31st August 2025

We respect and acknowledge the Dharruk people as the traditional custodians of this land.

The Principal's Message

Together we can do so much

Dear Parents/Carers,

I would like to take a moment to highlight the importance of reading to your children in their first language. Engaging with your child in their native language fosters a strong

foundational understanding of language and literacy, which is crucial for their overall development. Reading together enhances vocabulary, comprehension and communication skills, all while nurturing a love for books and storytelling. It also deepens the bond between you and your child, creating cherished, moments that can last a lifetime.

Encouraging reading in their first language not only supports their academic but also strengthens their cultural identity and connection to their heritage. We encourage you to share stories, poems, and experiences in your home language, as this will enrich their learning journey. Together, let's inspire a lifelong passion for reading and learning.

Attendance

Attending school on time and every day is crucial for a student's academic and personal development. Here are some key reasons highlighting importance.

1. **Consistent learning:** Regular attendance ensures that students do not miss out on essential lessons and learning activities, helping them keep up with curriculum and avoid gaps in their knowledge.
2. **Building routine:** Arriving on time helps students establish a structured routine, which is important for developing time management and organisational skills that will benefit them throughout their lives.
3. **Active participation:** Being present allows student to actively participate in class discussions, group work, and hands on activities, enhancing their understanding and engagement with the material.

4. **Social Development:** Attending school regularly provides opportunities for students to interact with peers, build friendships and develop important social skills in a supportive environment.
5. **Accountability and Responsibility:** Consistent attendance teaches students the value of commitment and responsibility preparing them for future academic and professional settings.
6. **Maximising Opportunities:** Schools offer a variety of extracurricular activities, resources, and support services that students can benefit from when they attend regularly.

By prioritising punctual and consistent attendance, students can make the most of their educational experience, setting a strong foundation for future success.

Parent volunteers

We are excited to invite you to become a part of our school community as a parent volunteer. Your involvement plays a vital role in enhancing students educational experience and fostering a positive school environment.

Volunteering not only allows you to contribute your skills and talents but also provides a wonderful opportunity to connect with other parents, teachers and students. Whether it's assisting in the classroom, helping with special events, helping in the garden or supporting extracurricular activities, your participation can make a significant impact.

The education and wellbeing of our students is of the utmost importance to us, and we look forward to working with you. We have high expectations for your children both academically and socially.

Yours in partnership,
Mrs Carmen Cefai
Principal

Author Visit Inspires Young Writers at BNPS

In Week 6, BNPS was thrilled to welcome renowned author Belinda Murrell! Students were captivated as she shared her writing journey, inspirations, and valuable storytelling tips. It was an exciting opportunity for budding writers to learn from a true professional. A special highlight was Sohail's stunning illustration of a character from Belinda's beloved Lulu Bell series — a beautiful tribute to her work!
