BOOMI SCHOOL & COMMUNITY NEWSLETTER **Principal's Report**

The 2025 school year is well underway at Boomi PS. We welcome back Ella in Year 4 and our new students Sammy and Izzy in Kindergarten, Winston in Year 2 and Felina in Year 4. We all have an exciting year ahead of us with lots of fun, interesting activities and lessons to complete throughout the year.

Today, Felina, Ella, Winston and I participated in the onboarding for Small Group Online Tuition. The three students will be doing extra online lessons with other students across the state on Tuesdays, Wednesdays and Thursdays. This is a fantastic program run by the Department of Education with qualified teachers. Today we looked at how to get on Teams and Nearpod, how to 'raise our hand' to ask a question and use the 'chat' function.

This term, students will be having swimming lessons on Tuesday for sport. Thank you, Wendi Carrigan, for providing this fantastic service. Students are reminded to bring swimmers, rash shirt, towel, goggles, thongs and sunscreen each week.

Next Friday the children will be participating in Clean Up Australia Day. We will be concentrating on the area around the school and park.

Good for kids

good for life

Get moving, stay active!

Keeping kids active every day is one of the best ways to support their health, happiness, and learning. Regular physical activity helps children build strong bones and muscles, improve coordination, and even boost their focus in the classroom.

Primary school-aged children should aim for at least 60 minutes of active play each day. This could be running, jumping, dancing, or even a bike ride to school!

Easy ways to get kids moving:

-  Make it fun – Play a game of tag, kick a ball, or dance to their favourite song.
-  Use active transport – Walk, scoot, or ride to school instead of driving when possible.
-  Limit screen time – Swap some screen time for outdoor play or a fun family activity.
-  Be a role model – Join in and be active together!
