Term 1 Week 5

26 February 2025

### A Message from Mr McKay

Welcome to week 5 term 1 2025. Good morning/ afternoon to parents, carers, of our community. I hope that you are settled for 2025 knowing that your child will receive quality education and opportunities to continue to learn and grow. On behalf of the staff, I would like to thank parents for their support and confidence in each teacher. As I did say at the very beginning, 2025 will be a great year for all. A reminder to parents, that officially Autumn will begin on the 1 March. Our students continue to wear their summer uniform at this stage till the end of term 1. I will ensure I provide information regarding any changes.

What an amazing success the Chinese New Year presentation was for the whole school last week. To see the kindergarten children with their mouths open wide, to the actions of the Dragons that danced and jumped. I was also impressed to see many parents coming to support the fun of the presentation. I must say, our next presentation in celebrating culture will be as good. Again, I will see all parents and family here celebrating. Well done to the P&C and of course Josie McGann (Community Liaison Officer) of the school, for their efforts in having the presentation run smooth without any issues – well done to the team. Great morning tea also served for Parents and Community Members on the day.

A reminder to all parents / carers that again for 2025, the school will be participating in the GVPSSA Gala Day competition. Information for parents will be provided along with costs. Please ensure that if your child/ren have the opportunity they please ensure that they are prepared and ready for the day. A backpack with specific items assists in terms transporting from point A-to-B. We were very pleased with the performance of each child who represented the school. A reminder to parents, that if you intend to go along to watch and support your child and others, please ensure that you provide a backpack with water and light food. This will be a great day for participating. I will also acknowledge the teachers who are the coaches for teams participating in the competition. Beyond and above as always-thank you. To the parents again a special thank you for supporting your child in this opportunity.

Please look at the following information below regarding the day and time that your child will be attending their stage assembly for 2025:
