PRINCIPAL'S MESSAGE

Bournda and Zoomobile

Last Monday, our Kindergarten to Year 2 students enjoyed an exciting and educational day filled with outdoor adventures and close encounters with native Australian wildlife as part of our Bournda activities. The highlight of the day was a special visit from the Zoomobile, which brought a fascinating array of animals right to our school. The children had the incredible opportunity to meet and learn about a diamond python, a blue-tongued lizard, a ring-tailed possum, a tortoise, and a shingle-back lizard.

Our students showed great curiosity, respect, and enthusiasm throughout the experience, impressing not only their teachers but also the Bournda staff who facilitated the day. It was wonderful to hear such positive feedback about how engaged and well-behaved our young learners were during the activities.

This hands-on experience is invaluable in helping our students develop a deeper appreciation and understanding of Australia's unique wildlife and natural environment. We look forward to more opportunities like this to inspire our students' love of nature and learning.

Year 6 Camp at The Crossing, Bermagui

Our Year 6 students had an unforgettable adventure at The Crossing in Bermagui last week! They fully embraced the land sustainability and education program, diving into hands-on activities that taught them both responsibility and teamwork.

Students prepped and cooked their own dinner, fed the chickens, planted seeds, and even stacked wood for the campfire cooking. They canoed down the river to plant trees along the riverbank and ended the night with a delicious meal followed by marshmallow roasting around the campfire.

Sleeping in old train carriages (with some very interesting toilets!) was an experience in itself. On Friday morning, they were up early to clean the site before tackling a tricky bush log maze—challenging, but lots of fun!

The biggest test came with the 6–7 km trek back to school through bush, rainforest, water crossings, and even mountain climbs. Along the way, they stopped to learn about the environment and explore the wonders of the bush. There were a few complaints along the trail, but the cheers of relief at the finish line said it all!

The students had such an amazing time that many begged to stay longer. A huge thank you to our dedicated teachers who gave their time and energy to make this experience so memorable.

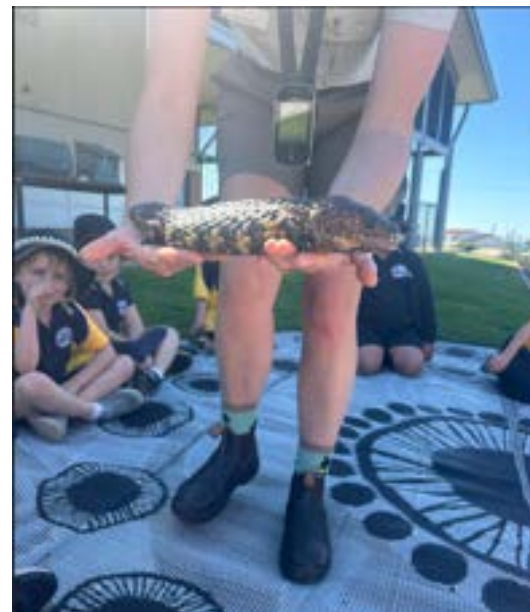

What a camp! What a journey!

Ocean Awareness Program

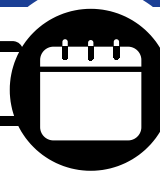

On Wednesday, 17 September, all our students participated in an engaging Ocean Awareness Program presented by Kirsty from Camel Rock Surf School. Through informative 45-minute sessions held throughout the day, Kirsty shared valuable insights about ocean safety and environmental awareness. We sincerely thank Kirsty for her time and expertise in delivering this wonderful, no-cost incursion that enriched our students' understanding of the ocean and how to stay safe while enjoying it.

Quota Club and Club Narooma Donation

We are very pleased to have the Narooma Quota Club supporting our school and the partner schools to Narooma High School. They applied for a grant through Club Narooma to support buying resources for a new sensory room at our school. They were successful and presented me with a cheque for \$5000. We are very appreciative of this support and look forward to setting the room up to create a space for our students with sensory needs.

Awards Assembly

Our Term 3 Awards Assembly was held today. It was a wonderful occasion to recognise and celebrate the achievements of our students. Families of award recipients were invited to join us for this special event, and it was a pleasure to share in their successes together. Thank you to everyone who attended and helped make the assembly memorable.

Thank you again to Bec, our Canteen Manager, for catering for this event.

Kindergarten Parent Information Session

Term 4, Week 2 — Thursday, 23 October 2025

5:30 pm – 7:00 pm

We are excited to invite all families of incoming kindergarten students to our Kindergarten Orientation Information Session on Thursday, 23 October, from 5:30 pm to 7:00 pm. This session is designed to help parents and carers prepare for their child's transition into school life.

During the evening, you will learn about our kindergarten program, meet key staff members, and discover the support services and resources available to help your child settle in smoothly. We will also provide important information about school expectations and how to get involved in the school community.

This is an excellent opportunity to ask questions and connect with other families as you prepare for this exciting new chapter. We look forward to welcoming you and supporting you through the transition to kindergarten!

Term 4 dates

Students will finish Term 3 this Friday and start Term 4 on Tuesday, 14 October. Our staff will resume with our staff development day on Monday, 13 October. Term 4 will then go through until Friday, 19 December, for both staff and student
