Term 4

31st October 2025

We respect and acknowledge the Dharruk people as the traditional custodians of this land.

Prejudice is a burden that confuses the past, threatens the future, and renders the presence inaccessible.

The Principal's Message

Dear Parents/Carers,

As we draw to the end of another month, we have many things to celebrate and look forward to. This month, we joyfully celebrated Diwali, a beautiful festival that allowed us to recognise and honour the rich culture within our school community. We are committed to celebrating all cultures, as this helps to instil in our students a deep sense of pride and respect for diversity, fostering a strong sense of belonging. Teaching these values from an early age is vital- it lays the foundation for empathy and understanding, helping our children take the first important steps in stamping out prejudice, which threatens the future of us all. We look forward to continuing these meaningful celebrations and learning experiences together.

On Friday 31st October we celebrated Teachers Day to honour their incredible hard work, dedication and unwavering commitment to educating and inspiring our students. Their passion and effort make a lasting difference in the lives of so many students. We thanked them for their tireless dedication and for being the heart of our school. We appreciate all they do and we hope they enjoyed a well-deserved celebration Day.

Looking ahead, we are proud to celebrate Grandparents Day on the 12th of November and Multicultural Day on the 27th of November. Grandparents Day is a special opportunity to recognise and value the significant role grandparents play in the lives of our students. Their love, wisdom, and support are treasured, and this day allows us to honour their contributions to our families and our school community. Multicultural Day celebrates the rich diversity of all the unique families within our school. It is time to embrace and respect our different cultural backgrounds, promoting inclusion and a strong sense of belonging for every student and family.

Reports

Teachers are currently working hard on student reports, carefully analysing assessments to ensure that parents receive an accurate and clear picture of where their child is at in their learning journey. All students deserve to be commended for their hard work and effort, and we encourage parents to be proud of these achievements. It is important to remember and acknowledge the progress each student has made throughout the year, as growth and development are key indicators of success.

Kindergarten enrolments and Orientation

Kindergarten enrolments are now open for children who will turn 5 by 31st July 2026. Orientation session for new students will begin on the 18th of November, along with parent information sessions to assist families to prepare for the transition to school. Please keep an eye out for an invitation or letter with further details coming soon.

Classes for 2026

Classes for 2026 are currently being formed. If your child will not be returning to our school next year, please notify the office as soon as possible to assist us with our planning. Ring office before the end of the year on 9622 2277.

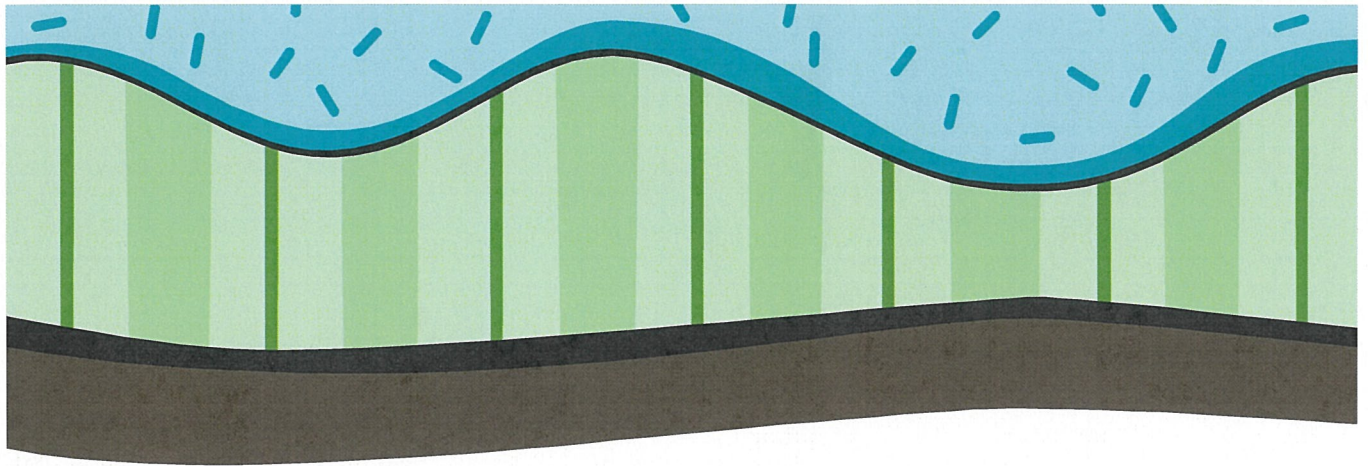

The education and wellbeing of our students is of the utmost importance to us, and we look forward to working with you. We have high expectations for your children both academically and socially.

Yours in partnership,
Mrs Carmen Cefai
Principal

Diwali Celebrations – Week 2, 22nd October

It was wonderful to see everyone dressed up in the vibrant Diwali spirit! The colourful rangoli patterns made with chalk brought creativity and excitement to the day. Parents joined in the fun with their children, making the celebration even more special. The morning concluded with a lovely morning tea shared together. A big thank-you to all the families for making our Diwali celebration such a joyful and memorable occasion! 🌸💡
