Year 6 having a blast with their Willyama High Taster Lessons!

Last Friday, Year 6 students attending Willyama High in 2026 kicked off their Transition to High School Taster Lessons with a blast! The high school was buzzing as students divided into two groups for a whirlwind of fun activities.

One group got creative in an English poetry lesson, exploring the school and discovering their learning superpowers.

The other group dove into a thrilling zombie-themed writing task on cyber security, whipped up some fizzy sherbet in Home Economics, and zapped around in science class, learning about circuits.

Meanwhile, Year 5 students were busy back at school, mastering Better Buddies skills to help the incoming Kindergarten students feel right at home.

Mark your calendars because Year 6 is set for another round of Taster Lessons on November 4, with full-day adventures at Willyama High School on November 18 and Broken Hill High School on November 25. Fun times ahead!
