPEAKING SCHOOL FINALS

In Week 2, we held our Multicultural Perspectives Public Speaking School Finals, showcasing the talents of our students. Two representatives from each class in Years 3 to 6 delivered their speeches to their respective stages and a panel of judges. The quality of the speeches and presentations was exceptional, making the judges' task quite challenging.

After careful consideration, the judges selected two finalists from each stage. Congratulations to our winners: Juliette K and Upasana M from Stage 3, and Chloe G and Samaira M from Stage 2. These students will now progress to the local finals to be held at Kellyville Ridge Public School later in the term.

INTRODUCING THE BELONGING, INCLUSION & SUPPORT NETWORK (BISN)

At our last P&C meeting, we voted to establish a new subcommittee—the **Belonging, Inclusion & Support Network (BISN)**.

The purpose of the **Belonging, Inclusion & Support Network (BISN)** is to empower every student, particularly those with disability and diverse needs, to have equal access to learn and succeed alongside their peers. We'll do this by working on practical ideas, raising awareness, and teaming up with the school, the P&C, and other organisations.

While Beaumont Hills Public School already has a strong reputation for inclusive values, there's always more we can do together.

That's where you come in! We're now forming the group, and **we'd love your support**. If you're passionate about helping kids grow socially, emotionally, and academically, your voice matters – and your input can make a real difference.

We warmly invite you to come along to our first meeting, where you can learn more, ask questions and see how you might like to be involved.

There's no pressure to sign up – just come, listen, and connect.

GOOD MANNER & BEHAVIOURS

We have noticed students are not saying PLEASE~ ~ ~

Therefore, this term over the counter we are going to introduce the implementation of using

The Magic Words – Thank you / Sorry / Welcome / Please / Excuse Me.

Examples:

May I have a popcorn **PLEASE?**

EXCUSE ME, can I **please** have a spoon for my lunch?

Canteen Lady: Enjoy your lunch. Student: **THANK YOU!!!**

Please practice or role play with your child/children at home when you have a chance. Let's create a well-mannered & polite school environment together!!!

We continue to practice good hygiene in the canteen and provide healthy snacks and meals. If there are any questions or feedback feel free to let us know.

*Best Regards,
Yukiko, Poppy & Judy*

CHESS!!

Learn to be a chess champion! Coaching for students at Beaumont Hills Public School (Kellyville) is held on Tuesdays from 1:10pm to 2:00pm, starting on 11 February 2025.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

Each student in the Chess program will also receive access to Chess Squad <https://www.chesssquad.com/> which is an online teaching/playing platform.

If your child is interested in taking part in the class, please email office.sydneyacademy@gmail.com for an enrolment form. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
