Monday 7th November - Friday 21st November

Principal's News

Parking Safety

Please note that parents and carers will no longer be able to access the staff car park at any time for student drop-off or pick-up. Student safety is our priority, while also ensuring access for emergency vehicles, Support Unit transport vehicles, and staff parking. Families are reminded to follow all road signage and parking rules outside the school to support safe traffic flow. This also includes not parking across local driveways and the skip bin driveway. Council parking rangers have been engaged to monitor the school during peak morning and afternoon periods. A reminder that parents may use the Darling Street car park area for safer access to the school.

Semester 2 Reports

Teachers are currently finalising Semester 2 reports, which will be distributed in Week 9 via the SchoolBytes App. If you experience any difficulties accessing the app, please contact the school office for assistance.

Responsible Pet Ownership

On Thursday, our K-2 students enjoyed a visit from Nikki and her dog, Joker, from the Responsible Pet Ownership program. Students learned how to safely interact with dogs by recognising their warning signals and understanding when not to approach. They now know to always ask the owner's permission before patting a dog, to avoid touching a dog on the head, and to stay calm and still—eyes down and arms by their sides—if an unfamiliar dog approaches.

P&C Colour Fundraiser Success

P&C Colour Fundraiser raised over \$22,000!

A huge thank you to our school community for your incredible support and generosity. Special congratulations to Mikayla, our highest fundraiser, what an outstanding effort!

Kindergarten 2026

Over the past few weeks, we have welcomed our new 2026 Kindergarten students and their families through a range of orientation activities. We began with our Kindy Fun Night and BBQ in Week 1, where new and existing families enjoyed an evening of games and socialising.

Over the past two weeks, we also held our formal orientation sessions. Students experienced their first taste of classroom learning, while parents attended information sessions.

Enrolments are still open for next year — please contact the office if you have not yet enrolled your child for Kindergarten 2026.

Assembly

14th November - Stage 1 Dance
20th November - 5/6T
21st November - 4C
2.10pm - 3pm
