BONNYRIGG HEIGHTS PRIMARY SCHOOL

A school dedicated to quality teaching and learning

Term 1 Week 9

26 March 2025

A Message from Mr McKay

Dear Parents/Carers

Welcome to week 9 term 1 2025. Yes the weather has certainly impacted on so much we do at school as well as in the community and the state. We are quickly moving to the end of term 1 for 2025, and I remind you all that school for all students for term 2 will start on Wednesday 30 April. Staff return on the 28 / 29 March for two School Development Days. These days are an excellent approach to ensure that we continue to deliver quality education for all our students.

A huge thankyou to staff, students, P&C and parents involved in this years Cross Country event. Although this event happened today, it was great in seeing our children who chose to be a part of their Year group having a great time. We had to ensure the safety and wellbeing of all students participating on this day and I am pleased to say that the Bottom Oval was identified as being safe. Having had rain recently, the outside areas around classrooms does become unsafe for students to participate and manage. Well, done to all who achieved congratulations!

A reminder that we will be having the last of Parent and Teacher Interviews for Term 1 on 1 April from 3.00pm to 5.30pm. This is an excellent opportunity for parents to learn about how their child is engaging in the classroom and for their teacher to give information as to the goals that they are working with to ensure the best outcomes for their child. A great start to the year!

A reminder that we have advertised the General Assistant Position here in our school for the second time this term. Please note we have also advertised locally through Dojo and Face book sites. The application is online. Most of the information can be found on the link that is provided in the application regarding roles and responsibilities and salary etc. If you are interested, please work through the application and follow step by step. Any help required, please make time to see me. Looking forward in seeing applications.

I would like to acknowledge the participation of students, staff and the community who celebrated EID for 2025. At this stage, the end of EID will end on either Sunday the 30 March or Monday 31 March. Again, this represents the multiculturalism that is so rich within our community of Bonnyrigg Heights – Well done.

I would like to take this opportunity of raising awareness to Autism Awareness Day 2 April. Across our school in mainstream and support unit, numbers of students with diagnosis of Autism operate every day in and out of our classrooms. This day is a day to acknowledge that every child is different, and we treat them all with respect and understanding.

A huge reminder to all students, families, carers and community,
