PRINCIPAL'S REPORT

Stage Three Camp

Vicky Wallace
PRINCIPAL

Our Stage 3 students returned last week very tired after their fantastic Stage 3 camp. The students and teachers had an amazing time with Questacon and Skiing a highlight. A huge thanks to Miss Simmons, Mrs Mitchell, Mr Parkinson and Mrs Withford for their organisation and commitment to our students during their time away.

Wow our Father's Day Breakfast was amazing. I've never made so many egg and bacon sandwiches before....with more than 300 being made. A huge thanks to our outstanding P&C who organised and paid for the event. Also a massive thank you to all our volunteers, especially our chefs and Clare Salke for such a noteworthy playlist which received many compliments on the morning.

Congratulations to Ms Elky Roberts who was the successful applicant in the merit selection process for the AP position at Berowra Public School. She will commence her new role in 2024. We look forward to Elky joining our executive team permanently and know she will be amazing in the role.

We are looking forward to seeing all the costumes and special visitors tomorrow for our fun-filled Book Week Parade.

BAND UPDATE

The BPS School Bands have been participating in a number of music events recently. These include a Band Workshop afternoon run by Key Music Australia on 20th August, a combined performance with Asquith Public School at the Asquith Musicale on 24th August, and our combined BPS band playing at the APEX Berowra Woodchop on 27th August. This was the first ever event outside of school for our Training Band! Well done to all the kids involved in the band program.

MUSIC

WITH

MRS

LUKIC

**IN
THE
DEMOUNTABLE**

This term the students in Stage 2 and 3 have been learning music with Mrs Lukic. They have enjoyed playing games to keep the beat, learning musical symbols, creating their own rhythm patterns and performing for the class using various percussion instruments.

This semester we have had regular visits from **BRONWYN LAYTON** from the NMTMP (National Music Teacher Mentor Program). She has been mentoring Mrs Lukic to enhance her music teaching skills and will continue in Term 4 with the Stage 1 and Kindergarten classes.

'I like Smiling Mind because it helps calm us down and helps us deal with things that aren't going well. It helps us know our emotions and how to make them feel better.' - Willow N

This fortnight's Smiling Mind focus is **Empathy**

'Some of the benefits are not having stress all the time so when you are put in a bad position you're not so nervous. Some of my favourtie topics are movement because its slow movements and then empathy and talking about how grateful you are.' - Riley U

