Belair Public School

School Behaviour Support & Management Plan

OVERVIEW

Belair Public School promotes positive student behaviour through the explicit teaching and modelling of behaviour expectations. Expectations of students are clear and consistent and are reflective of our school behaviour values: Respect, Responsibility and Resilience.

A whole school approach ensures that a consistent language is used to promote positive behaviour and support conversations regarding behaviour choices.

The Det Student Behaviour policy can be found here: https://education.nsw.gov.au/policy-library/policies/pd-2006-0316

NSW PUBLIC SCHOOLS BEHVAIOUR CODE FOR STUDENTS

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

All students in government schools are expected to:

- Respect other students, their teachers and school staff and community members
- Follow school and class rules and follow the directions of their teachers
- Strive for the highest standards in learning
- Respect all members of the school community and show courtesy to all students, teachers and community members
- Resolve conflict respectfully, calmly and fairly
- Comply with the school's uniform policy or dress code
- Attend school every day (unless legally excused)
- Respect all property
- Not be violent or bring weapons, illegal drugs, alcohol or tobacco into our schools
- Not bully, harass, intimidate or discriminate against anyone in our schools.

Belair Public School takes strong action in response to behaviour that is detrimental to self or others or the achievement of high-quality teaching and learning.

Behaviour Code for Students: Actions

Promoting the learning, wellbeing and safety of all students in NSW public schools is a high priority for the Department of Education. The Behaviour Code for Students can be found here:

At Belair PS, we implement teaching and learning approaches to support the development of skills needed by students to meet our high standards for respectful, safe and engaged behaviour.

BELAIR PUBLIC SCHOOL CORE VALUES

Our core values of Opportunity, Excellence, Inclusivity, Community, Equity, Collaboration, Quality Education, Innovation, High Expectations and Lifelong Learning underpin all aspects of school life.

PROMOTING POSITIVE STUDENT BEHAVIOUR

At Belair Public School we explicitly teach, recognise and reinforce positive student behaviour and to manage it using the following systems:

- Back to School Wellbeing Programs these are taught to each stage at the start of the school year and include themes such as friendship, anti-bullying, cooperation, care and respect.
- Zones of Regulation, Catastrophe Scale and Restorative Practice
- Playground Passport
- Student Representative Council
- Behaviour Code for students

- Belair Language of Resilience
- Grow Your Mind K-6
- Cyber Safety Education (Whole School Community)

SCHOOL WIDE EXPECTATIONS – HOW WE REINFORCE POSITIVE BEHAVIOUR

All conversations with students about behaviour are linked to our school values behaviour of respect, responsibility and resilience. Systems that support this are:

- Recognition of student behaviour through awards systems Merits, Principal Awards, Kids Care Award, Gold Awards and Extra-Curricular Awards
- Upstander Awards promotion of anti-bullying practices
- GOTCHAs reflective of school values, awarded in class or on the playground to recognise positive behaviour. A draw is held at weekly assembly's where 10 students K-6 receive a canteen voucher.
- Zones of Regulation, Catastrophe Scale and Restorative Practice
- Grow Your Mind K-6
- Belair Blitz a whole school weekly focus that is discussed with students at assembly and then reinforced throughout the week in classrooms and the playground.

CARE CONTINUUM

Students may require different types of intervention delivered in different ways along a continuum of need to best fit their needs. This is called the Care Continuum. The care continuum includes intervention for:

- All students creating a safe and respectful learning environment
- **Some students** providing early intervention and targeted support for students at risk of developing negative behaviours
- A few students support students with complex and challenging behaviour needs through intense, individual
 interventions.

The care continuum is a whole-school system that can assist schools to adopt a prevention focused approach and help to address the full spectrum of student needs including:

- Prevention
- Early intervention
- Targeted intervention
- Individual Intervention

SCHOOL DISCIPLINE PROCEDURES

The staff at Belair Public School aim to implement a consistent approach in line with the Department of Education policies and procedures. Refer to the flow charts on the following pages for the procedures used to manage inappropriate behaviour in the classroom and the playground. Please note, Sentral is an internal school management platform that is used to record and monitor each student's positive and negative incidents.

The School Behaviour Support and Management Plan includes the following information about detention and reflection processes at Belair PS:

- details of when they will occur; Class and playground incidents are recorded on Sentral. Stage leaders and exec are notified and review incidents. Incidents are referred to planning room (reflection meeting) as needed.
- the maximum length of time appropriate to the age/developmental level of student and conducted in 30 minute break sessions
- food and toilet breaks;
- the teachers authorised by the principal to facilitate them;
- the school will record the incidents on Sentral and followed up with communication (phone call and/or paper copy) with families;

PARTNERSHIP WITH PARENTS/CARERS

Belair Public School will partner with parents/carers in establishing expectations for parent engagement in developing and implementing student behaviour management strategies by:

- Communicating with parents/carers about positive and negative behaviour of their children
- Inviting parents to develop individual behaviour management plans in consultation with teacher when appropriate
- Sharing Positive Behaviour Plans with parents as part of the planning room process
- Learning Support Meetings Parents invited as required

Belair Public School will communicate these expectations to parents/carers through telephone and written contact. Flowcharts of consequences for inappropriate behaviour in the classroom and the playground will be shared with the community through regular publication in the school newsletter.

