BOOMI SCHOOL & COMMUNITY NEWSLETTER

This week we celebrate Public Education Week. Public education is a vital cornerstone of our society, providing accessible learning opportunities for all children, regardless of their background. It nurtures critical thinking, creativity, and social skills, preparing students for future challenges. Public education fosters community engagement, inclusion, and equity, ensuring every child has the chance to succeed and thrive. At Boomi Public School this is our core business not only this week but each and every school day.

What a fantastic day we had today! A heartfelt thank you to Garah Public School for joining us for a wonderful poetry workshop with Murray Harten and engaging art activities with Mrs. Arthur. The collaboration truly enriched our students' creativity.

We want to wish our talented students—Ella, Felina, Winnie, and Issy—the best of luck as they compete at the Hefferen Shield in Moree tomorrow. We know you will all make us proud!

Mark your calendars for Book Week next Wednesday, 13 August! We invite all community members to attend and look forward to welcoming our Preschool children. Don't forget to come dressed as your favourite character!

Only two weeks to go until school camp! We are all buzzing with excitement for our adventure to Lake Keepit.

Lastly, a special thank you to Ben Maloney and Simon Walker for their invaluable assistance in creating our new front garden. Your support is greatly appreciated!

If you have any questions or concerns, please do not hesitate to contact the school.
