Hello Parents/Carers,

A warm welcome back for Semester 2. It has already been an eventful couple of weeks with a theatre excursion to a Bell Shakespeare production for our years 3-6 students, Bexhill Public School hosting a FilmBy workshop for visiting students and teachers, and the whole school attending the Eureka Athletics carnival last Friday.

Mrs Craigie is currently on leave due to suffering significant injuries during a hiking trip over the holidays. I am relieving principal in her absence. On behalf of all the Bexhill staff, parents and students I would like to send Mrs Craigie our warmest wishes for a speedy recovery and we hope to see her back on deck soon.

**First North Athletics Carnival @Eureka**— Friday's carnival was a fantastic day of competition. It was wonderful to see so many students enjoying the day and performing some great feats of athleticism! Thank you to parents/carers for being a great support on the day. I'd personally like to thank all the staff from Bexhill and the other First North schools for all their support. A special thank you to Mr Butler, Mr Spencer and Miss Penny Clifford for their help in organising the day, and a big shout out to Mr Bill Dempster and Warren from Tregeagle PS for their assistance in preparing the track. We had some fantastic results, with some of our students being awarded runner-up age champions!

### **Congratulations to:**

*Lachlan Hannigan*—runner-up Junior Boys Champion

*Ella Hughes*—runner up Junior Girls Champion, and

*Jaxon Muir*—runner up 11 years Boys Champion.

*Bexhill Public School* was also awarded the Overall Aggregate Point Score winner for the First North group and Ball Games Champions on the day.

**Book Fair and Book Parade**—It's Book Week! This year's theme is "Book An Adventure". We will have our annual Book Parade on Friday morning from 9:30am. Students can come dressed in their costume. Don't forget to bring along the book that inspired the costume! Students can view the books available to purchase from Wednesday. The Library will be open for viewing and purchasing on Thursday 7th August between 8.30am – 9.30am and 3.00pm – 4.00pm, and again on Friday 8th August from 8.30am – 9.30am and 11.00am – 12.30pm so you can visit as a family.

**Kind Regards**

**Clare Stirling, Relieving Principal**

## BOOK FAIR 2025

Our Book Fair will be open for viewing and sales on;  
Thursday 7<sup>th</sup> August between 8.30am – 9.30am and 3.00pm – 4.00pm  
Friday 8<sup>th</sup> August from 8.30am – 9.30am and 11.00am – 12.30pm so  
you can visit as a family.

This is a wonderful opportunity to purchase books for your family  
and at the same time support your school library.

The school benefits by being credited 30% of the total sales from  
Scholastic to purchase books for our library.

You are also invited to donate a book to the library, a bookplate  
acknowledging the donor will be placed in the front of the donated  
book.

Students will have the opportunity to view the books in the library  
before the Book Fair. They will take home a 'wish list' with two or three  
possible titles and their prices. This allows time at home to discuss  
choices and decide on purchases . (Of course, purchases are not  
compulsory).

If you are unable to attend but would like your child to make a  
purchase the wish list must be returned to school, with payment, on  
the day of the Book Fair .

Payments may be made by cash, eftpos or  
online via [www.scholastic.com.au/payment](http://www.scholastic.com.au/payment)

This will also be a great opportunity to do some Christmas shopping and  
what better gift to give a child than a book.

Every sale at the Book Fair will benefit Bexhill students so join us in  
making our Book Fair a huge success!

### Book Parade—Friday 8th August

**Dress up as 'Adventurous' from your favorite book and  
bring along the book your character is from.  
Parents are welcome to come and watch the parade from  
9.30am**

**Bexhill Athletics Carnival - 27 June 2025**

**FILM BY** - Last Friday, students from 15 schools descended on Bexhill Public School to learn all things film making. They were taught about scriptwriting, filming techniques and editing films.

John Walters who is a well known Australian author showed them how to write a script, getting started on dialogue and showed some interesting filming techniques as well. Local videographer and teacher Rod Evans taught the students how to position the camera/s to get the desired effect for the audience.

He took them through editing techniques including hilarious sound effects. The students then took their new skills and created some short films to share with the group.

The students said "They learnt a lot" and "It was fun". These students are now working on their own short films in the hope of submitting them to the Film By The Northern Rivers Festival.

More information on this to come later in the year.