SCHOOL ANTI-BULLYING PLAN

The Belair Public School Anti-Bullying Plan outlines the processes for preventing and responding to student bullying in our school and reflects the *Bullying: Preventing and Responding to Student Bullying in Schools Policy* of the NSW Department of Education. The Belair Public School Anti-Bullying plan is made available to the school community via the school website. Alternatively, a link is provided here.

Anti-Bullying Plan 2025

Bullying behaviour has three key features. It involves the intentional misuse of power in a relationship. It is ongoing and repeated, and it involves behaviours that can cause harm. The NSW Department of Education requires all NSW public schools to have an Anti-bullying Plan which details the strategies implemented to reduce student bullying behaviours.

Resources

The NSW anti-bullying website: https://antibullying.nsw.gov.au/ provides evidence-based resources and information for schools, parents and carers, and students. Schools are encouraged to visit the website to support whole-school prevention, early intervention and response approaches and strategies for student bullying behaviour

Belair Public School's commitment

Our school rejects all forms of bullying behaviours, including online (or cyber) bullying by maintaining a commitment to providing a safe, inclusive and respectful learning community that promotes student wellbeing. Executive staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

1. School Culture and Inclusion

All members of the school community are active participants in building a welcoming school culture that values diversity and fosters positive relationships. A key component of a supportive school culture is building respectful relationships and an ethos that bullying is not accepted, in both online and offline environments. School staff will actively respond to student bullying behaviour. Our school engages in the following practices to promote a positive school culture:

1.1 **Student assemblies** - Student bullying and expectations about student behaviour will be discussed and information presented to promote a positive school culture where bullying is not accepted.

Dates	Communication Topics
Weekly	Behaviour code for student addressed through a shared culture and vocabulary of
	expectations
Needs based	Explicit teaching of student wellbeing values as required by class teacher
Weekly	Personal development lessons focused on respect and safety for self and others
Weekly	Student assemblies to celebrate positive behaviour and demonstration of school
	values.

1.2 Staff communication and professional learning

Staff will be supported with professional learning that provides evidence-based ways to encourage and teach positive social and emotional wellbeing and discourage, prevent, identify, and respond effectively to student bullying behaviour.

Dates	Communication Topics and Professional Learning
Daily	Sentral data reviews to monitor wellbeing and behaviour incidents
Needs based	Communication with parents and carers around student wellbeing concerns (Class
	Teacher/Assistant Principal/Principal)
Weekly	Learning and Support meetings to monitor student wellbeing and behaviour K-6
Weekly	Stage meetings – AP provides strategies and recommendations for wellbeing and
,	behaviour

1.3 New and casual staff

New and casual staff will be informed about our school's approaches and strategies to prevent and respond to student bullying behaviour in the following ways:

The principal or delegate will communicate all relevant information when inducting new staff. All new and casual teachers and SLSO's will be provided with access to a folder containing up-to-date policy documents, as well as our school's Student Behaviour Support and Management Plan and our school's anti-bullying policy. The principal or delegate will speak to new and casual staff about our school's expectations and values during the induction process.

New and casual staff will be supported to implement our procedures for dealing with behavioural issues and bullying behaviour should they occur.

2. Partnerships with families and community

Effective schools have high levels of parental and community involvement. This involvement is strongly related to improved student learning, attendance and behaviour. Our school proactively builds collaborative relationships with families and communities to create a shared understanding of how to support student learning, safety and wellbeing.

2.1 Website

Our school website has information to support families help their children to regulate their emotions and behaviour and develop socially. Information is provided to assist if children have been involved in bullying behaviour (as the person engaging in bullying behaviour, as the person being bullied or as the person witnessing the bullying behaviour).

The following are published on our school's website:

☑ School Anti-bullying plan

2.2 Communication with Parents

Our school will provide information to parents to help promote a positive school culture where bullying is not acceptable and to increase parent's understanding of how our school addresses all forms of bullying behaviour.

Dates	Communication Topics and Professional Learning
Needs based	Communicate with parents/carers about behaviour/bullying/wellbeing concerns
Monthly	P&C Meetings held which promote a positive school culture and provides
	information about wellbeing
Beginning of each	Stage parent information evenings – information about expectations for student
school year	behaviour and anti-bullying plan shared
Mid-year	Link to anti-bullying plan sent to parents and families through newsletter

3. Support for wellbeing and positive behaviours

Our school's practices support student wellbeing and positive behaviour approaches that align with our school community's needs. Social and emotional skills related to personal safety, resilience, help-seeking and protective behaviours are explicitly taught across the curriculum in Personal Development, Health and Physical Education (PDHPE). Examples of other ways our school will embed student wellbeing and positive behaviour approaches and strategies in practices include the following:

- -Reinforcement of our school values of respect, responsibility and resilience through a weekly 'Belair Blitz' and recognition through our GOTCHA initiative.
- -Students identified through Learning and Support Team referrals receive support through a range of adjustments provided by class teachers and support staff. LST meetings are held to develop personal support plans.
- -Student Representative Council for years 2-6, run by Year 6 leaders
