BOBIN PUBLIC SCHOOL

~ 1883 - 2025 ~

Over 125 years of quality
teaching and learning

School Moto:

*Grow To Be Lifelong
Learners*

A proud member of
Wingham Community of
Schools. This school is
built on Biripi land.

A note from the principal

Dear Parents and Community,

Thank you to you all for visiting our school to celebrate Public Education Week. The theme this year was *Ignite your potential*, and we certainly have achieved this. It was wonderful to see so many community members and families enjoying our celebrations with a sausage sizzle, games and some fun challenges! The students enjoyed parading their costumes and reading their amazing writing. I would like to also thank our hardworking dedicated staff for making the day successful. We look forward to another community day to showcase the students' strengths and our strong sense of community participation.

Bobin Public School celebrated NAIDOC Day at Chatham High School with many other schools in the Manning. This was a great community event, and our students participated in cultural activities such as painting, Dreamtime stories, Gunyah building, and viewing the reptile exhibit.

Congratulations to three of our students, Max, Monty and Amber for your successful participation at the Zone athletics carnival in Tuncurry earlier this term. Our students demonstrated their determination and sportsmanship throughout the day.

Students have been actively engaged in soccer for sport each Friday this term. Thank you to Chad from Northern NSW Football for making this fun for the students and developing their skills.

We are looking forward to launching our new and updated school website in the coming days!

Michelle Taylor
Principal

Bobin Public School A:2512 Bulga Rd, Bobin NSW 2429 Ph: [\(02\) 6550 5147](tel:(02)65505147)

TERM 2 REWARDS DAY

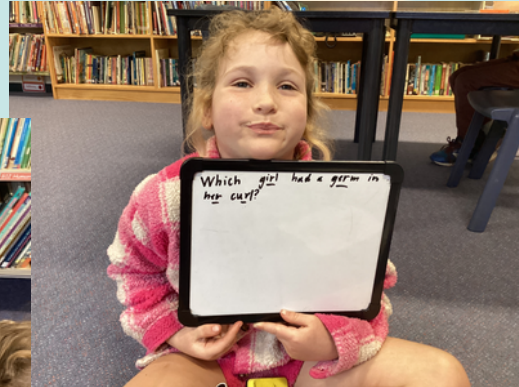

PYJAMAS
NACHOS
MILKSHAKES
MOVIE

IN THE CLASSROOM

with Ms Roze

We have been looking at characters in narratives in K-2 and how authors can use a variety of techniques to portray emotions and traits. The students have used some of these techniques to create their own characters and really enjoyed making comic strips to tell simple stories about these characters using Pig the Pug as their inspiration. It was a great way for the students to also express their humour!

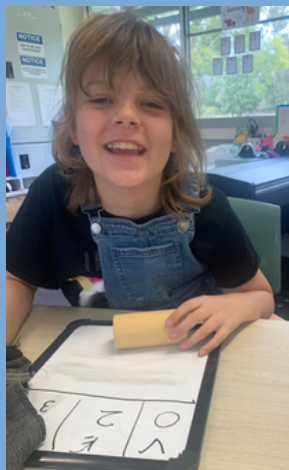

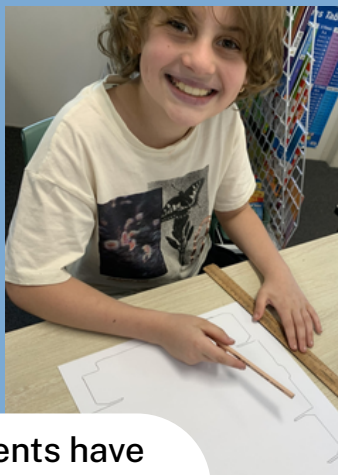

In numeracy the students have been enjoying completing a daily review to revise concepts that have already been taught and to strengthen some of the skills that are needed as we move onto more challenging concepts. This has been a great way for them to also share their own thinking when they solve mathematical problems and there have been some great discussions and moments where they get to learn from each other.

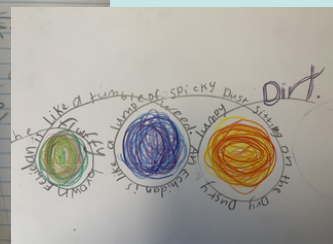

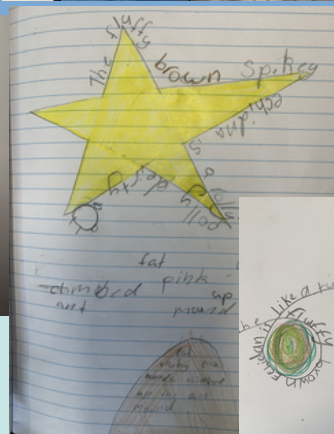

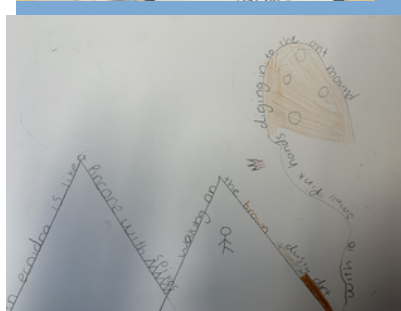

Hanging out in the classroom with Mrs Taylor

In mathematics students have compared and described features of three-dimensional objects by making and exploring models, sketching and using diagrams. They had fun constructing and deconstructing nets of everyday three-dimensional objects that we find around the house. Students used formal units of litres and millilitres to estimate, compare and measure capacity with various size containers.

Students are very creative with their writing using similes and stanzas to enhance their visual ideas in a poem.

