SCHOOL NEWS

WEEK 10
TERM 1

Please remember to record absences! The NSW Education Act requires that all student absences must be explained within 7 days of the first day of them being away from school. Please contact us promptly whenever your child is absent and let us know the reason for them being away. This allows us to provide the right support and make sure your child's absences are correctly recorded.

A note from the principal

BOBIN PUBLIC SCHOOL
~ 1883 - 2025 ~

Over 125 years of quality teaching and learning

School Moto:

Grow To Be Life Long Learners
A proud member of Wingham Community of Schools. This school is built on Biripi land.

Anzac Day Assembly

Please join us for an Anzac Day Assembly on Wednesday 9th 2:45pm at school.

We will be joined by a special guest - Mick Downs from Wingham RSL Subbranch

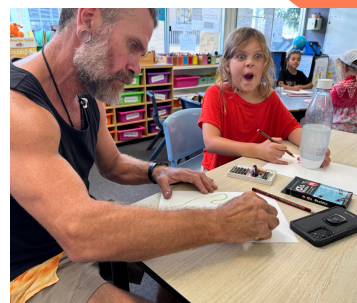

It was wonderful to have our families attend Bobin Public School to celebrate Harmony Day with us. This is a significant event that promotes culture diversity and inclusiveness within our school community. The day was highlighted with students cooking using ingredients from our school garden and artworks collaboratively created by students and their families. A nice little interactive computer challenge had us all working together and thinking hard! Thank you to everyone for participating and making the day enjoyable.

Bobin Public School combined with Elands Public School for a visit from Healthy Harold. Students were engaged in activities around building and maintaining friendships within school and in society. Students enjoyed seeing Healthy Harold and spending time in the playground with Eland's students. With the school holidays fast approaching we would like to wish everyone a safe and happy holiday and a relaxing Easter break.

- Michelle Taylor

HARMONY DAY 2025

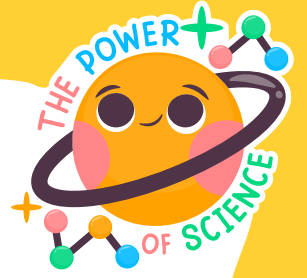

IN THE CLASSROOM WITH MS ROZE!!!

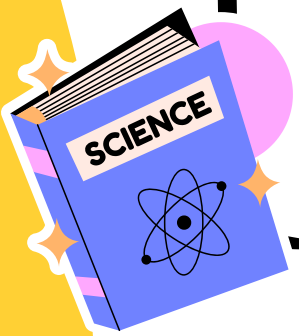

We have been learning all about narratives and have been retelling stories in our own words in K-2. We have also enjoyed reading about Australian animals, particularly the funny facts such as wombats having square poos! We have been using a great book called the 'A-Z of Australian Animals' to understand the features of information texts and how we can use these features in our own writing. Everyone really enjoys playing games and working with hands on materials to represent numbers and other mathematical ideas. The Year 1 and 2 students have worked hard to understand how multiplication works and how to solve multiplication problems.

Science K-6

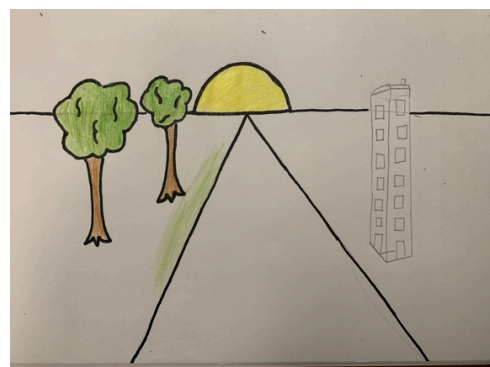

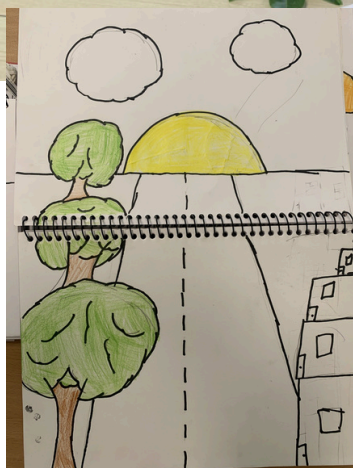

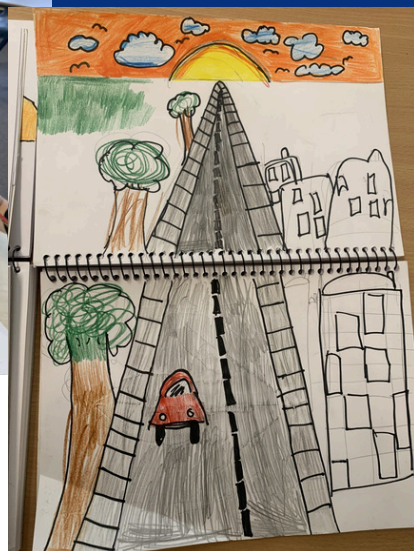

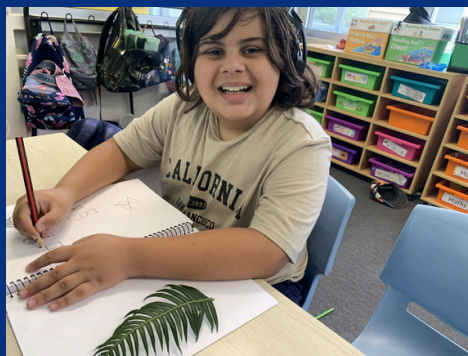

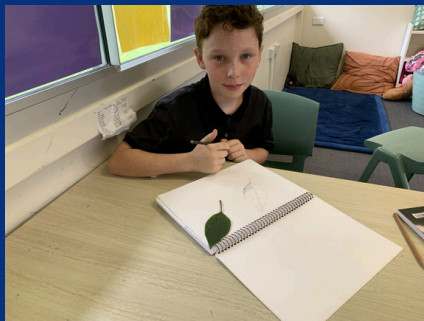

This term in science and technology we have been learning all about energy in the form of light, sound and heat. The students have explored and conducted lots of experiments and particularly enjoyed experimenting with how musical instruments produce sound and how sound can travel.

Hanging out in the classroom with Mrs Taylor

SCHOOL BOWLS STAGE 3 STUDENTS

Represent your School in Competition - 2025

All Year 5 & 6 students have an opportunity to learn a new skill and represent their school in the inaugural Let's Play Bowls 'Inter - school' Primary Competition. **Exciting - 35 minute - max. 5 end sets** to be played at the **August Trials - Week 3 Term 3** (see format / rules docs.)
OPEN TO ALL GOVERNMENT, INDEPENDENT AND CATHOLIC SCHOOLS

Training

Contact the Bowls President or Bowls Coordinator at your local club to arrange accredited 'Bowls Australia' coaches. Bowls is a sport where **young players 'excel' and have 'fun.'** Coaches will provide assistance in developing student skills and true sporting values, whilst playing as a team, in this fantastic outdoor sport.

- Professional bowls coaching.
- Team with your friends.
- Playing in school colours against neighbouring schools in a friendly and skilful competition.
- When in high school - play in a similar 'inter-school' competition.

email: letsplaybowls@gmail.com
