Getting to Know our P&C Volunteers Sruthi - Arts & Crafts Convenor

Hello to our wonderful BPS families,

I'm Sruthi, proud mum to three wonderful little humans: my kids Kaius (5D), Valyn (2P), and little Leela, who'll be joining Kindy in 2027.

I first joined the P&C as a non-executive member when Kaius started school, and it's been a joyful journey ever since.

For the past two years, I've had the pleasure of serving as the Arts & Crafts Convenor, a role that's allowed me to bring creativity into our school community and connect with so many lovely families and staff.

I've also volunteered as a Primary Ethics teacher for three years, which deepened my appreciation for the values we nurture here at our amazing school.

Volunteering has been one of the most fulfilling parts of my life. It has taught my kids the importance of community, contribution, and showing up for others. They're incredibly proud of my involvement, and I'm grateful for the relationships and insights I've gained through the P&C.

Outside of school, I wear another hat as the Junior Coordinator and Coach at our local cricket club. So if you ever want to chat about cricket, volunteering, or just say hello, I'd love that—please come over and say hi!

Nominations for P&C Committee roles are now open

The P&C is delighted to host events that enrich the student experience, such as the upcoming 3-6 disco, and to organise community celebrations like the magnificent Multicultural Fair held in September. We are proud to support the school every day by serving up delicious food from the Canteen, offering excellent musical & artistic programs, supplying quality uniforms, and operating a high-quality before & after school care service. Additionally, our fundraising efforts help enhance this wonderful school further, ensuring even greater opportunities for our students and community.

There is no way we would be able to do all of this without the fabulous school parents, grandparents and carers who volunteer their time and skills throughout the year. We are so grateful to the many volunteers who put up their hand to help out in various different ways. And we would love your help too!! Nominations for our P&C Committee roles are now open.

Each year, the P&C elects a President, two Vice Presidents, a Treasurer and a Secretary plus up to six non-office bearer roles. If you're interested in volunteering for a committee role or would like more information, please check out the [nomination form](#) or contact [Khuong](#) or [Susan](#).

Nominations close **5pm on Fri, 14th Nov**. Elections held at our **AGM on Wed, 19th Nov**.

Or if you're interested in finding out more about volunteering opportunities within the subcommittees that support delivery of the P&C's amazing services, please get in touch. There are many roles that require a diverse range of skills - Convenors, Treasurers, Coordinators and many, many more!

Canteen Bites *Jenny & Irene - Canteen Managers*

Welcome back to Term 4!

With the warmer weather, some of our winter favourites like the pumpkin soup are taking a break, and we've added **new healthy and delicious options** to the menu.

Please check with your child if they still have an invoice for any emergency lunch or recess, and note that follow-up invoices for outstanding payments will be sent out soon — please make payment at your earliest convenience.

Parents of students with allergies are reminded to ask their children to check with the canteen if they are unsure about any item, our lovely canteen team will be more than happy to assist.

We're always looking for extra volunteers to help in the canteen — even a short shift that fits into your schedule will make a big difference! To express interest, please contact Jenny or Irene at beecroftpscanteen@gmail.com
