Relieving Principal's Message

Dear Parents, Carers, and Families, a wonderful term comes to a close!

This is definitely a **bumper issue**, there is a variety of informative articles and resources available for you to have a look at.

As we approach the conclusion of another busy and rewarding term, I would like to take this opportunity to reflect on all that has been accomplished and to express my sincere gratitude for your continued support.

This term has been marked by meaningful learning, personal growth, and a strong sense of community. From classroom initiatives to sports days, assemblies, and creative endeavours, our pupils have demonstrated remarkable enthusiasm, compassion, and resilience. It has been a privilege to witness their development both within and beyond the classroom environment.

I am so proud of every single child for their efforts this term. A special thank you to all the staff for their dedication, and to you, our parents and carers, for the invaluable support you provide at home.

Term 4 will be a busy term so keep an eye on the school calendar and newsletters for upcoming events. The P & C Colour Run is happening in Week 1 of Term 4 on Wednesday please see information in the newsletter and School Bytes correspondence. Year 1(Week 1) and Kindergarten (Week 2) begin their swim program. In Week 3 we begin our Kindergarten Orientation sessions, information will be available to families.

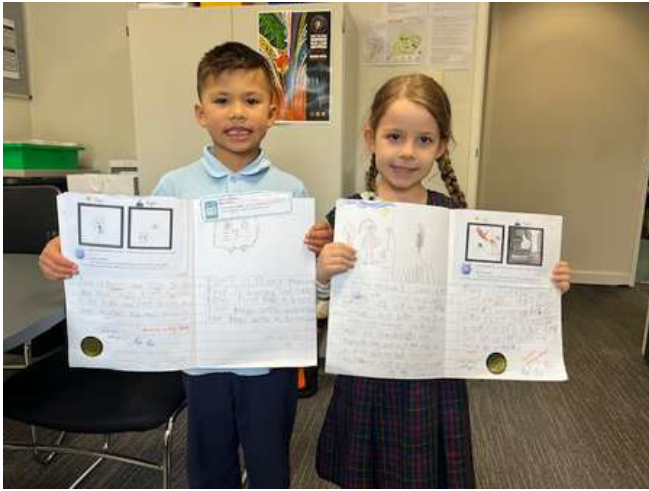

I wish you all a restful and enjoyable break.

Have a wonderful holiday!

Principal's Morning Tea

Principal's Morning Tea – ***Celebrating Courage***

We acknowledged students who have shown remarkable courage in their learning, in their friendships, and in standing up for what's right. Whether it's trying something new, speaking up with kindness, or facing challenges with determination, these students remind us that courage isn't about being fearless, but choosing to act bravely despite fear.

We are proud to celebrate their strength and character.

Tennis Champ!

Congratulations to Markus (6T) who has been selected to represent the 2025 NSW team at the National tennis competition. You can get behind Markus by purchasing a raffle ticket from the front office.

Lost Property

A friendly reminder to ensure that all of your child's belongings (particularly jackets, jumpers and hats) are clearly labelled with your child's name. Our Lost Property pool is located in the South Hall.

Kindergarten 2026

Students commencing Kindergarten in 2026 need to be enrolled this year so we can start the planning for next year. Completing the enrolment process early allows us to:

- Start forming a relationship with new families
- Become familiar with the individual circumstances of the family where required
- Start planning for your child's commencement at school where a child's additional needs may need to be considered.
- Both local and non-local (out of area) enrolments are now being accepted online through the school's website.

Intentions for 2026

As we prepare for the upcoming year, please notify the school in writing as soon as possible if your child will not be returning to BLSPS in 2026. This information is vital in helping us make informed decisions regarding class placements and resource allocation.

Dear Parents and Carers, Thank you so much for supporting our school to be the best it can be! This term we are hosting a **Monty's Colour Fun Run** for our students and raising funds for **new playground equipment** within our school.

How Do We Fundraise?

Fundraising for our school is easy! Simply go to www.myprofilepage.com.au and click the register button to create a cybersafe, online profile page. Once you've created a parent account and profile page, you can share that around to family and friends to receive online donations. Please note that this is an online fundraiser only and all cash donations must be converted to an online donation before **Friday 17th October**.

Receive a prize for your fundraising efforts by simply raising \$10 online! At the end of the fundraiser, students can mix and match up to a total of five prizes based on their donations received or they can give back to one of the six causes on offer - The Great Barrier Reef Foundation (coral planting or turtle protection), Carbon Neutral (tree planting), OzHarvest (providing meals to those in need), The Smith Family (reading support) or Dolly's Dream (end bullying in schools). You can also receive some bonus Monty the Monstar incentive prizes! Check out your sponsorship form booklet for more information!

BRIGHTON BRIGHT BEGINNINGS

Our **Brighton Bright Beginnings** play-based school readiness program has been buzzing with excitement!

For the past three Wednesdays, our participants have been diving into a variety of fun, hands-on activities designed to support a smooth and confident transition to Kindergarten.

From building **fine motor strength**, to exploring early **literacy and numeracy** every moment has been packed with purpose and play.

Our young learners have also been developing their **creative thinking** and social skills through problem-solving activities, and plenty of opportunities for imaginations to shine!

Being part of the Bright Beginnings program is a truly valuable experience for both students and families, laying a strong foundation for learning, confidence, and a successful start to school life.

Take a look at our photos so far! You will see bright smiles, busy hands, and the joy of play in action.

Friendly reminders in relation to lunches:

- Please do not bring 2-minute noodles – there are safety issues with the hot water needed to cook them
- If you are bringing something to re-heat for lunch – please make sure that it is already cooked (and just needs warming and not cooking) and is in a microwave-safe dish of your own