MISS THORN

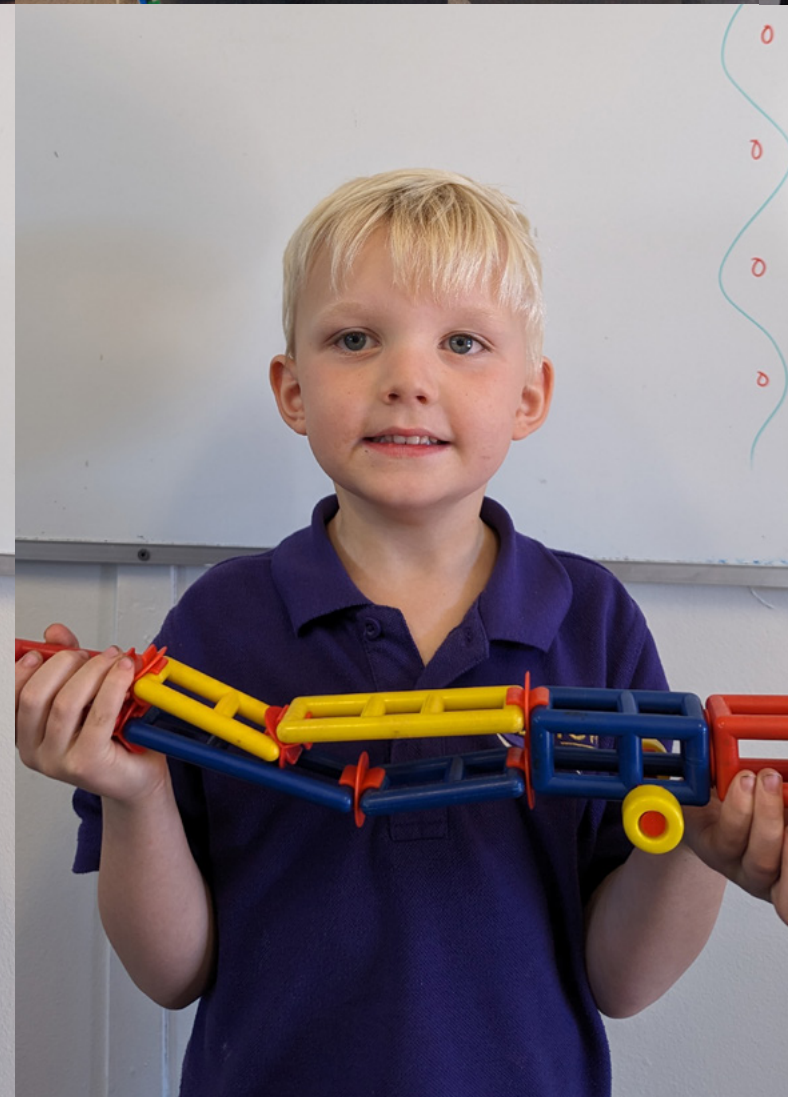

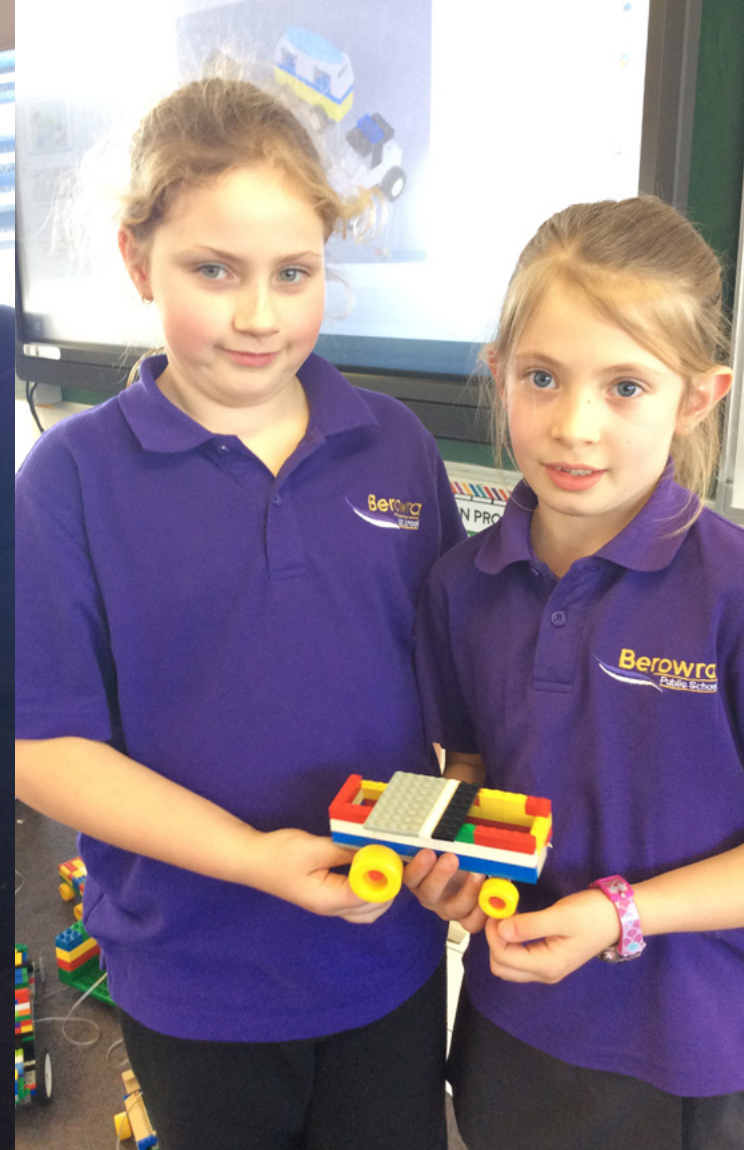

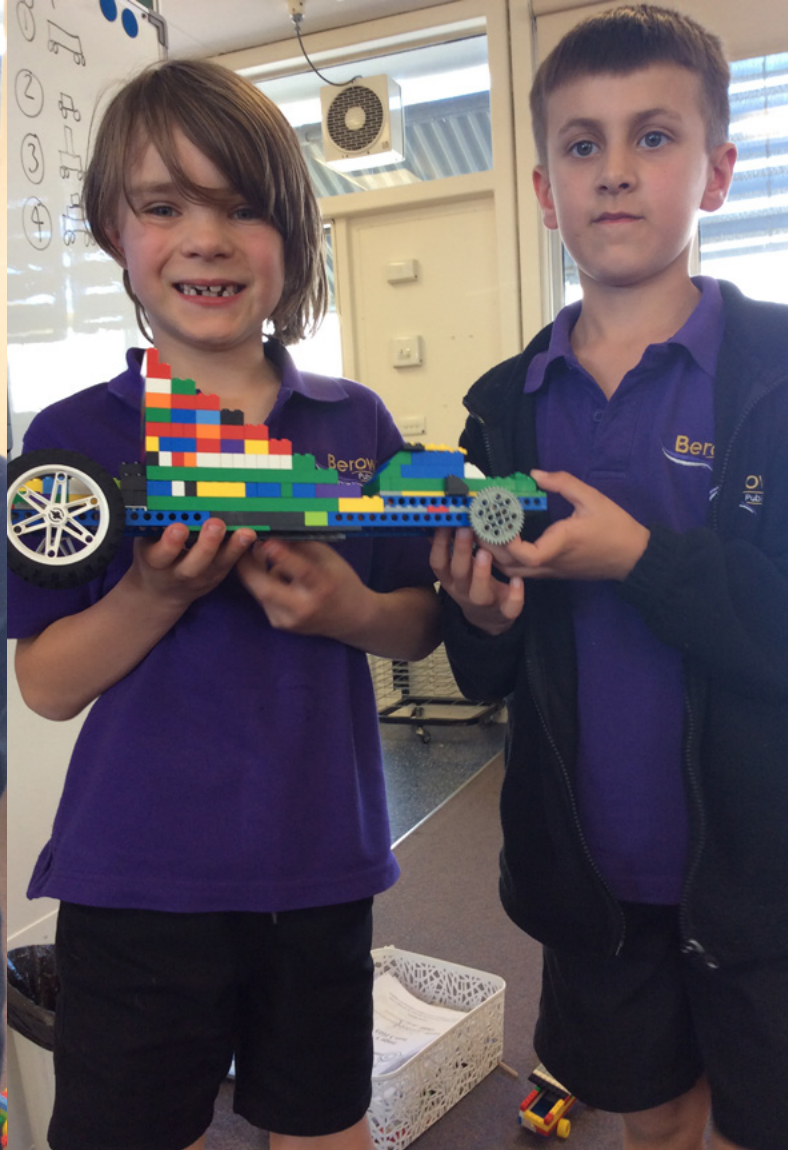

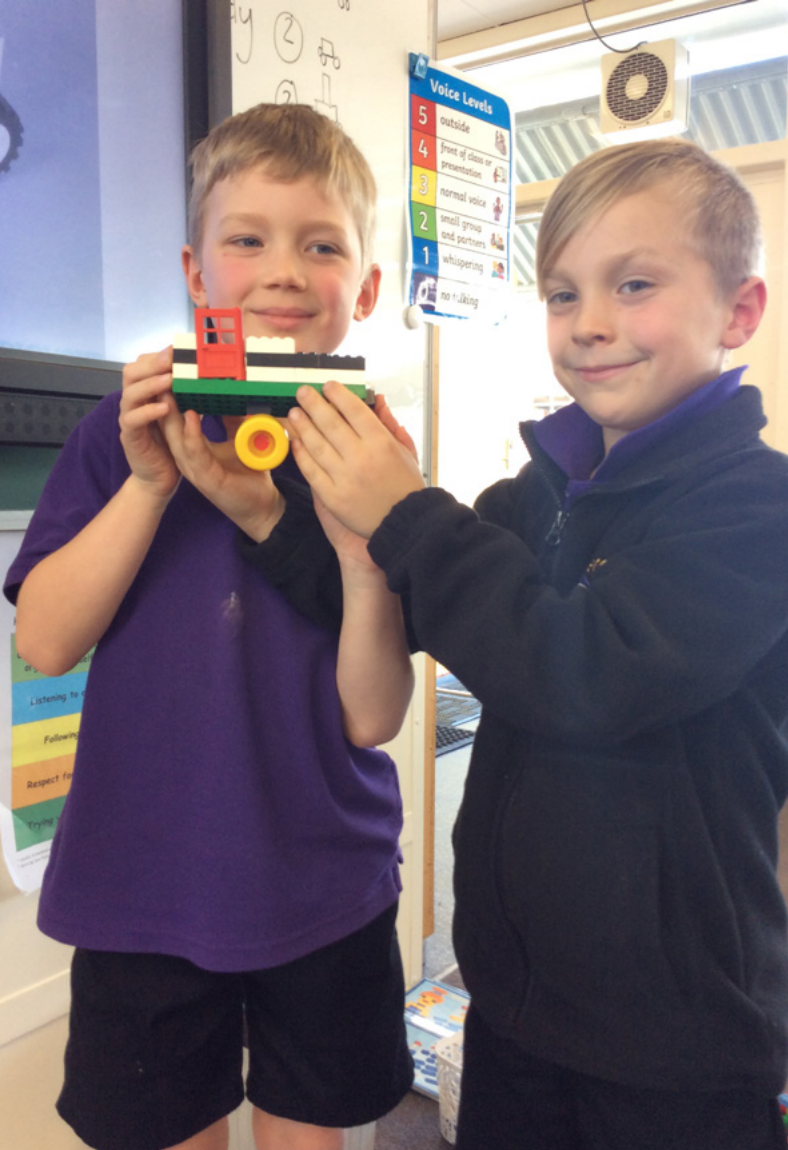

My Magnificent Vehicle

This term ES1 and Stage 1 students have been learning about forces in STEM. We learnt how forces, push and pull, are used in everyday life. We researched different types of vehicles and then students designed and built a vehicle that moves using a push or pull force. Students had lots of fun building, creating and presenting their vehicles.

ZONE ATHLETICS

SCOTT GRIFFIN
Coordinator

