As I sit and reflect on the year that has been, I cannot express or put into words just how proud I am of all the achievements that have occurred at Blayney High School.

This year has seen students and staff excel on the sporting field, in creative and performing arts, academically, all while pursuing future careers through work experience and constantly striving to be the best versions of themselves, that they can be.

As the year draws to a close, I would like to thank the entire Blayney community for their ongoing support of our school. I wish everyone a very Merry Christmas and joyous New Year.