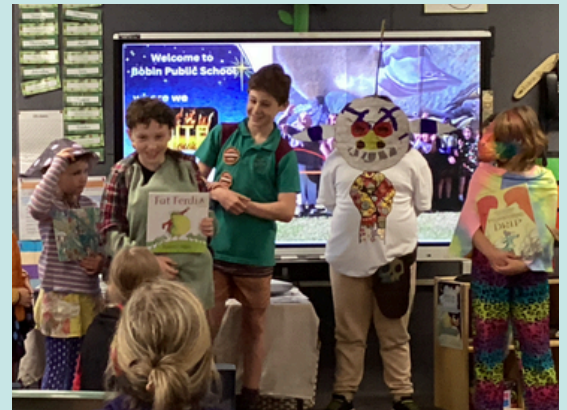

Public Education Week

It was lovely to see so many families and friends visit our school for Book Week and Public Education Week.

We truly value the opportunity to welcome you into our school to celebrate learning together and to showcase the wonderful things our students are achieving each day.

School Assembly

Congratulations to our class
award winners:

K.L: for consistent effort and
enthusiasm in writing.

Frankie: for her interest, curiosity and
explanation of concepts in
mathematics.

Max: for excellent participation in
creative writing.

We acknowledge that attendance at
school is important every day.
Congratulations to the following
students for 100% attendance over the
first few weeks of school this term.

K.L
Natalia
Elle
Frankie
Amber
Monty
Max

The Resilience Project

Here at Bobin Public School, we are part of The Resilience Project, delivering emotionally engaging programs to build resilience and happiness. We encourage students to reflect on their **Gratitude**, **Empathy** and **Mindfulness**, and we learn easy ways to use these in everyday life. We also incorporate Emotional Literacy, Connection and Physical Health education and activities as they are foundational contributors to positive mental health.

Canteen

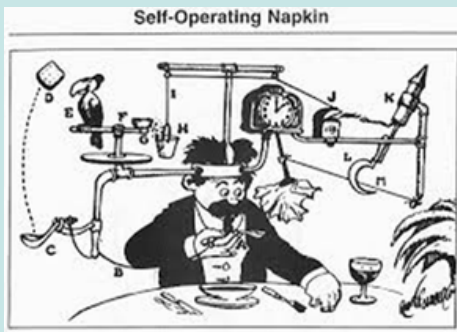

Thank you to everyone for supporting the school canteen every fortnight, it has been a huge success!

If there are any parents or helpers who could spare some time on a Friday to help out please let me know! Just an hour or two would be amazing! - Jess

Lunch Time

Rube Goldberg Machine Challenge

Bobin students are taking part in a Small Schools Rube Goldberg Machine Challenge. A Rube Goldberg machine is a deliberately over-complicated contraption that performs a simple task through a chain reaction of seemingly unrelated events.

The students have been making plans and will begin testing their designs on Thursday (21st Aug). We will make a video of their completed working machines for submission in the competition by Friday 12th September.

We have asked the students to bring in any items from home that will be useful for their designs – think recycling and moving toys for example.

- 16th September
Kindy Orientation
- 17th September
P&C AGM Meeting
- 25th September
Discovery Day
- 10th November
YR 4-6 Excursion -

NOTES

- For the AGM to be valid, at least 14 days' notice must have been given to members
- The quorum at the AGM is as stated in the Constitution
- The AGM cannot continue if the audited financials are unavailable for receipt and adoption. The meeting must be postponed until they can be presented.
- Only *members* can nominate and be elected for a position at the AGM. To be considered a *member*, an application for membership must have been received prior to the close of the general meeting preceding the AGM. *Any person who applies for membership for the first time at the AGM will only be considered a member after the close of the AGM.*
- *Any existing member that wishes to remain a member for the coming year is required to pay the annual subscription before the close of the AGM*
- *Any existing member who does not pay their annual subscription at the AGM will be unable to continue in an elected position until such time as the annual subscription is paid and the member register is updated*

Role Descriptions

President

- Chairing of P&C Association meetings
- Ensuring the P&C Association's objectives are met
- Ensuring that the P&C Association takes part in decision-making processes in the school
- Setting up lines of communication with the Principal and establishing a positive and constructive relationship with the school
- Establishing a positive relationship with the school
- Creating a welcoming environment and fostering fair participation
- Setting agendas
- Adherence to the constitution, by-laws, rules, policies, and procedures
- Acting as the P&C Association's spokesperson
- Being a signatory on the P&C Association's bank accounts

Vice Presidents

- Backup chairperson
- Supporting the president, secretary, and treasurer in their roles
- Shadowing the treasurer and secretary to act as a back-up
- Often assigned oversight of key operations, e.g. canteen, uniform shop, WWCC
- Signatory to P&C Association bank accounts

Secretary

- Preparation of meeting agendas in conjunction with the president
- Sending notifications of meetings to members
- Taking minutes at P&C Association meetings
- Preparation of draft minutes
- Handling and tabling correspondence
- Dealing with administrative tasks related to meeting decisions.
- Maintaining the official records of the P&C Association, including the constitution, rules, policies and procedures, ABN details, register of members and meeting attendance

Treasurer

- Accounting for all funds and assets of the P&C Association
- Ensuring compliance with financial accountability requirements, including financial records
- Maintenance of P&C Association bank accounts
- Financial reporting at P&C meetings
- Signatory to all P&C Association bank accounts
- Taking new membership or membership renewals
- Organising the annual audit of accounts as required
- Overseeing staff wages and entitlements (should the P&C Association have employees)
- Working with the P&C Association bookkeeper (if one has been engaged)
