- Volunteers Morning

Tea

19th - Last Day of 2025

### Payment Due

- Lismore Show
- School Swimming

Dear Parents/Carers.

Another busy term has begun with a number of learning experiences already happening across all classes.

In Week 1 Year 3 and 4 students attended the Sport and Recreation camp at Lake Ainsworth for two nights and three days thriving on a number of challenging but fun team based activities. The food was pretty awesome also (student speak). We will share photos in the next newsletter.

Last week all students participated in the School Swimming program. It has been truly heartwarming to see the confidence and swimming progress which our students have displayed.

## **Kindergarten Orientation days**

We held our second orientation morning on Friday and it was lovely to meet some of our new 2026 students as they undertook learning activities with Mrs James.

If you know of any families new to our area or considering a change of school please encourage them to contact the office so we can organise a tour to showcase what our school has to offer.

## P&C Trivia Night - Saturday 25th

Thank you to all our families who came on board through generous donations and table organisation to support the P& C Trivia night. A fun night was had by all, raising much-needed funds for Bexhill School. Funds raised enhance educational opportunities and resources for our students.

## **Bandanna Day**

The SRC are currently organising a day to be held in November to support Canteen which raises funds to support young people with cancer and their families. We will have bandannas for sale through the office over the next few weeks culminating in a Bandanna wearing day closer to the end of term. There will be more information to follow.

## World Teachers' Day

Celebrating quality teaching and inspirational teachers.

There are over 170,000 primary, secondary and early childhood teachers working in NSW. We are fortunate to have some of the best here at Bexhill School.

Thank you to our dedicated teachers.

Kind Regards, Helen Craigie (Principal)

Lismore Show - Art Entries Winners - Cavill & Reid

## Picasso Cow winners

Meet "Moodonna"

Completed by Bexhill Public School, NSW (Overall Winner)

## MOODONNA WON! We are excited

Our Moodonna creation recently won the Picasso Cow Competition sponsored by Dairy Australia, the theme being Farm and Family, with an added optional focus on Sustainability.

As the overall winner we received a prize of \$2000.

As part of the project our students designed and named Moodonna and explored the world of the Australian dairy industry; including how milk is produced, its health benefits and life on a dairy farm. A learning journal and video was created to document the students' learning journey. We are ecstatic that Moodonna is now a national icon!

## Swimming Week
