PRINCIPAL'S MESSAGE

I have started to be reflective as my school career comes to an end. I have heard a few comments from within our community about my approaching retirement and yes, I am starting to plan for the unknown.

I have been at school since I was 4 so 70 years is a long time to look back upon. I consider school life – particularly primary school as the best period of our life. It is a place where we make friends, learn new things every day and enjoy the many opportunities that a public education system affords. It is a time of hope, when the future holds so much promise.

In just this week here students not only have engaged in daily classroom learning but have also been offered choices in dance, sport, choir, chess, peer support, Aboriginal studies and drumming.

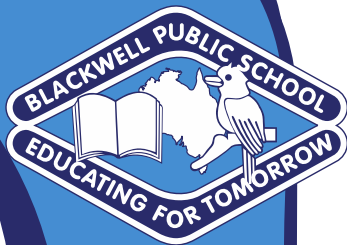

Chess has been a very popular additional lunchtime activity with numerous students from all stages taking to a Round Robin Tournament. ***Many thanks to Mr McFadden*** for co-ordinating these

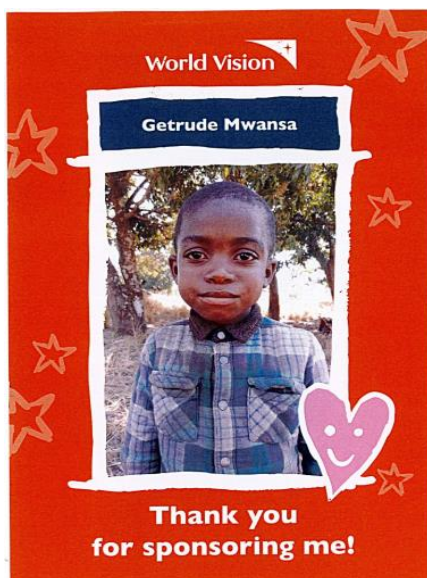

games and compiling a list of our top 'Seeds!' Well done! Blackwell has organised a **Chess Tournament Day on Friday, 27th June 2025** here in our library. A company called 'Reel Chess' will host this event with games and trophies.

We will also be competing in a STePS Chess Tournament in August with our neighbouring primary schools. We will keep you updated on the coming events.

Our Peer Support program has been very successful and both students and staff, have learnt quite a bit about 'Frogs'. Our final tasks are to design a '**Frog Friendly**' habitat. Each class will submit their best design to our SRC by the end of the term. The best design chosen will then be constructed by our very talented G.A., Mr Bennett and hopefully some homeless frogs will make Blackwell their new address.

Mr Trist has begun working with our Stage 2 students this term. He will also be involved in our **STePS Bro Speak program** along with Mr Woolard. **Sista Speak** for our senior Aboriginal girls will be held at Erskine Park High School this year. We look forward to hearing and seeing from our young Aboriginal Leaders.

Our SRC have sponsored a new World Vision – **Getrude**. Getrude lives in Lusaka, Zambia and was born in 2019. She has not yet started school.

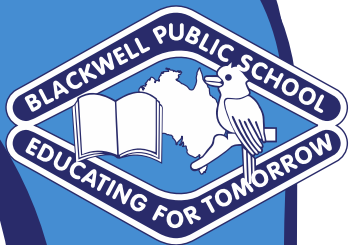

Each year our students have raised funds for World Vision along with other selected charities. Mrs Naglic and Miss O'Brien hold regular SRC meetings to ensure our students have a voice in social justice matters.

Just a reminder that reports will be going home this term followed with interviews which you will be able to book through your Sentral portal. **Bookings open from Monday, 9th June and close Friday, 20th June 2025.**

I would like to finish by welcoming our new P/C executive for 2025 and inviting parents to come along and share ideas and have a voice in how our school operates. **Next meeting on Monday, 2nd June**, Mrs Anderson will join the meeting to outline how Stage 2 runs and events coming. Our meetings are held in the staffroom and commence at 7pm. We are usually finished by 8pm. A more friendly group of people you could not want to meet!

Deputy Principals Message

Friday is now my new favourite day. I love hearing the cheers of students when they hear their names being drawn out for the weekly attendance awards. Congratulations to all of our winners so far. I know the students, teachers and the class that wins all enjoy their prizes.

Let's keep our attendance improving Blackwell. We have many classes way above 90% attendance and many students with 100% attendance.

Remember using the SENTRAL app you can check your child's attendance percentage. It should look like the graph below. Remember our aim is to 95% or above.

Here is an example of student's attendance from SENTRAL.

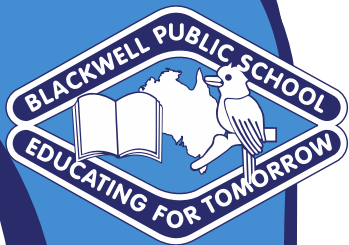

Term 1						Term 2					
	M	T	W	T	F		M	T	W	T	F

Behaviour

If a child receives a Blue or White slip for poor behaviour, they are emailed to you to keep you informed. The child would have already completed a reflection time for that behaviour and is expected to complete the reflection page. For our students from year 2 and above, these are usually written by the student themselves. Sometimes Kinder and Year 1 students tell the teacher what to write. It is wonderful to see so many students keeping their full licences and not losing any points. Keep up the great work.

