BOOMI SCHOOL & COMMUNITY NEWSLETTER

Last Wednesday, we came together to celebrate Book Week, with the theme “Book an Adventure.” It was a delight to see so many students and families participating. A special thank you goes to Miss Wendy and the preschool children for joining us and bringing extra energy to the day. We’d also like to give a big shout out to Lola, who captivated everyone by reading a story aloud to the whole school – thank you, Lola! We truly appreciated seeing so many parents in attendance and sharing in the excitement. Your support means so much to us and helps make events like these memorable for our students.

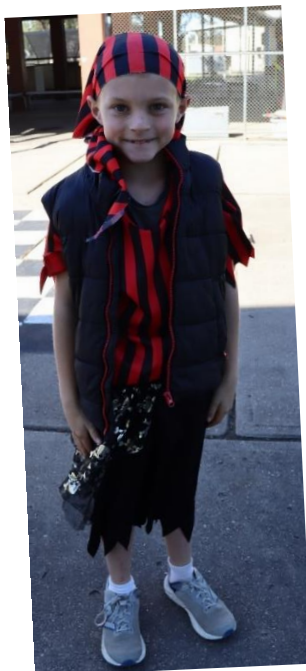

Next week, we're looking forward to our school camp, departing Monday morning. Students will enjoy a week packed with adventure, including fishing, canoeing, bike track challenges, archery, frisbee golf, and many more activities. It's a wonderful opportunity for students to try new things, build friendships, and develop independence.

Looking further ahead, our CUBS transition program for incoming students will begin in Week 7. CUBS is designed to help children adjust to school routines and expectations, while supporting their emotional and social development. We encourage families to join in, as this program helps children meet future teachers, make new friends, and enjoy fun, educational activities.

If you have any questions or concerns, please do not hesitate to contact the school.

What is the CUBS program?

CUBS is our dedicated transition program that focuses on helping young children adjust to school life. This initiative aims to familiarise them with the school environment, routines, and expectations, supporting their emotional and social development. Attending these sessions will provide your child with the opportunity to meet their future teachers, make new friends, and engage in fun, educational activities designed to ease their transition into school.
