

THE BREEZE

'Ganandhimila-nj - We learn'

Week 6
Term 2

4 June 2025

PRINCIPAL'S MESSAGE

SEMESTER ONE REPORTS

In line with NSW Department of Education changes, we are introducing updated school reports for Kindergarten to Year 6. The NSW Department of Education has developed a new format in response to feedback from parents and educators, making reports easier to read and understand.

A new achievement scale and descriptions are included in reports to provide a clearer picture of your child's progress.

Currently, teachers are busy compiling the Semester 1 reports for their students. These reports will provide parents with a snapshot of their child's learning during Terms 1 & 2 this year.

This year, the school will email students their reports during week 10. They will also be available through the School Bytes Parent Portal, where you can access previous student reports. If you would like a printed copy, please contact the office.

AWARDS ASSEMBLY

We held our third awards assembly last week. Congratulations to all students who received a bronze, silver or gold award. We had 27 students who had qualified for one of these awards, which is very pleasing to see. Our bronze and silver awardees attended the first morning tea, and we had a great discussion about improving the school and discussing the things we love. Our gold award recipients attended the second morning tea, in which I answered various questions about the school's history, and what it is like to be the Principal of Bermagui PS. We had a few laughs, and it was a great discussion. I am always very proud of all the students who follow our school expectations of being respectful, responsible, and safe.

STAGE 2 EXTENSION AND ENRICHMENT PROGRAMS

Well done to our students who were selected to participate in our Stage 2 extension and enrichment activities run by the Bournda Environmental Education Centre.

Cove, Harley, Rachel, and Isabella attended the Science and Geography program, "Discovering the World of Birds," at the Panboola wetlands.

Frida, Sadie, Levi and Willow W attended the Art and Literacy program "Nature connections and eco-printing".

It's great to hear that our students are engaging well in these programs, which offer a unique and enriching experience that truly enhances their learning journey.

AWARDS ASSEMBLY

CONGRATULATIONS TO OUR STUDENTS WHO RECEIVED THEIR BRONZE, SILVER AND GOLD AWARDS

Bronze Award Recipients: Byron, Clancy, Kamryn, Sid, Koa, Stevie, Saphira, Kobe R, Mikkie and Gus.

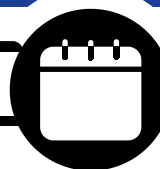

Silver Award Recipients: Alya, Bailey, Luna, Macie, Talia and Isaac.

Gold Award Recipients: Isabella, Poppy, Ameera, Ruby MC, Heidi, Zara, Emma-Ivy, Luther and Paul.

WHATS ON

TERM 2

PSSA NETBALL KNOCKOUT

Our amazing school netball team started the week off competing in the PSSA Knockout Competition and gave it their all!

We started strong with a great win against Narooma in our first game, which saw us progress to the next round against Bodalla. It was a nail-biter, and although we went down by just one point, we couldn't be prouder of our team's effort, sportsmanship, and teamwork.

Every single player gave it 100%, and it showed on the court. What a fantastic day!

A huge thank you to Therese A for your time and expertise as our umpire, and to all the wonderful families who transported and came along to cheer us on – your support meant the world!

Lastly, the team would like to thank Miss Carmichael for coaching, encouraging us and bringing the positive vibes. We appreciate you.

Well done, team!

SIMULTANEOUS STORYTIME EXCURSION

On Wednesday, 21 May, students in Years 1 and 2 had a wonderful excursion to Bermagui Library for National Simultaneous Storytime. At the library, they listened to the story "The Truck Cat" by Deborah Frenkel. The students then participated in fun activities, including creating a truck out of cardboard boxes, having their faces painted to look like cats, and making cat ears.

The students then enjoyed a play at the playground on the way home. Thank you to Willow at the library for coordinating the day!

PSSA SOCCER

In an exciting day of PSSA soccer, Bermagui Public School faced off against Bega Valley Public School in two thrilling matches. The first match, a girls' game, saw Bermagui take on a strong Bega Valley Public School side. While we didn't win this one, going down by 7-0, our girls' team never gave up and fought hard until the very end.

The boys' match turned the tide for Bermagui, who showcased their skills and teamwork with a resounding 7-0 victory. Notably, both Luther and Gus delivered standout performances, each scoring a hat trick and leading their team to a convincing win. The day's events highlighted the competitive spirit of both schools and the talent within their soccer programs.

NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available within the school about the supports provided to students with disabilities. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- Year of schooling
- Category of disability: physical, cognitive, sensory, or social/emotional
- Level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial, or extensive.

This information assists schools to:

- Formally recognise the supports and adjustments supplied to students with disability in schools.
- Consider how they can strengthen support for students with disabilities in schools.
- Develop shared practices that they can review their learning programs and improve educational outcomes for students with disabilities.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability. The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage, and disclosure of personal information.

To find out more about these matters, please refer to the Australian Government's Privacy Policy <https://www.education.gov.au/privacy-policy>

Further information about the NCCD can be found on the NCCD Portal <https://www.nccd.edu.au>

P&C NEWS

<https://www.facebook.com/BPSPCCanteen> 

After nearly 3 years and 8,156 chicken nuggets, this lovely lady has officially hung up her apron.

We can't thank you enough, Stevie, for all the hard work, heart, and humour you've brought to the canteen. You've been a true gem, and your presence will be missed more than you know.

On behalf of the P&C and the entire school community, we wish you all the best on your next adventure.

Thanks, Stevie — we love you!
