Reading

Reading at home is an important part of your child's learning journey. Regular reading practice helps students build their vocabulary, improve their comprehension skills, and become more confident readers. It also encourages a love of learning and allows parents to support their child's progress. Even a few minutes of reading together each day can make a big difference in your child's success at school and help them develop essential skills for life. Please encourage your child to read with you every day and complete the Reader's Club chart.

SPORTS REPORT

The Touch Gala Day was held on Tuesday with Hugh, Cooper, George, Henry, Harry, Isla, Chloe and Asta all playing as part of the Small Schools team. Message below from Mr Hurley:

A big thank you to everyone who played in Tuesday's game. Both the girls and boys teams were very well behaved off the field.

The girls first game was close, all girls played well together as a team with good defensive leading to a close game but a loss in the end. Their second game they were in good spirits and enjoyed a friendly non-completive game.

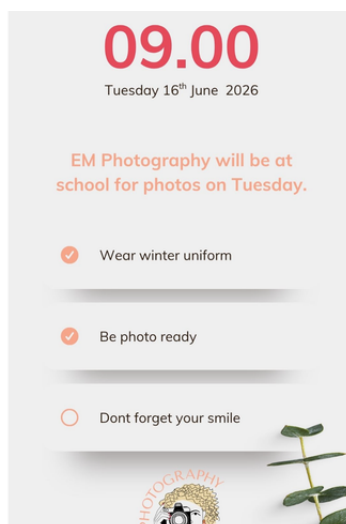

The boys worked really well together, drawing in their first game forcing a drop off to decide the winner which they ultimately won, which due to a bye in the first game sent them straight into the final. The site of Griffith's team of rep players had some boys already feeling defeated before the game even started. They played an extremely good offensive with some incredible passes, however, were not strong on their defence, leaving many gaps that the other team easily took advantage of.

Good luck to George who will compete at the Riverina X-Country in Gundagai today.

Congratulations to our Small Schools AFL team, who have qualified for the Paul Kelly Cup SNSW Regional Championships. The championships will be held on Tuesday 30 June at Griffith Ex-Servicemen's Sportsground No. 1 Oval. The team has also progressed to the next round of the NSWPSA Australian Football Knockout competition and will play Griffith North Public School at the Griffith Exies Oval on Friday 3 July. We wish Hugh, Henry, Cooper, George and Harry the very best of luck in both upcoming events!

The Small Schools Athletics Carnival will be held in Term 3, Week 2 on Tuesday 28 July. Students have already begun training and developing their athletics techniques with Mel and Erin in preparation for the carnival.
