New flagpoles

Ceremony conducted to celebrate the new flagpoles. Students, staff and special guests attended the occasion. MP Dai Le donated the flags to the school. Anna (BM) worked hard to get this project completed.

Quad rectification

Hopeful for an October finish; some concrete has been completed but disappointed with the current situation. At this stage, more work will be done during the holidays, new drains have been added to avoid flooding in the quad. Half side to be concreted in 2 weeks and remaining to be completed in the holidays. School has been given approval to plant 5 trees.

Newsletter

Some parents are reporting that they are not receiving text messages or calls from the school. Investigation has revealed that numbers have been blocked potentially by their child. The numbers have been listed in the newsletter (Principal Report); parents are encouraged to check and remove the number from the blocked list.

Driver behaviour – there have been numerous negative reports by the school community regarding this. Unfortunately, not enough staff to cover the outside duty in the morning. Please take care when dropping off your children each day.

Year 12

Last day of Year 12 classes - Monday 24th September

Picnic Day - Tuesday 25th September

Graduation - Wednesday 26th September

School Captains

Speeches have been completed as part of a 4-stage process. Voting is open until Tuesday 9th September with results being declared soon after.

There will be 4 school captains (no longer vice captains).

Mandatory Drills

Drill conducted last week as part of a regular review – Evacuation (6 months), Lockdown (12 months) Evacuations/lockdowns are conducted Term 1 and 3.

Looking to expand the bells/PA system to incorporate every classroom/staffroom/office.

Current system is external only.

Email was sent to parents to notify of the lockdown drill.

Enrolment numbers 2026

With student enrolments declining, we need to decrease teacher allocation through a nomination for transfer. 89.4 to 86.9 FTE for teachers.

Staff have been notified and can self-nominate, if no response, Principal to decide.

Teacher will be allocated to a new school within proximity to home.

Remaining School Projects

No update on the outstanding projects.

FL2 Kitchen Upgrade – November 2025

Security Doors and Gates – TBC

MPC Upgrade – TBC

Sports Centre Fans – TBC

DEPUTY PRINCIPAL REPORTS: J. Villanueva

What more can we do to support your child? – Parent raised a concern that her Yr10 daughter is pulled out of class during Year Meetings.

Sentral Parent Portal App – reporting an issue in Wellbeing – Positive Incidents where parents were able to view incidents but can now only view a summary. Chris is working to revamp this process around PBLs and merit awards – Jen to provide information on this in her report.

KHUDA STEM Initiative

A new initiative and one of 6 schools that have been given the pilot program. \$100m donated through WSU through STEM learning.

The program has 3 components:

- Khuda STEM Outreach – Students in Year 7-10
- Khuda Women in STEM Academy – Selected Year 11 and 12 students
- Khuda Scholars Program – Graduates of Khuda Program

Report Awards

A revamped initiative from the DPs – students are now awarded these at Year Meetings for improvement or academic excellence in their studies. Now a digital certificate, not handwritten.

Police Visit

Police youth liaison officers spoke to students about social media/bullying/harassment. Bullying is not ok even if students think it's a joke. Police officers were very informative.

Science Week

A great week with students in science courses. Slides provided photos of the different activities conducted during the Week.

Book Week

Great success with teachers dressing up as book characters.

Week Gr8

Our term of greatness! Many activities planned. Look out on our socials for videos and photos to be posted!

Bossley Values

Now with permanent leadership in the school, Senior Exec is reviewing values.

Student survey results from the annual Student Wellbeing Survey.

Slides provided information of various survey results and plans to implement changes.

Gaining different ideas from local primary schools.

DoE values displayed in a chart.

Make posters and guides for around the school and in the classroom.

Internal discussions conducted with staff. Parent/community collaboration to follow.

Currently an SRL school (Safe, Respectful, Learner) through our PBL Matrix.

Distribute questionnaire to parents to gain input and options on the review process.

Different acronyms are welcome to see what could be beneficial for all. Keep it to one acronym instead of different ones for junior and senior. Ideas include RISE, STAR, REAL, REACT.

GENERAL BUSINESS:

Raising a question regarding the different proteins used in Food Technology – alternating weeks can include, Pork, Chicken, Lamb.

Donating food to the school

Donating old uniforms to the school if not being used.
