Hello Parents/Carers,

New playground equipment—Our play equipment is coming! Next week will see builders back on site to begin construction of our new playground equipment. We are very excited for this final stage of the new school build. We have also had a 12 month post-occupancy review with School Infrastructure NSW to give feedback on how we are finding the new facilities one year on from completion. They have invited families and community members to give their feedback also. Please consider clicking on the link below and following the survey prompts to have your say. [POE Parent Survey - SINSW](#)

Book week—What a fantastic week! The Book Fair in the library was a great success and earned the school \$540 to spend on new library books. The parade was spectacular and the costumes looked wonderful. Have a look at the following pages for some photos of our cast of book characters. Thank you to families for your support with costumes, designing “Adventure Buses” and purchasing books, and thank you to Mrs Link and Ms Clifford for organising the event. An extra big thank you to those wonderful families, for your generous donations of books for our school library. See page 2 for more details.

Public speaking - It is time for our annual public speaking event, the Young Communicators program. All students K-6 participate in this event, which is a component of our English assessment program. At the beginning of the week all families received notes outlining the topics for each class and the criteria for the speeches. Year 5 and 6 will present their speeches at the end of next week, and all other classes will present during week 6—see the School Bytes calendar for details. Finalists from stage 2 and 3, and the “Person of Excellence” from years K-2 will then present their speeches at an assembly on Monday 1st September.

Stage 3 camp—Year 5 and 6 are off to Canberra in week 6, pack your winter woollies!

Kinder Parent Information Evening—If you, or someone you know, are interested in enrolling a student in kindergarten for 2026, please come along to the Kinder Information Evening from 5:30pm on Wednesday 20th August.

Northern Rivers Zone Athletics—Good luck to all students selected to represent the First North group at the Northern Rivers Athletics Carnival next Friday 22nd August.

Lismore Performing Arts Festival—Our Year 5 and 6 choir and dance groups have been busy preparing their items for the Lismore Performing Arts Festival. They will be performing on the evening of Tuesday 2nd of September for parents and friends. The whole school will travel to SCU on Wednesday 3rd September to see the matinee show (for school students only). A link to purchase tickets for the Tuesday night show will be sent via email and School Bytes on Monday 25th August.

Kind Regards, Clare Stirling, Relieving Principal
