Thursday, 27th November

- Kinder swimming program

Friday, 28th November

- Year 1 swimming program
- Summer PSSA semi finals

Principal's Message

It's hard to believe we're already in Week 3, Term 4. Our students have settled back into their routines beautifully and are showing great enthusiasm for their learning. Term 4 is always a busy and exciting term, with lots of special events, celebrations and opportunities to reflect on how much growth has happened over the year.

A big thank you to our staff and families for your ongoing support - it truly makes a difference in helping our students thrive. Let's keep encouraging our children to do their personal best and show kindness as we work towards the end of the school year.

Happy World Teachers' Day

This Friday we celebrate World Teachers' Day. The day is an opportunity to recognise the amazing work our teachers do each and every day. Our teachers go above and beyond to inspire, guide and nurture our students - helping them grown not only in knowledge, but in confidence and character too. A huge thank you to our wonderful teaching team for your dedication, your care and your creativity. You make the school a brighter place and truly change lives through your work. Let's all take a moment to say, "thank you" to a teacher who has made a difference.

P & C Colour Run Fun!

What a fabulous day we had at the P & C Colour Run in Week 1. A big thank you to event organiser, Dimi Ribeiro, our P & C and parent helpers for organising another wonderful event for our school community. We are so fortunate to have such a hardworking and dynamic P & C who give so much to our community.

Thank you to everyone who has raised money in support of our school.

Thank you also to all the BLSPS staff who got in the spirit of the day. A special shout out to Mr Ward, Mr Trompp and Mr Dell who volunteered to be slimed (to the great excitement of our students!!)

Mrs Williams' Brighton Bright Stars

Congratulations to the latest Brighton Bright Stars from 4T!

Year 6 Science Day

In the last week of Term 3, Year 6 had a fun and engaging science day around the unit, ENERGY.

Mini Fete

Thank you to our wonderful school community who supported the Year 6 Mini Fete. As you can see from the photos, the students had a great time.

A BIG thank you to our Year 6 parents who supported the mini fete and our helpers on the day.

We will share more photos soon.

Ms DeAngeli

Attendance – Everyday Matters

As we approach the end of the school year, here are some important reminders!

Boost in confidence, friendships and getting the best out of their education is what happens when students attend school every day. #EveryDayMatters even the days leading up to end of term. Days missed equals years lost.

Punctuality is important too. We are seeing an increasing number of students arriving late which means a disrupted start to their day.

Some facts: There's about 200 days in a school year.
When your child misses one day a week over a year...

- That's 40 days of school
- 8 weeks of lessons
- 2.5 years over their school life lost

We are here to support you in making sure students are attending school every day and on time so they get the most out of their learning.
#EveryDayCounts

2026 Enrolments

To assist with our planning for 2026, if your child will not be returning to BLSPS next year, could you please inform the school in writing as soon as possible. Thank you.

Returning Late in 2026

Please notify the office if your child will be returning later than the students' starting date of Monday, 2nd February 2026 so we can make appropriate accommodations. Extended leave during school terms requires the permission of the Principal.

Class Placement 2026

If you have any specific information that the school needs to be aware of regarding your child's class placement for 2026, this needs to be put in writing and addressed to the Principal. Please be aware that requests for placement with specific teachers will not be considered except in exceptional circumstances.

If you provided information in relation to previous school years, please be aware that you will need to contact us again in relation to the 2026 school year as these considerations are looked at annually.

Driving and Parking Safely near School

The safety of our students is a priority. School opening and closing hours are busy times for pedestrians and vehicles outside the school. Please ensure that you always park safely and legally even if it means walking further to the school gate. Please observe all parking signs. Parking in our staff carpark for picking up and dropping off students is prohibited. Please also be respectful of our neighbours and ensure that you do not park across their driveways. Thank you for your support.

Are Your Contact Details Up to Date?

If your contact details are out of date or if you're not sure, please contact the school on 95675449 or via email brightonle-p.school@det.nsw.edu.au so we can update our records and can contact you quickly when we need to.

Please include parent/carer's name, address, phone numbers, email address and emergency contact details. Please remember to contact the school if any of these details or your circumstances change. This can also be updated through your School Bytes parent portal under forms/general/change of details.

**THANK YOU TO THE LOCAL BUSINESSES WHO HAVE CONTRIBUTED TO
THE SUCCESS OF OUR FUNDRAISING GOAL!**
Please continue to support these local businesses if you can!

WHERE PARENTS AND COMMUNITY SUPPORT THE SCHOOL TO
PROVIDE THE BEST POSSIBLE OUTCOMES FOR OUR STUDENTS

*We are super excited to welcome you to our
wonderful school community, Brighton Le Sands
Public School.*

*On behalf of the Parent Community we look forward
to sharing in your schooling journey.*

*No matter if you are a returning parent or new, we
look forward to connecting with you at the P&C.*

WHAT DO THE P&C DO?

Fully fund and operate school canteen

Fully fund and operate school uniform room

Contribute to well-being support

Offer financial support for programs, initiatives and resources within the school

Create a community where students and parents feel welcomed, supported and a part of our school

Meet and collaborate with school to discuss upcoming events, ideas and gain information on the direction of the school

Provide fun events and opportunities for students to enjoy being part of the whole school community.

WHAT ARE THE BENEFITS OF THE P&C?

Make new friends

Have your say and keep up to date with
what's going on in the school

Contribute to making our school a better
place

Be a role model for your child

Improve mental health

Have fun

Be part of the bigger picture

Keep services available at a reduced cost