An excited group of athletes represented BPS at the 2023 Hornsby Zone Athletics Carnival on Friday, 18th August.

There were many terrific results and we have lots of students heading to the Area Athletics Carnival on Tuesday, 10th October 2023. Two particular students stand out amongst the others as they were named Age Champions! After breaking 5 records at our BPS carnival Evie M-M continued her outstanding form to be named Junior Girls Champion as well as the Athlete of the Hornsby Zone Carnival. Tahj K also displayed outstanding athletic prowess in several events to be named the Senior Boys Champion.

What a fantastic achievement! Well done to all students who competed on the day and cheered on one another. Berowra punched above its weight and was able to finish in 3rd to cap off a tremendous year at the Hornsby Zone level for our school.

For those who still have BPS representative shirts, can they please be returned asap to Mr Griffin.

Our impressive performances from the Zone Carnival included:

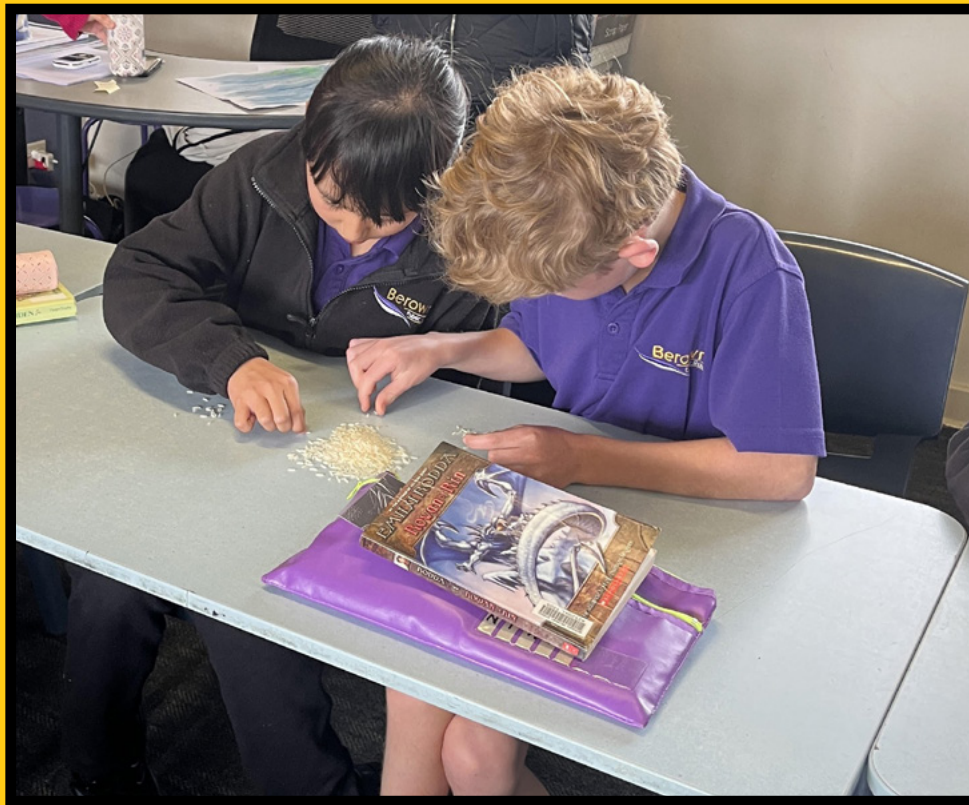

Ben C - 3rd in the Senior Boys 1500m
Jasper C - 3rd in the 10 Years Boys 100m
Liam M - 3rd in the 12 Years Boys 200m
Duke H - 4th in the Junior Boys 1500m
Duke H - 4th in the Junior Boys 800m

