PRINCIPAL'S MESSAGE

NATIONAL BANDANNA DAY AND DAY FOR DANIEL

Last Friday, our school came alive in a vibrant sea of red and colourful patterns as we proudly honoured National Bandanna Day and the Day for Daniel.

We are grateful to our community for helping us raise \$120 for the Daniel Morcombe Foundation. These funds will play a vital role in educating children, families, and schools about recognising signs of harm, empowering children to respond safely, and encouraging them to reach out to trusted adults when they need help.

In addition, we raised an incredible \$420 for Canteen, supporting young people and families navigating the challenges of cancer.

A special thank you goes to Jodie for organising the bandannas once again this year.

AWARDS ASSEMBLY

Our first Awards Assembly for Term 4 will take place on Wednesday, 12 November at 9:30 am in the school hall. Families of students who will be receiving awards will receive a personal invitation this Friday. We look forward to celebrating the hard work and achievements of our students at this special event.

WORLD TEACHERS DAY

World Teachers' Day is a wonderful opportunity to celebrate the dedication and inspiration our teachers bring to the classroom every day. In NSW, over 170,000 primary, secondary, and early childhood educators work tirelessly to support and guide our students.

While World Teachers' Day is officially on 5 October, NSW celebrates this special day on the last Friday of October each year. We honoured our amazing teachers last Friday.

A heartfelt thank you to all our teachers for their hard work, passion, and commitment. Your efforts make a lasting difference in the lives of our students and our school community.

STAGE 1 & 2 LOCAL CULTURAL AND ENVIRONMENTAL EXCURSIONS

Tomorrow, our Stage 1 and Stage 2 students will visit the Bermagui River to explore the special connections people have with their places. Uncle Gordon Campbell will lead them in learning about the deep relationships the Yuin people have with the local land, sea, and animals. This excursion will also help students experience important geographical concepts, such as place, space, and interconnections, at local Aboriginal sites.

YEAR 6 UOW DAY

Move over university students...Year 6 took over the UOW Bega Campus! Our students got a hands-on taste of what university life is all about! From digging up ancient artefacts in archaeology, to building buzzing electrical circuits, bandaging "injured patients" in health science, predicting future jobs and skills, and cracking a mystery in criminology.

The day was packed with curiosity, teamwork, and fun. Many students left feeling inspired (and maybe a little ready to enrol already). A huge thank you to UOW Bega for a great day of learning, discovery, and fun!

KINDERGARTEN TRANSITION

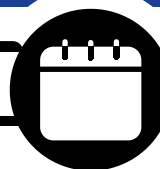

We have thoroughly enjoyed welcoming our 2026 Kindergarten students to the school over the past few weeks. Last week and tomorrow, our fantastic Year 5 students have been supporting them in STEM, music, and sports activities. Next week, our preschoolers will have their final transition visit, sharing a special Teddy Bears' Picnic with our current Kindergarten students.

We look forward to officially welcoming our new Kindergarten students into our school community in 2026!

Thank you to the families who attended the Kindergarten 2026 Parent/Carer Information evening. Information about Best Start has been mailed to all families. If you have any further questions, please don't hesitate to contact the front office

KINDERGARTEN

For the remainder of Term 4, Kindergarten students will focus on revising two-letter and vowel sounds, along with the most common letters that represent these sounds. They have worked incredibly hard this year to master all their sounds, and this revision will help reinforce their learning.

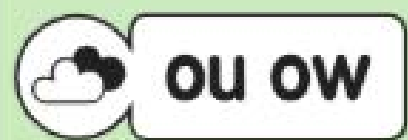

YEARS 1 TO 6

Over the next two weeks, students in Years 1 to 6 will focus on the sounds and their corresponding letters below.
