

Bexley Public School

Quality Learning in a Caring Environment

T: Telephone 02 9567 3501 E: Email: bexley-p.school@det.nsw.edu.au

Meet the Teacher Evening

We warmly invite you to attend our annual Meet the Teacher event in the school hall at Bexley PS on Tuesday, 24 February 2026 at 3.30pm. This event provides a valuable opportunity to learn more about your child's year and to connect with their teacher.

3.30pm: A whole-school presentation outlining key learning, routines, and expectations for the year ahead.

4.00pm: Families will then move outside the hall to meet their child's class teacher.

Big Thankyou to Exotic Fruit Bites at Bexley

We would like to extend our heartfelt gratitude to Exotic Fruits Bites at Bexley for generously donating a large box of apples to our Breakfast Club program this week.

Also, to 14 Stars Children Foundation for their donation of backpacks and essential items for students. Your kindness and support help us provide a healthy start to the day and resources needed for students ready to learn.

Thank you for being a valued member of our community and for contributing to the well-being of our students.

Thinking About High School? It's Never Too Early to Start Planning!

We encourage parents to begin considering high school options for their child early. We are fortunate to have fantastic local high schools that offer incredible opportunities for students. Our school works closely with Kingsgrove High School, Kogarah High School, and Georges River Campus Hurstville to support ongoing learning and smooth transitions.

These schools boast some of the largest subject selections for Years 11 and 12 in the state, providing a wide range of pathways to suit every student's interests and goals. Together, we are committed to helping your child thrive as they move forward in their education journey.

If you have any questions about high school options or our transition programs, please don't hesitate to get in touch. Or visit their Information Nights.

- Kingsgrove Highschool: Tuesday 3rd March 4:30-7:00pm
- Georges River College Hurstville Open Night: Tuesday 3rd March 5:00pm- 100pm

Reminder: Children arriving early at school

Morning supervision begins at 8:45 AM, at which time a teacher will be on duty to supervise students arriving at school. We kindly ask that children **do not** arrive before this time unless accompanied by an adult. If a student must arrive early on rare occasions, they are required to sit in the COLA area on the silver seats until supervision begins.

School Communication

Effective communication between school and home is essential to support your child's learning and wellbeing. At our school, we use several important channels to keep you informed and engaged:

- School Bytes is our primary platform for all official notes, urgent notifications, and key operational information.
- Our fortnightly newsletter, the Communicator, provides additional school news, upcoming big events, and updates on important issues.
- The School Facebook page celebrates student achievements, school events, and showcases the wonderful work happening in classrooms.
- Classroom DOJO is used by teachers to share individual classroom news and connect directly with parents about your child's learning.

For general enquiries or to contact the school, please email us at bexley-p.school@det.nsw.edu.au or call the office on 02 9567 3501.

By staying connected through these platforms, you'll always be up-to-date and able to participate fully in your child's education journey. Thank you for partnering with us!

Before and After School Care TASK

TASK is our afterschool care provider, and the following link will take you to their service.

[Bexley Public School — TASK: The After School Klub](#)

TASK offers Vacation Care during the School Holidays off-site. You **MUST** contact them if you wish to book in days for Vacation Care. 1300 827 500
