PRINCIPAL'S REPORT

A busy week!

Vicky Wallace
 PRINCIPAL

We have had a very productive couple of weeks with school photos, student learning, excursions, BPS Athletics Carnival, BPS Spelling Bee and teachers finalising reports plus a long weekend, with cracking weather, in between!

Well done to all our students who competed in our BPS Athletics Carnival last Tuesday. We were lucky enough for the weather to hold off for a smoothly run and well organised day. A huge thanks to Mr Griffin and the teachers for all their organisation and to our amazing volunteers Rosa Schiraldi, Gina Crompton, Nerida Cooper, Clare Salke, Katey Nemes and Rachel Byers who helped out on the day. Also, a huge thanks to the Canteen for relocating for the day and to Mr Alex Heathers for his amazing photography. Well done to all our race and event winners on the day and we wish our competitors attending Zone all the very best tomorrow.

Wow today I attended the Spelling Bees, and I must say how impressed I was with our students who demonstrated nerves of steel under pressure and outstanding spelling skills. Congratulations to our winners Malek

in Stage 3, Noa in Stage 2 and Copper in K-2. Our winners from Stage 2 and Stage 3 will now progress to the regional championships during Term 3. We wish them all the best! Yesterday Stage 3 attended an excursion to the Coastal Environmental Centre. They had a great day learning about factors that impact on land erosion and how we can manage that.

Our teachers and SLSO (School Learning Support Officers) have now completed 2 sessions of professional learning around the Anxiety Project. We will be completing our staff training next week and are excited about implementing this program and our learning into our everyday practices at school. During Term 3 we will hold parent sessions and teach all students K-6 about anxiety and strategies to help build resilience.

The P&C will be holding a working bee Sunday 18th June at 2pm and on Thursday 22 June at 2:20pm we have our Term 2 Dance Concert for ES1 and Stage 1. All visitors are welcome, and we hope to see you there!

NEWSLETTER ISSUE 7
2nd June 2023

I would like to show my respect and acknowledge the Traditional Custodians of the Land, of Elders past and present, on which this meeting takes place.

What did we do this fortnight?

Collective Cultures, St John Ambulance, Bugs and Critters

We were lucky enough to have one of our educators that volunteers with St John Ambulance teach us CPR and gave us a vehicle tour. We also learnt about different cultures around the world and explored the insects in our environment.
