Volunteering for the School Community

The School P&C is a great place for families with students to meet others, join in a range of community activities and even get support from other parents at times. We aim to keep it a friendly, community-oriented atmosphere where everyone is welcome.

All parents and carers of children at the school are eligible members of the P&C and are encouraged to be involved.

The role of the P&C includes helping people come together, making suggestions to/asking questions of the Principal, getting to know each other, feeling that you can contribute to the school & having fun during this precious time of your child's life. The more members we have actively participating in the P&C association the better we can achieve our objectives.

Please consider coming along to our P&C meetings and getting involved – it's a great way to meet new people and really contribute to your child's school experience.

As we use email to communicate with parents, it is essential that we have an accurate and up to date email contact list of parents. Opting in for the P&C is great way to engage with activities, issues and useful information for parents in our school.

So please complete and sign the below form and return it to the school or to the P&C. Your email address will be kept confidential and only used for authorised P&C/school communication purposes.

WHAT DO WE DO?

We are volunteers dedicated to fostering a strong sense of community around our school, enhancing the environment for our children, and offering valuable services to families.

WHAT WE DO

Canteen: Open Wednesday to Friday, focusing on healthy food choices.

Uniform Shop: Open each Monday morning from 9:00am to 10:30am.

School Events: We host a range of events, including sausage sizzles, Mothers Day and Fathers Day stalls, Discos and more. These events are not only fun but also help to build a sense of community among students, parents, and staff.

Scholastic Book Club: Provides families with an affordable and convenient way to bring the best in children's literature into their homes. For every Book Club order placed, we receive a portion to purchase valuable educational resources for our library.

Fundraising: We organise various fundraising events throughout the year to provide essential resources and opportunities for our students. These funds are used for purchasing educational materials, improving school facilities, and supporting extracurricular activities.

We welcome your ideas for enhancing our activities and services.