Senior Boys Relay (Jeremy, Ewan, Liam & Tahj) - 2nd

What's happening in 4/5A

4/5A have had a great term and we can't believe it's nearly the holidays. For 4 weeks of this term we had a wonderful student teacher, Mrs Elissa MacDonald. Mrs McDonald taught some fantastic lessons including mathematics, informative writing, sport, art and history which is a real passion of Mrs MacDonald. The children really benefitted from her strong knowledge of the history of Berowra and enjoyed sampling some wattle seed chocolate chip cookies she made as an example of how we can use bush tucker food. In the last week the children had lots of fun playing a non-traditional pass the parcel with crepe paper. They enjoyed some great prizes inside!

Year 5 also had an amazing time at camp last week. I am so proud of the way my Year 5 students conducted themselves at all times. I am sure they have some wonderful stories to tell and are already looking forward to camp next year. Year 4 will have their turn at camp at Broken Bay next term and we are already looking forward to that.

FIELD OF MARS

ART EXCURSION

On Friday, four lucky students were chosen to participate in an art workshop in Field of Mars, a nature reserve. When we first arrived, we made name tag necklaces out of little pieces of wood. We were put into groups – all the BPS students were in the Wattle group. We started off making big group mandalas using natural resources that were given and found, such as rocks, logs, sticks, leaves and wattle.

Our groups were led by real artists – our group's artist was Darelle. She taught us block printing, which is where you get styrofoam and carve shapes into it. The block printing had to be based on some man-made thing that we chose, like bricks or pavement.

Once we had finished our block painting, we had to find an image in nature and photograph it with an iPad, to draw. We went into the bush, and it was really pretty. We saw ducks, kookaburras and at the end, even a red-bellied black snake.

I chose to paint a big palm tree, ferns, and on the brick wall I added ivy and moss. When we got to paint, we could use mixed media. Some options were ochre, charcoal, pastels, watercolour and acrylic. The finishing artworks all looked incredible!

Overall, I think it was a great and fun experience and I would love to do it again!

We would like to acknowledge the Guring-gai and Durug land that we learn, play and have fun on. We thank the Elders past, present and emerging for the resources that keep us alive and living. The land we walk and breathe on is our responsibility to look after. Thank you.

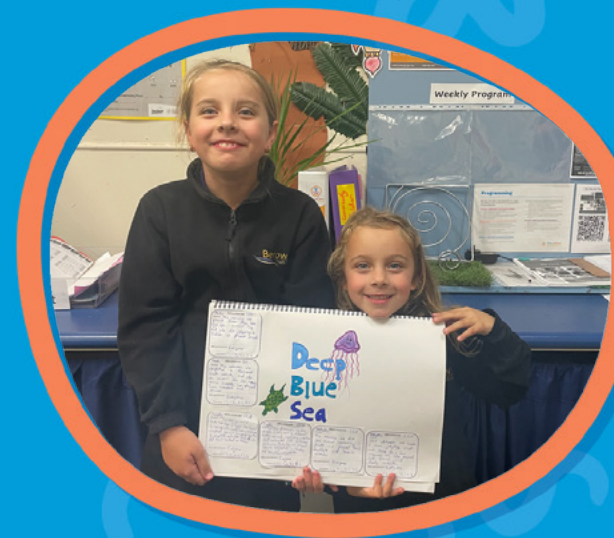

Week 5 - Galaxy

One of Theircare's musts for our weekly themes is our Galaxy program. This is a favourite because of the awesome DIY activities that are included and the spontaneous time dedicated for the children to get immersed in space dramatic play and construction play. Activities included designing an alien mask, our DIY space puppets, and galaxy painting.

Week 6 - Deep Blue Sea

Week 6 was all things under the ocean! We had ocean craft, ocean book club, ocean recycle DIY, ocean movie night, ocean sport games and much more! Our menu this week was equally as exciting with lots of the kid's favourites. We had 'Beck's Special Fried Rice', 'Pizza Muffins', and 'Wholemeal Wraps' just to name a few.

Holiday Program!

Booking for the upcoming holidays are now open! There are so many fun opportunities available to the kids this September. We have silly science, an excursion to an inflatable obstacle course, trip to the movies to see 'Teenage Kraken', and a nature tour excursion through a park.
