The Blayney Public School P&C Association plays a vital role in supporting our students and enhancing their school experience. Through the operation of the school canteen and clothing pool, the P&C provides essential services that benefit both students and families.

The P&C contributes significantly to the school by funding various initiatives that directly enrich the educational opportunities of our students.

We warmly invite you to attend our P&C meetings, which are held once per term. These meetings are an opportunity to get involved in planning fundraising events, discussing school updates, and helping to shape a vibrant school community.