It would really assist us so we are not disappointing the students.

Stage One- Term 2- Weeks 1-5, 2025 This term, Stage 1 have been learning about sustainability in our English Units. We have read the books "Benny Bungarra's Big Bush Cleanup" and "The Little Corroboree Frog." Student's from S1D, S1N and S1B have written a persuasive piece of writing on why we should save the corroboree frog and why we should look after our environment.

Excursion – Bring Back The Bush

Stage 2 travelled to Western Sydney Parklands on the 6th May to attend the 'Bringing Back the Bush' excursion. Students rotated through three activities relating to Geography, Science and Aboriginal Connections. They explored the Cumberland Plain Woodland habitats through nature play, planted trees for habitat restoration and engaged in a First Nations cultural activity with Dharug Elders.

Stars To Success – Term 2 Home Activities

Each term students are encouraged to read and complete extra Lexia sessions at home. All information has been sent home in a red plastic folder, so please ensure that the contents are checked regularly. The red folder should be always kept in your child's bag. The 3 things that will need to be returned to school so that teachers can monitor student progress are:-

- Home Reading Sheet – Target 20 books
- Project – Australia's Neighbours (see below)
- Lexia Star Card - 10 sessions

Research Project & Speech

STAGE 3 NEWS

STAGE 3 NEWS

Congratulations to all of our Stage 3 students who have been involved in a variety of activities both at school and out on the sporting field over the last few weeks.

The **District Cross Country** is coming up on **Friday, 6th June** at the Sydney International Regatta Centre, Penrith. We wish the Blackwell team all the very best of luck.

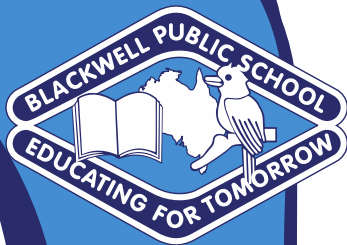

Blackwell's famous coin race is back. This is a P&C fundraising events with all proceeds going back to our school. Students are asked to donate 5c and 10c coins (we do accept all Australian coins) **until Wednesday, 2nd July**. All coins are handed to classroom teachers until race day. On the day, all classes go head-to-head to see who has collected the most coins by creating the longest line of coins down in the hall. The Primary class (Yr. 3-6) who has the most coins will win a Pizza Party. Let's go Stage 3 - start collecting.

At Blackwell, students can bring their **mobile phones** to school and have them stored securely during the day in the front office. Unfortunately, some of our senior students have not been following these procedures. Parents, if your child does bring a phone to school, please remind them to secure it in the office to avoid it being lost, stolen or damaged. In emergencies, parents can always contact or get a message through to their child by calling the school.

Unfortunately, some students have been using social media sites at home to send hurtful messages, spread rumours or send images to embarrass or intimidate others. Being online allows students to learn and socialise, but it opens your child up to risks. These can be financial (scams), physical (grooming) or emotional and social (cyberbullying). Please be vigilant and help your child to navigate the digital world to avoid harmful online experiences.

The Stage 3 teachers are currently assessing and preparing your child's **Semester 1 report**. These reports will go home on Wednesday 18th June (Week 8). **Parent interviews** are being held during Week 10 – **Monday, 30th June to Friday, 4th July**. Please keep your eyes out for the instructions and the website link to book your appointment. If you are unavailable to make an appointment during this week, please email your child's teacher to make a mutually suitable time to do so. We look forward to the opportunity to touch base again or to meet you.

Over the next couple of weeks, our students will be participating in class-based competitions to see who will be a finalists in our school's **Premier's Spelling Bee competition**. Each class will select two students for the finals. The Senior Word list is available on www.artsunit.nsw.edu.au/program/nsw-premiers-spelling-bee Please ask your child for the password to get access to the list or double check on their google classroom. The finals for the Premier's Spelling bee will be held on Friday 20th June at 11:30am. (Week 8)

Expression of Interest notes have been sent via the Sentral App for the Stage 3 Camp. This year, to complement our history unit—Australia as a Nation—we will be heading to Canberra. Camp will take place in Term 4, Week 7, from **Wednesday 26th November to Friday 28th November 2025**. To secure your child's place, a non-refundable deposit is required by Wednesday 2nd July 2025. Please note: Students must demonstrate responsible and respectful behaviour at school to attend camp. Instances of unacceptable behaviour may result in this invitation being revoked.

As the weather gets cooler, please encourage your child to wear **Blackwell's full school uniform** which includes a navy-blue jumper or tracksuit pants. If your child is unable to wear the correct jumper for a short period of time (it is in the wash, dirty or too small etc.) please opt for a plain black or plain jumper. We ask students to limit their earrings to either sleepers or studs and to avoid wearing coloured nail polish and fake nails to school.

We still have several items found around the Stage 3 area without names on them. Please remember to clearly label all hats, jumpers and lunch boxes or containers with your child's name – especially our Year 6 jumpers.

Until next time Take care,

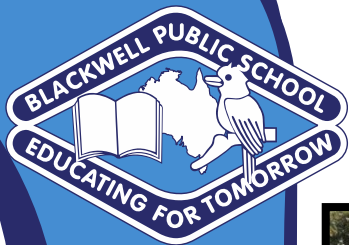

Kellie Balloch on behalf of the Stage 3 team.
