HAPPY BIRTHDAY

Bailey & Tilly

Dear Bemboka PS Community,

I would like to take a moment to reflect on some wonderful events that have recently taken place at our school, which have greatly enriched our students' experiences.

South Coast Learning Community Performing Arts Festival

We had an incredible time at the South Coast Learning Community Performing Arts Festival. Our students showcased their talents in the dance performance 'Heel Tap', and it was truly inspiring to see their creativity and confidence shine on stage. A heartfelt thank you to our staff and families for their support in making this event so special.

Soccer Knockout Competition

Our students participated in the PSSA Small Schools Soccer Knockout competition, demonstrating outstanding teamwork and sportsmanship. It was a fantastic opportunity for them to represent our school, and I am incredibly proud of their efforts and dedication in preparation for the game. We may not have won but fun was had by all. A special thank you to Matt D who coached the team.

Life Education Van

The Life Education Van recently visited our school, providing essential education on health and wellbeing. Our students engaged in

meaningful discussions about making safe and healthy choices, and we are grateful to the Life Education team for their valuable insights and interactive sessions.

Small Schools Athletics Carnival

I am pleased to report that our annual Small School Athletics Carnival was a resounding success! Students showcased their athletic abilities and demonstrated great school spirit. It was a day filled with excitement, friendly competition, and community engagement. Thank you to all who came out to support our athletes and contributed to the event's success.

Thank you for your continued support in making these events memorable for our students. If you have any feedback or thoughts about these activities, please feel free to reach out.

Kind Regards
Crista Wolski

NSW PUBLIC SCHOOLS STUDENT SURVEY

In Term 2, we are offering our students the opportunity to participate in the NSW Public Schools Student Survey. The survey gives students the chance to share their thoughts and feelings about life at school, including questions about their engagement, learning experiences and wellbeing at school.

Hearing directly from our students will help us understand what's working well and where improvements can be made to our school. The survey is confidential, takes around 10 to 15 minutes to complete, and will be conducted online during school hours.

Participation is voluntary. If you prefer your child not to participate, please complete the opt-out consent form, which will be sent home today, and return it to the school. Further information about the survey is available at <https://education.nsw.gov.au/npss>
