Book Week

Students celebrated Book Week by coming to school dressed as their favourite book characters, filling the day with colour and creativity. This year, Deea was recognised as a "Switched On Reader," receiving a special certificate and prize for her love of reading. The prize was generously donated by the Crookwell Evening View Club and presented by Ms Sally Cullen.

Coming Up

26th Sept – Assembly 2pm & last day Term 3

Term 4

Tue 14th Oct – Students return Term 4 Summer uniform

Thur 16th Oct – School photos

Thur 23rd Oct – Life Education @ Laggan PS

Fri 24th Oct – Taralga Sports Day

Mon 27th Oct – Optometrist visit

Wed 29th Oct – Questacon excursion

Mon 3rd Nov – Dental Clinic

Term 3 Week 9

Welcome! Here's a quick snapshot of the latest news and updates we think you'll love

RETURNING PERMISSION NOTES

To help us plan events we kindly ask that permission notes must be returned promptly. Remember, you can sign most notes online in just a few clicks—please take a moment today to check and complete any outstanding notes.

Cricket Gala Day

Despite the wet and rainy weather, our spirits remained high as we enjoyed a fantastic day with Cricket NSW. The gloomy skies and puddles underfoot didn't dampen the enthusiasm of the kids one bit—in fact, their energy and excitement lit up the day! From fun drills and games to learning new skills and meeting the amazing team from Cricket NSW, it was a truly memorable experience for everyone involved. Rain or shine, the joy of cricket brought everyone together, and it was clear that the kids had a wonderful time.

Arabin Cup

The sun was shining, and spirits were high as we joined other small schools in Binalong for the Arabin Cup. It was a fantastic day filled with fun, teamwork, and friendly competition as our students took to the field to play T-ball. Across six exciting games, everyone gave it their all—cheering on their teammates, showing great sportsmanship, and most importantly, having a blast! It was a wonderful opportunity to connect with other schools, make new friends, and enjoy a day of active learning and laughter. A great day was truly had by all!

Meerkat

CHS Careers Expo

Last Friday, our students had the exciting opportunity to attend the Careers Expo at Crookwell High School. While we may be a primary school, the Department of Education has made career awareness an important part of the curriculum—even from an early age. The day provided a wonderful introduction to the many future pathways available to students, helping to spark curiosity and early thinking about their interests and goals. The children thoroughly enjoyed exploring the various exhibits, engaging with presenters, and getting a glimpse into high school life. It was a fun, eye-opening day full of inspiration and learning!

Bigga Public School once again kindly invited us to attend their annual Meerkat performance, and it was another fantastic experience! The students absolutely loved the show—it was full of fun, energy, and plenty of laughs. After the performance, we were warmly welcomed back to Bigga PS for lunch and a play. The children had a great time catching up with friends, enjoying the playground, and sharing a relaxed afternoon together before heading back to school. A big thank you to Bigga PS for their ongoing hospitality and for including us in such a special day!

Life Education

This year, Life Education will be hosted by Laggan Public School. As in previous years, this important program is part of the curriculum and directly supports the PDHPE syllabus. The sessions are designed to be engaging and age-appropriate, helping students learn about health, safety, and making positive life choices. We're looking forward to another great experience that encourages students to think about their wellbeing in fun and interactive ways.

Taralga sports day

Taralga Sports Day is scheduled for Friday, 24th October, and promises to be an exciting day full of fun and friendly competition. Parents are warmly invited to bring their children along to participate in the wide range of activities planned. This event is a wonderful opportunity for kids to enjoy being active, develop new skills, and make new friends in a supportive and energetic environment. We encourage families to come out, cheer on the participants, and share in the community spirit that makes Sports Day so special. Don't miss out on what's sure to be a fantastic day for all!

Optometrist

We are excited to announce that Junic Eye Care will be visiting our school on Monday, 27th October. This is a fantastic opportunity for our students to receive professional eye care services right here at school. **If you haven't already done so, please take a moment to complete and return the necessary consent forms as soon as possible.** Having Junic Eye Care travel all the way from Canberra to support our community is truly special, and we want to make the most of this visit by ensuring every child who needs it can participate. Regular eye checks are an important part of your child's overall health and learning, so we encourage all families to take advantage of this convenient and valuable service. Thank you for your cooperation and support in helping us make this visit a success!

Questacon

Next term, our big excursion will be a visit to Questacon, the National Science and Technology Centre, planned for Wednesday, 29th October. This promises to be an exciting and educational day where students will have the chance to explore interactive exhibits, participate in hands-on science activities, and spark their curiosity about the world around them.

We believe this excursion will be a wonderful opportunity to extend learning beyond the classroom and inspire a love of science and discovery. Your child's permission note will be sent home soon with all the important details, including timings, costs, and what to bring.
