Principal's Message

Welcome Back 2023!

Celebrating our great start to the year

Gelato Day

**THURSDAY
23 FEBRUARY 2023**

WELLBEING MEDITATION

One of our strategies within our Wellbeing Strategic Direction of whole school practices for improved wellbeing and engagement in learning has been through dedicated Meditation lessons with Louise each Wednesday. Beginning this week for eight lessons, all students took part in strategies to help decrease levels of anxiety and stress. Louise was highly impressed with our healthy students' wellbeing attitudes and behaviours.

PAINTING AND REROOFING

When the Department offers to continue our beautification of the school at no expense to us, we acknowledge that this will be inconvenient but the rewards are well worth it. From March through to May, the library and music room will be re-roofed and extensive painting of some classrooms and storerooms, external railings, verandahs, eaves and the administration hallway and foyer will be undertaken. I will update you as the planning continues.

NSW VOUCHERS FOR ASSISTANCE

Please refer to how you can use your vouchers in the Office section of this newsletter.

TENNIS, PSSA AND SCHOOL SPORT BEGINS TOMORROW

T-ball, Softball and Cricket for years 4-6 and Tennis for years 3-6 will begin tomorrow. Please assist us by having all digital permission notes completed. We welcome Mrs Lawson who will lead the softball team each Friday with PSSA Training completed each Thursday. The competition will be difficult as we initially play against some larger schools but we will remain open to the continuous learning of strategies and skills. We pride ourselves on teamwork and always look forward to Fridays!

KINDERGARTEN TO YEARS 2

Following recess each Friday, all children within grade groups are taught the fundamental skills of balancing, running, jumping, catching, hopping, throwing, skipping, leaping and kicking through engaging physical activities led by their teachers.

ASSEMBLY

Congratulations to the 'Student of the Week' awards at our first assembly. KB and KDJ students were particularly settled and will in time, learn the National Anthem and our School Song.

ACCESS TO THE LATEST TECHNOLOGY

All learning areas at Belrose PS have the installation of Commboxes (Touch screen digital panels). Our school does not have to rely on parents purchasing BYOD devices, ipads, laptops and desktops. To support our strategic direction for active learning approaches for student engagement, each classroom has ipads, chrome books, desktops and laptops. These devices have supported our pedagogical shift in how we teach and engage student learning. Access to technology can:

- accelerate learning as students access information at a faster pace
- support teacher differentiation
- engage students further with key elements of dialogue and teamwork
- provide opportunities for computational thinking

We are putting steps in place to provide our students with the knowledge, skills and capabilities to lead and flourish in tomorrow's world.

SCHEDULE OF PAYMENTS

Schedule of Payment Accounts will be emailed home in the coming weeks. Please email or call the school if you are experiencing financial constraints at the moment. All discussions are confidential. The subscriptions provide your child with an annual subscription for access at home and at school to **Mathletics, Seesaw and Reading Eggs**. Usernames and passwords are printed out for the students. **Worldbook** online can be accessed with Username: Belrose and Passwords: Belrose The Worldbook online is presented at the students' level of understanding. We have an advanced subscription of 'Early World and Learning' and 'Timelines'. The school uses a payment system called Schoolbytes. This system allows you to select which items you are paying for as well as part-payments over time.

PSSA TEAM SELECTIONS AND OPTIONAL PARENT RUN CRICKET PRACTICE TUESDAY MORNINGS-REPEAT

We have a number of enthusiastic parents from Stage 3 who have volunteered their time to assist the staff and students by running an extra optional cricket practice each Tuesday morning from 7:30am-8:30am either on the oval or under the COLA next to the stage 3 building. I will be on site during this time. Please come along if interested and we thank Jacinta, Billy's Mum for organising this.

K-2 PARENT/TEACHER INFORMATION SESSIONS

The information sessions will allow parents to meet your child's teacher as well as learn about the type of learning experiences offered this year and strategies used within the classroom. Homework and communication procedures will be discussed. A class parent will be organised on the night and they will ask you for your email address so that he/she can distribute important information throughout the year.

The School Song

Belrose School is proudly singing
Can't you hear the voices ringing
Year by year the pupils bringing
Honour to the school
Courtesy and Honour
Truth we ever ponder
Our country's flag shall fly on high
And fill our hearts with wonder
Onward 'tis our country needs us
Teach us wisely those who lead us
Strength of purpose, always keep us
Proud of this, our school.

P&C NEWS

Thank you to everyone that joined us on Tuesday night for our first 2023 P&C meeting. It was a full house and so many wonderful ideas were shared that night.

We have lots of potential 2023 fundraising projects for Belrose so the more money we raise the more we can do for our children.

Events for this Term

Gelato day - Thursday 23 February - free welcome back to school

Election BBQ - Saturday 25 March

Disco - Friday 17 March

Easter Raffle tickets sold at the disco and at the Easter Hat Parade

After listening to some of the requests we are pleased to announce we are going to organise a Book Fair on the day of the State Election - **Saturday, 25 March.**

Do you have good quality and good condition children's books that you want to pass onto another family? If so, we will be having drop off times two weeks prior to the election, so start gathering your unwanted books. Dates and times will be confirmed.

We will also be having a massive cake stall and BBQ that day to help raise money for our school.

Can you all please mark this date in your diaries as we will need many parents to help with baking, cooking, serving or manning the book fair etc.

Events for Term 2

Ladies this one is for you! Once our Art room is complete, we will host a "Pinot and Picasso" night so warm up those paintbrushes ladies and get ready to have some fun. Date to be confirmed.

There are so many ways you can help our school by using your skills. A big thank you to Jacinta, Mark and Tim for running special cricket training for our PSSA team. It is very much appreciated.

Our next P&C meeting is on Tuesday, 14 March in the staff room.
