From the Principal

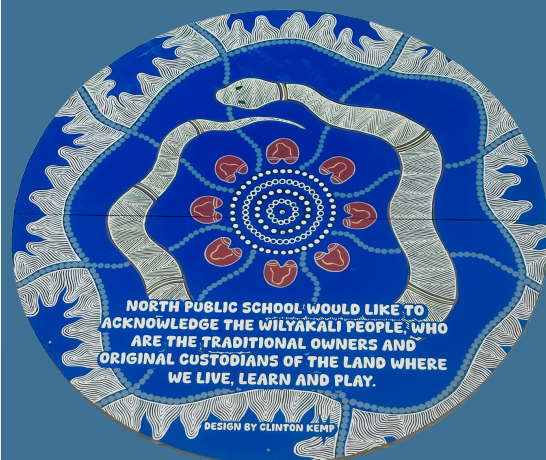

Welcome back to Term 4!

It's shaping up to be a busy and exciting time with many important events ahead, including Presentation Day, high school transitions, swim school, and the Year 6 Farewell.

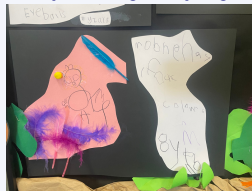

We are also proud to share that a new sign has been installed on the front office building acknowledging the Wilyakali people, the traditional custodians of this land. A heartfelt thank you to Clint for his outstanding efforts in making this happen, and to Fast Print for their excellent installation work over the holidays.

As the weather warms up, please remember to send your children to school with their hats to stay protected while outdoors. Here's to a wonderful term ahead!

Each bird was given a name, and students wrote sentences with adjectives to highlight their birds' unique flair. For the first time, they ventured into publishing their writing! Now, their brilliant birds and descriptions are proudly displayed in our classroom.

Mobile Phone Rules!

Students who bring mobile phones to school must hand them in to the school office each morning when they arrive. They can collect them in the afternoon after the bell.
